VCAP may pay a lesser amount if payment under this section would exceed a statutory or regulatory cap.
- 29.3 If the usual and customary charge cannot readily be established, or in special circumstances, VCAP may, in its discretion, determine the reasonable charge for the procedure performed or the service rendered.
- 29.4 If a victim has Medicaid or Medicare benefits, VCAP will pay the mental health provider at the rates established by Medicaid or Medicare regardless of whether the provider is paneled with Medicaid or Medicare. The provider shall accept VCAP's payment as payment in full, and may not attempt to collect from the victim or third parties any amount exceeding the amount of reimbursement made by VCAP.
