26 DE Reg. 1077 (06/01/23)

2.0 Temporary Work Permits [24 Del.C. §5106(a)(7)]

- 2.1 The purpose of a temporary work permit is to allow an otherwise qualified examination applicant to practice under appropriate supervision pending the applicant's scoring of a passing grade on the examination.
- 2.2 A temporary work permit may be issued to an examination applicant who meets the Board's requirements and who is eligible for admission to the cosmetology, nail technician, barbering, electrology, or aesthetician examination, with the appropriate fees paid.
- 2.3 A temporary work permit is valid for 30 days past the next available examination date. After the first temporary permit expires, a subsequent temporary permit may be issued only where the applicant submits proof that the applicant did not pass the examination and that the applicant is registered for the next examination date. The applicant shall be eligible for temporary permits for 2 years after the date of making application. If the applicant does not pass the examination within 2 years after making application, the applicant shall be required to wait 6 months from the date of the last examination and then may make a new application for a temporary permit.
- 2.4 The holder of a temporary work permit for cosmetology shall practice under the supervision of a licensed cosmetologist, or cosmetology instructor.
- 2.5 The holder of a temporary work permit for barbering shall practice under the supervision of a licensed master barber, barber, barber instructor or a cosmetology instructor, if the cosmetology instructor has completed 35 hours of instruction in shaving documented on a Board approved form.
- 2.6 The holder of a temporary work permit for nail technology shall practice under the supervision of a licensed nail technician, nail technology instructor, cosmetologist, or cosmetology instructor.
- 2.7 The holder of a temporary work permit for electrology shall practice under the supervision of a licensed electrologist or electrology instructor.
- 2.8 The holder of a temporary work permit for aesthetics shall practice under the supervision of a licensed aesthetician, aesthetics instructor, cosmetologist, or cosmetology instructor.
- 2.9 The holder of a temporary instructor's work permit shall practice at all times under the supervision of a licensed instructor, pursuant to subsections 9.3 and 13.3.
- 2.10 Reciprocity applicant: A temporary work permit for reciprocity may be issued to an applicant subject to the requirements of 24 Del.C. §5109(a). Where the applicant comes from a state with less stringent standards than Delaware's standards, the Board shall review the applicant's experience documentation. The temporary permit shall expire 14 calendar days after the date of the Board meeting at which the Board considers the application.

TITLE 24 REGULATED PROFESSIONS AND OCCUPATIONS
DELAWARE ADMINISTRATIVE CODE

3.0 Apprenticeship and Supervision [24 Del.C. §§5101(a), 5107]

3.1 Application

- 3.1.1 In the application for licensure by apprenticeship, the applicant must identify the apprentice teacher and the shop where the apprenticeship will take place and document the apprentice teacher's qualifications as set forth in subsection 3.2.
- 3.1.2 The apprentice must submit a new application to the Board upon any change in the apprentice teacher or location of the apprenticeship within 30 days of the change. If the apprentice does not submit a new application within 30 days, hours acquired after a change in apprentice teacher or shop shall be null and void and will not count towards apprentice hours required for examination and licensure.
- 3.1.3 Apprenticeship hours may be acquired only after the apprentice license has been issued.
- 3.1.4 An apprenticeship may be completed only in a licensed shop. An apprenticeship may not be completed in a mobile salon.

3.2 An apprentice teacher is a licensee who is responsible for the teaching of an individual applying for licensure by apprenticeship. The apprentice teacher must meet the following requirements:

