**PUBLIC NOTICE**

**Home and Community-Based Services Waivers**

In compliance with the State's Administrative Procedures Act (APA - Title 29, Chapter 101 of the Delaware Code) and under the authority of Title 31 of the Delaware Code, Chapter 5, Section 512, Delaware Health and Social Services (DHSS) / Division of Medicaid and Medical Assistance (DMMA) intends to amend policies in the Division of Social Services Manual (DSSM) regarding *Home and Community-Based Services Waivers*.

Any person who wishes to make written suggestions, compilations of data, testimony, briefs or other written materials concerning the proposed new regulations must submit same to Sharon L. Summers, Planning & Policy Development Unit, Division of Medicaid and Medical Assistance, 1901 North DuPont Highway, P.O. Box 906, New Castle, Delaware 19720-0906 or by fax to 302-255-4425 by April 30, 2012.

The action concerning the determination of whether to adopt the proposed regulation will be based upon the results of Department and Division staff analysis and the consideration of the comments and written materials filed by other interested persons.

**SUMMARY OF PROPOSAL**

The proposal described below amends policies in the Division of Social Services Manual (DSSM) regarding Home and Community-Based Services Waivers.

**Statutory Authority**

- 42 U.S.C. §1315, *Demonstration projects*
- Social Security Act §1115, *Demonstration projects*
- 42 CFR §435.217, *Individuals receiving home and community-based services*

**Background**

Section 1115 of the Social Security Act provides the Secretary of Health and Human Services broad authority to authorize experimental, pilot, or demonstration projects likely to assist in promoting the objectives of the Medicaid statute. Flexibility under Section 1115 is sufficiently broad to allow states to test substantially new ideas of policy merit. These projects are intended to demonstrate and evaluate a policy or approach that has not been demonstrated on a widespread basis. Some states expand eligibility to individuals not otherwise eligible under the Medicaid program, provide services that are not typically covered, or use innovative service delivery systems.

Under a waiver authority of Section 1115(a) of the Social Security Act, the Diamond State Health Plan (DSHP) implemented a mandatory Medicaid managed care demonstration program statewide on January 1, 1996. Using savings achieved under managed care, Delaware expanded Medicaid health coverage to additional low-income adults in the State with incomes less than 100% of the Federal Poverty Level (FPL).

Effective April 1, 2012, the Division of Medicaid and Medical Assistance (DMMA) implements its 1115 Demonstration Waiver to integrate primary, acute and long-term care (LTC) services for the elderly and persons with physical disabilities into the Diamond State Health Plan (DSHP) statewide program under the name "Diamond State Health Plan Plus."

**Summary of Proposal**

The proposed policy revisions in the Division of Social Services Manual (DSSM) identify the elimination of some of the 1915(c) home and community-based services waivers and the incorporation of them into Long Term Care Managed Care. In December 2010, three 1915(c) waivers: Elderly/Disabled Waiver, ABI Waiver, Assisted Living Waiver; were consolidated into one Elderly and Disabled Waiver. These changes were never reflected in policy.

As of April 1, 2012, the consolidated Elderly and Disabled Waiver, as well as the AIDS/HIV waiver will be moved to an 1115 Waiver and incorporated into a Managed Care Program.

This regulatory action also proposes to increase the daily living needs allowance of those individuals residing in the community. In supporting community based care, the daily living needs allowance for these individuals increases to be equal to their total income, including income that is deposited into a Miller Trust.

The proposed changes affect the following policy sections:

DSSM 20700, *Home and Community-Based Services*

DSSM 20700.1, *Division of Mental Retardation*

DSSM 20700.2, *Home and Community-Based Waiver for the Elderly and Disabled*

DSSM 20700.3, *Home and Community-Based Waiver for Individuals with AIDS/HIV*

DSSM 20700.4 through DSSM 20700.4.8, *Assisted Living Waiver*

DSSM 20700.5 through DSSM 20700.5.J, *Acquired Brain Injury Medicaid Waiver Program*

ADDED:

DSSM 20710, *Long Term Care Community Services*

DSSM 20720, *Patient Pay Calculation*

DSSM 20720.1, *Daily Living Needs*

DSSM 20720.4, *Patient Pay Amount*

DSSM 20740, *Hospitalization*

**DSSM 20760, *Redetermination***

## **Fiscal Impact Statement**

The proposed regulation imposes no increase in cost on the General Fund.

