602 Motor Vehicle Physical Damage Appraisers

Statement of Purpose

18 Del.C. Ch. 17 has been amended to include motor vehicle physical damage appraisers under the license requirements therein. The following regulation is required to set standards of conduct for appraisers and to implement the provisions of Chapter 17 and establish through regulations guideline procedures for the manner in which motor vehicle physical damage appraisers conduct their business.

It is not contemplated that this regulation shall apply where no appraisal has been assigned. Recognition is given to the fact that many minor damage claims do not require a formal appraisal and to require such would be an undue burden upon the parties involved.

This appraisal shall contain the name of the insurance company ordering it, if any, the insurance file number, the number of the appraiser's license and the proper identification number of the vehicle being inspected. All unrelated or old damage should be clearly indicated on the appraisal which shall include an itemized listing of all damages, specifying those parts to be replaced or repaired.