- 3.2.1 An apprentice teacher must be a practitioner licensed in the profession that the apprentice is studying, except that a nail technician applicant and an aesthetician applicant may apprentice with a cosmetologist, and a barber applicant may apprentice with a cosmetology instructor, if the cosmetology instructor has completed 35 hours of shaving as documented to the Board's satisfaction.
- 3.2.2 An apprentice teacher must have an active Delaware license in good standing and at least 36 months of licensed work experience which must be documented to the Board's satisfaction and supported by a notarized letter or tax forms.
- 3.2.3 An apprentice teacher may supervise and train no more than 3 apprentices at any given time.
- 3.2.4 An apprentice teacher may designate, by written and signed statement, a qualified, temporary apprentice teacher. The temporary apprentice teacher must have been licensed for at 36 months. The temporary teacher may serve in that role for a total of no more than 30 days per calendar year.
- 3.2.5 An apprentice teacher may not be the employee of the apprentice.
- 3.2.6 An apprentice teacher must comply with the Board's law, rules and regulations and must instruct the apprenticeship on the importance of such compliance. Failure to comply with the Board's law, rules and regulations may subject the apprentice teacher to discipline.

3.3 Apprenticeship hours.

- 3.3.1 An apprentice may not be charged for accumulating apprenticeship hours.
- 3.3.2 An apprenticeship shall be completed only in a licensed shop.
- 3.3.3 Apprenticeship hours shall be acquired only after the apprentice license has been issued.
- 3.3.4 Any person applying for licensure as a cosmetologist or barber through apprenticeship must complete the necessary apprentice hours in not less than 18 months and not more than 36 months.
- 3.3.5 Any person applying for licensure as a nail technician through apprenticeship must complete the necessary apprentice hours in not less than 15 weeks and not more than 12 months.
- 3.3.6 Any person applying for licensure as an electrologist through apprenticeship must complete the necessary apprentice hours in not less than 15 weeks and not more than 12 months.
- 3.3.7 Any person applying for licensure as an aesthetician through apprenticeship must complete the necessary apprentice hours in not less than 30 weeks and not more than 24 months.
- 3.3.8 The required hours shall be completed within the specified time frame.
- 3.3.9 The apprenticeship license shall expire upon completion of the required hours within the specified time frames as set forth in subsections 3.3.4 - 3.3.7.
- 3.3.10 On written application to the Board prior to completion of the apprenticeship, the Board may grant extensions to these time frames for good cause shown. To show good cause, the apprentice must provide evidence to the satisfaction of the Board of an illness, injury, financial hardship, family hardship or other similar extenuating circumstance. The extension granted may not exceed 1 year.
- 3.3.11 The apprentice teacher and apprentice are responsible for keeping an accurate record of the apprentice's application and clock hours. Daily work sheets documenting clock hours must be maintained on Board approved forms and made available to the Board or its designee upon demand. Every 3 months, the apprentice must provide to the Board, on a Board approved form, written documentation of clock hours obtained to date, and the form must be signed by the apprentice teacher.

- 3.3.12 The apprentice teacher is responsible for notifying the Board that an apprentice is no longer training in the shop and submit to the Board the apprentice's license and a notarized, signed transcript of total hours accumulated by the apprentice within 30 days of termination of the apprenticeship. The transcript must be signed by the apprentice teacher. The apprentice must be provided with a copy of the transcript. Apprentice records must be maintained by the shop for a period of 5 years.
 - 3.3.13 Where an apprentice provides services to a client, the client shall be so advised and legible written notice that services are being performed by an apprentice must be displayed at the work station. The apprentice teacher must obtain a written statement that the client acknowledges that the work is being performed by an apprentice, and the apprentice teacher must sign the statement.
 - 3.3.14 An apprentice may not work on a client until the apprentice has obtained sufficient skills and knowledge to perform the services. The apprentice teacher is responsible for the services rendered by the apprentice.
 - 3.3.15 Any person applying for licensure by apprenticeship, who previously held a temporary permit pursuant to Section 2.0, and did not pass the applicable examinations as set forth in subsection 2.3, shall wait 6 months from the date of the last examination before making application for an apprentice license.
 - 3.3.16 If an apprentice does not complete the required hours within the specified time frame, as set forth in subsections 3.4 - 3.7, subject to a maximum 1-year extension, the person shall wait 6 months before making application for another apprenticeship. Previously acquired hours shall not be applicable to the subsequent apprenticeship.
- 3.4 Transfer of Apprentice Hours to School Program. An apprentice cosmetologist or apprentice barber may transfer up to 1,800 apprentice hours, at a rate of 2 apprentice hours to 1 transfer hour, to an educational program totaling 1,500 hours. A minimum of 600 hours of course work must be completed at a school. The Board must provide documentation of the apprentice hours to the school prior to transfer. Acceptance of apprenticeship hours towards a cosmetology or barbering program is at the discretion of the school or program.