## **DMMA PROPOSED REGULATION #12-10**

### **REVISIONS:**

### **20700 Home and Community Based Services**

#### **Federal Regulation - 42 CFR 435.217**

#### ***1115 Social Security Act (42 U.S.C. 1315)***

~~Individuals who are eligible to receive home and community based services, under a special waiver granted to the State's Medicaid program by the Centers for Medicare and Medicaid Services (CMS) are also eligible for the increased financial standard that is used for individuals in nursing facilities.~~

~~These are individuals who would need to be in an institution if the special Medicaid community services were not available. They are also individuals who may not be eligible for SSI or SSP while living in the community because of excess income.~~

~~Delaware currently has a waiver for the mentally retarded (effective 7/1/83), the elderly and disabled (effective 7/1/86) and (effective 1/1/91) persons with Acquired Immune Deficiency Syndrome (AIDS) or other HIV-Related Disease (HRD). The Assisted Living Waiver which is a program of community-based residential services became effective October 1, 1998.~~

~~Medicaid eligibility under any HCBS waiver is not established until services under the HCBS waiver begin.~~

~~Effective April 1, 2012, all Home and Community Based Waiver programs, except for the Division of Developmental Disabilities Services Waiver, are incorporated into Diamond State Health Plan Plus, a managed care program. See section DSSM 14900 for additional information regarding this program.~~

### **20700.1 ~~Division of Mental Retardation Waiver~~ Developmental Disabilities Services Waiver**

1. Only clients of the Division of Developmental Disabilities Services (DDDS) are eligible for this Waiver.

2. Individuals must be medically eligible.

Initial medical eligibility is determined by DDDS staff. The DDDS Intake Coordinator makes a preliminary determination for each applicant for initial eligibility. Once an individual is placed in a residential facility, the ~~social~~ DDDS Social Service Benefits Administrator sends all waiver requests to the ~~Medicaid~~ Division of Medicaid & Medical Assistance Medical Review Team (MRT) for review. Based on the information provided on the comprehensive Medical Report (MAP-25), Social Evaluation Form, Cost Projection Data Sheet and the ~~level~~ Level of Care (LOC) form, the MRT will either concur with the initial decision to approve or deny the applicant for an ICF/MR level of care.

~~3.~~ The MRT signs off on all forms sent by the DDDS Social Service Benefits Administrator.

3. Individuals must be financially eligible.

If the client is not already Medicaid eligible as an SSI recipient, DDDS submits an application to the appropriate Long Term Care Unit for financial eligibility determination. Eligibility determination is made by using financial criteria applied to those institutionalized and receiving Medicaid.

### **20700.2 Home and Community Based Waiver for the Elderly and Disabled**

1. ~~The Division of Services for Aging and Adults with Physical Disabilities (DSAAPD) determines medical eligibility for this waiver through their Pre-Admission Screening unit (PAS).~~
2. ~~DSAAPD PAS must assure that the applicant is in need of nursing home (i.e., skilled nursing facility (SNF), or intermediate care facility (ICF) as defined by DSS/Medicaid.~~
3. ~~The Long Term Care Financial Unit will determine eligibility using criteria in section 20103.~~  
Effective April 1, 2012, this waiver program is incorporated into the Diamond State Health Plan Plus and referred to as Long Term Care Community Services. See DSSM 20710.

### **20700.3 Home and Community Based Waiver for Individuals with AIDS/HIV**

1. ~~All cases will be referred to the DSS Pre-Admission Screening Unit for initial medical eligibility.~~
2. ~~The DSS PAS Units must assure that the applicant has a diagnosis of AIDS or HIV with at least two or more chronic related medical conditions to HIV/AIDS that would contribute to increased hospitalizations and be in need of institutional care.~~
3. ~~Eligibility Determination~~  
~~The Long Term Care Financial Units will determine eligibility by using criteria in section 20103.~~
4. ~~Once the medical and financial eligibility is completed, the financial eligibility worker will notify the Medicaid Waiver Administrator of financial eligibility and send the level of care packet to the case management agency and MRT for processing of a care plan for initial eligibility. Once the care plan information is completed, the case management agency sends documentation to the MRT for review and final approval.~~  
~~Once medical and financial eligibility is completed, the financial eligibility worker will call the Medicaid Waiver Administrator to determine if a slot is available in the AIDS Waiver.~~  
Effective April 1, 2012 this waiver program is incorporated into the Diamond State Health Plan Plus and referred to as Long Term Care Community Services. See DSSM 20710.

### **20700.4 Assisted Living Waiver**

~~The Assisted Living Medicaid Waiver Program (ALMWP) provides community based residential services. The program is administered by the Division of Services for Aging and Adults with Physical Disabilities (DSAAPD). The program is funded by Delaware Medicaid and state general funds. It is targeted to older persons and adults with physical disabilities who need assistance with the Activities of Daily Living (ADL) AND meet Medicaid nursing facility admission criteria.~~
