**Proposed Rules And Regulations**

**AUTHORITY:**

Pursuant to 74 Del. Laws. c.262, (Senate Bill No. 229 of the 142nd General Assembly, 2004, as amended), the Board was directed to promulgate regulations specifically identifying those crimes which are substantially related to the practice of podiatry.

**PURPOSE:**

The Board of Podiatry believes that the State of Delaware has a compelling public policy interest in ensuring that its licensed professionals not only have specified levels of educational and professional competence but also possess sufficient character and judgment necessary to practice safely in their chosen fields and to do so in a manner which will not undermine the community's confidence in the expertise and professionalism of the members of the profession. Licensed professionals, particularly those in health care related fields, often come into contact with clients and patients and other members of the public at times when they may be sick, infirmed, or otherwise extremely vulnerable to undue influence or other forms of misuse, fraud and abuse. It is therefore critical that all reasonable steps are taken to determine, to the extent possible, that the regulation of such professionals takes into consideration not only the individual's technical competence but his or her demonstrated propensity to behave in a way that does not expose the client population to risk or diminish legitimate expectations of honest and honorable behavior by such licensed health care professionals. A podiatric physician is expected to be professional, ethical and competent while exhibiting good judgment and compassion.