8.0 Duty to Update Address

Licensees must provide the Division of Professional Regulation with a current mailing address and current email address. Any change in mailing or email address must be reported to the Division within 10 days of such change. All notifications and correspondence pertaining to a license that are sent through the mail will be sent only to the most recent address provided by the licensee. The failure to provide the Division with a current mailing address will not operate to excuse any duty or responsibility of the licensee and confirmed delivery to the most recent address provided by the licensee will be considered proper notice.

26 DE Reg. 1077 (06/01/23)

9.0 Instructor Requirements [24 Del.C. §§5107(a)(3)h. - j.]

- 9.1 In addition to the requirements set forth in 24 Del.C. §§5107(a)(3)h. - j., an instructor applicant shall submit an official transcript showing completion of the teacher training course.
- 9.2 Where an instructor applicant states that the applicant has obtained 2 years' experience, such experience shall be documented by a notarized statement from each current or previous employer. If the required statement cannot be obtained, the applicant must submit an explanation as to why the statement cannot be obtained, with any other available documentation, such as W-2 forms. The Board may accept or reject such explanation, at its discretion.

9.3 A cosmetology instructor may teach cosmetology, nail technology and aesthetics. A cosmetology instructor may teach barbering only if he or she has completed at least 35 hours of instruction in shaving as documented to the satisfaction of the Board.

17.0 Voluntary Treatment Option for Chemically Dependent or Impaired Professionals

- 17.1 If the report is received by the chairperson of the regulatory Board, that chairperson shall immediately notify the Director of Professional Regulation or the Director's designate of the report. If the Director of Professional Regulation receives the report, the Director shall immediately notify the chairperson of the regulatory Board, or that chairperson's designate or designates.
- 17.2 The chairperson of the regulatory Board or that chairperson's designate or designates shall, within 7 days of receipt of the report, contact the regulated professional in question and inform the regulated professional in writing of the report, provide the regulated professional written information describing the Voluntary Treatment Option, and give the regulated professional the opportunity to enter the Voluntary Treatment Option.
- 17.3 In order for the regulated professional to participate in the Voluntary Treatment Option, the regulated professional shall agree to submit to a voluntary drug and alcohol screening and evaluation at a specified laboratory or health care facility. This initial evaluation and screen shall take place within 30 days following notification to the regulated professional by the participating Board chairperson or that chairperson's designate or designates.
- 17.4 A regulated professional with chemical dependency or impairment due to addiction to drugs or alcohol may enter into the Voluntary Treatment Option and continue to practice, subject to any limitations on practice the participating Board chairperson or that chairperson's designate or designates or the Director of the Division of Professional Regulation or the Director's designate may, in consultation with the treating professional, deem necessary, only if such action will not endanger the public health, welfare or safety, and the regulated professional enters into an agreement with the Director of Professional Regulation or the Director's designate and the chairperson of the participating Board or that chairperson's designate for a treatment plan and progresses satisfactorily in such treatment program and complies with all terms of that agreement. Treatment programs may be operated by professional Committees and Associations or other similar professional groups with the approval of the Director of Professional Regulation and the chairperson of the participating Board.
- 17.5 Failure to cooperate fully with the participating Board chairperson or that chairperson's designate or designates or the Director of the Division of Professional Regulation or the Director's designate in regard to the Voluntary Treatment Option or to comply with their requests for evaluations and screens may disqualify the regulated professional from the provisions of the Voluntary Treatment Option, and the participating Board chairperson or that chairperson's designate or designates shall cause to be activated an immediate investigation and institution of disciplinary proceedings, if appropriate.
- 17.6 The Voluntary Treatment Option may require a regulated professional to enter into an agreement which includes the following provisions:
 - 17.6.1 Entry of the regulated professional into a treatment program approved by the participating Board. Board approval shall not require that the regulated professional be identified to the Board. Treatment and evaluation functions must be performed by separate agencies to assure an unbiased assessment of the regulated professional's progress.
 - 17.6.2 Consent to the treating professional of the approved treatment program to report on the progress of the regulated professional to the chairperson of the participating Board or to that chairperson's designate or

