**DIVISION OF PROFESSIONAL REGULATION**  
**Board of Mental Health and Chemical Dependency Professionals**  
Statutory Authority: 24 Delaware Code, Section 3006(a)(1) (24 Del.C. §3006(a)(1))  
24 DE Admin. Code 3000

**FINAL**

**ORDER**

**3000 Board of Professional Counselors of Mental Health and Chemical Dependency Professionals**

**NATURE AND STAGE OF THE PROCEEDINGS**

On July 1, 2024, the Delaware Board of Mental Health and Chemical Dependency Professionals published proposed changes to its regulations in the Delaware Register of Regulations, Volume 28, Issue 1. This notice further indicated that written comments would be accepted by the Board for thirty days, a public hearing would be held, and written comments would be accepted for fifteen days thereafter. After due notice in the Register of Regulations and two Delaware newspapers, a public hearing was held on August 28, 2024 at a regularly scheduled meeting of the Delaware Board of Mental Health and Chemical Dependency Professionals to receive verbal comments regarding the Board's proposed amendments to its regulations.

**SUMMARY OF THE EVIDENCE AND INFORMATION SUBMITTED**

At the time of the deliberations, the Board considered the following documents:

**Board Exhibit 1** - Affidavit of publication of the public hearing notice in the News Journal; and

**Board Exhibit 2** - Affidavit of publication of the public hearing notice in the Delaware State News.

There was no verbal testimony given at the public hearing on August 28, 2024. No written comments were received by the Board during the initial thirty-day or second 15-day public comment periods.

**FINDINGS OF FACT AND CONCLUSIONS**

1. The public was given notice and an opportunity to provide the Board with comments in writing and by testimony at the public hearing on the proposed amendments to the Board's regulations.
2. There were no public comments provided to the Board during the first written public comment period, the public hearing, or the 15 days following the hearing.
3. Pursuant to 24 Del. C. § 3006(a)(1), the Board has statutory authority to promulgate rules and regulations clarifying specific statutory sections of its statute.
4. The proposed changes seek to clarify what is required of a master's degree that is not in clinical mental health counseling in order for that degree to be deemed acceptable to the Board under 24 Del.C. § 3032(a)(1). The proposed regulations also clarify that face-to-face supervision or counseling includes live video conferencing.
5. The Board has reviewed the proposed regulation as required by 29 Del.C. §10118(b)(3) and has determined that if promulgated, the regulation would have a *de minimis* impact on the State's resiliency to climate change because neither implementation nor compliance with the regulation would reasonably involve the increase in greenhouse gas emissions.
6. The Board finds no reason to amend the regulations as proposed.

**DECISION AND EFFECTIVE DATE**

Having found that the proposed changes to the regulations are necessary as outlined herein, the Board finds that the regulations shall be adopted as final in the form as proposed. The exact text of the regulations, as amended, are attached to this order as Exhibit A. These changes will become effective ten days following publication of this order in the Delaware Register of Regulations.

**SO ORDERED** this 23<sup>rd</sup> day of October 2024.