TITLE 24 REGULATED PROFESSIONS AND OCCUPATIONS
DELAWARE ADMINISTRATIVE CODE

designates or to the Director of the Division of Professional Regulation or the Director's designate at such intervals as required by the chairperson of the participating Board or that chairperson's designate or designates or the Director of the Division of Professional Regulation or the Director's designate, and the person making the report will not be liable when the reports are made in good faith and without malice.

- 17.6.3 Consent of the regulated professional, in accordance with applicable law, to the release of any treatment information from anyone within the approved treatment program.
- 17.6.4 Agreement by the regulated professional to be personally responsible for all costs and charges associated with the Voluntary Treatment Option and treatment program. In addition, the Division of Professional Regulation may assess a fee to be paid by the regulated professional to cover administrative costs associated with the Voluntary Treatment Option. The amount of the fee imposed under this subparagraph shall approximate and reasonably reflect the costs necessary to defray the expenses of the participating Board, as well as the proportional expenses incurred by the Division of Professional Regulation in its services on behalf of the Board in addition to the administrative costs associated with the Voluntary Treatment Option.
- 17.6.5 Agreement by the regulated professional that failure to satisfactorily progress in such treatment program shall be reported to the participating Board's chairperson or that chairperson's designate or designates or to the Director of the Division of Professional Regulation or the Director's designate by the treating professional who shall be immune from any liability for reporting made in good faith and without malice.
- 17.6.6 Compliance by the regulated professional with any terms or restrictions placed on professional practice as outlined in the agreement under the Voluntary Treatment Option.
- 17.7 The regulated professional's records of participation in the Voluntary Treatment Option will not reflect disciplinary action and shall not be considered public records open to public inspection. However, the participating Board may consider such records in setting a disciplinary sanction in any future matter in which the regulated professional's chemical dependency or impairment is an issue.
- 17.8 The participating Board's chairperson, that chairperson's designate or designates or the Director of the Division of Professional Regulation or the Director's designate may, in consultation with the treating professional at any time during the Voluntary Treatment Option, restrict the practice of a chemically dependent or impaired regulated professional if that action is deemed necessary to protect the public health, welfare or safety.
- 17.9 If practice is restricted, the regulated professional may apply for unrestricted licensure upon completion of the program.
- 17.10 Failure to enter into an agreement or to comply with the terms and make satisfactory progress in the treatment program shall disqualify the regulated professional from the provisions of the Voluntary Treatment Option, and the participating Board shall be notified and cause to be activated an immediate investigation and disciplinary proceedings as appropriate.
- 17.11 Any person who reports pursuant to this section in good faith and without malice shall be immune from any civil, criminal or disciplinary liability arising from the reports, and the person's confidentiality shall be protected if the matter is handled in a nondisciplinary matter.
- 17.12 The confidentiality of any regulated professional who complies with all of the terms and completes the Voluntary Treatment Option shall be protected unless otherwise specified in a participating Board's rules and regulations. In such an instance, the written agreement with the regulated professional shall include the potential for disclosure and specify those to whom such information may be disclosed.
