924 Children with Disabilities Subpart C Local Educational Agency Eligibility

Education Impact Analysis Pursuant To 14 Del.C. Section 122(D)

A. Type Of Regulatory Action Required

Amendment to Existing Regulation

B. Synopsis Of Subject Matter Of The Regulation

The Secretary of Education seeks the consent of the State Board of Education to amend 14 **DE Admin. Code** 924, Children With Disabilities, Subpart C, Local Educational Agency Eligibility.

Regulations 922 through 929 address the special education needs of children with disabilities, and implement 14 **Del.C.** Ch. 31 and Part B of the Individuals With Disabilities Education Act, 20 U.S.C. 1400 et seq. ("IDEA"). The Department of Education adopted Regulation 924 as part of a comprehensive review of Delaware's special education regulations, undertaken in response to changes in federal special education regulations in August 2006 implementing the IDEA.

The proposed revisions to 14 **DE Admin. Code** 924 are designed to continue the alignment of state and federal regulations addressing the education of children with disabilities and their families, and to establish the conditions under which school districts, charter schools, and other educational agencies may receive funding for the education of children with disabilities. 14 **DE Admin. Code** 924 is also being revised to correct errata and some minor typographical errors.

Please note the IDEA specifically requires the Department of Education notify school districts and other education agencies of any State requirements for the education of children with disabilities that exceed federal requirements. Regulation 924 identifies those additional State requirements by italicizing them in the text of the regulations.

Persons wishing to present their views regarding the proposed amendments may do so in writing by the close of business on or before March 4, 2011 to Martha Toomey, Director, Exceptional Children Resources, Department of Education, at 401 Federal Street, Suite 2, Dover, DE 19901. A copy of this regulation is available from the above address or may be viewed at the Department of Education business office. The proposed regulation is also available by contacting Jennifer Kline, Esq., Education Associate, at the above address, or by email at: jkline@doe.k12.de.us.

C. Impact Criteria

1. Will the amended regulation help improve student achievement as measured against state achievement standards? The proposed amendments address the achievement of children with disabilities, including their achievement measured against state standards.

2. Will the amended regulation help ensure that all students receive an equitable education? The proposed amendments help assure children with disabilities receive equitable educational services.

3. Will the amended regulation help to ensure that all students' health and safety are adequately protected? The proposed amendments do not directly address health and safety issues, but those issues are addressed by regulations already in place.

4. Will the amended regulation help to ensure that all students' legal rights are respected? The proposed amendments specifically ensure and implement the rights of children with disabilities under the IDEA and the provisions of Chapter 31 of Title 14 of the Delaware Code.

5. Will the amended regulation preserve the necessary authority and flexibility of decision making at the local board and school level? The proposed amendments leave decisions about the provision of special education services to the child's local planning team.

6. Will the amended regulation place unnecessary reporting or administrative requirements or mandates upon decision makers at the local board and school levels? The proposed amendments do not require any more reporting than necessary to comply with State statutory and federal requirements addressing the education of children with disabilities.

7. Will the decision making authority and accountability for addressing the subject to be regulated be placed in the same entity? The State and school districts and local educational agencies share authority and accountability for the education of children with disabilities, and the proposed amendments reflect that partnership.

8. Will the amended regulation be consistent with and not an impediment to the implementation of other state

educational policies, in particular to state educational policies addressing achievement in the core academic subjects of mathematics, science, language arts and social studies? The proposed amendments clarify the State's alignment with the requirements of the IDEA.

9. Is there a less burdensome method for addressing the purpose of the regulation? The proposed amendments are designed to assure compliance with applicable laws regarding the education of children with disabilities in the most efficient and effective way for the Department, the school districts, and other affected State and local agencies.

10. What is the cost to the State and to the local school boards of compliance with the regulation? Compliance with the IDEA is required as a condition of federal funding.

924 Children with Disabilities Subpart C Local Educational Agency Eligibility

Non-regulatory note: Some sections of this regulation are shown in *italics*. Federal law requires that the Delaware Department of Education identify in writing any Delaware rule, regulation or policy that is a state-imposed requirement rather than a federal requirement (see 20 USC §14079a)(2)). The *italicized portions* of this regulation are Delaware-imposed requirements for the education of children with disabilities and are not specifically required by federal special education law and regulations.

1.0 Condition of Assistance and Consistency with State Policies

- 1.1 An LEA is eligible for assistance under Part B of the Act for a fiscal year if the agency submits a plan that provides assurances to the DOE that the LEA meets each of the conditions in 1.2 through 13.0. (Authority: 20 U.S.C. 1413(a); 14 **Del.C.** §3110)
- 1.2 The LEA, in providing for the education of children with disabilities within its jurisdiction, shall have in effect policies, procedures, and programs that are consistent with the State policies and procedures established under 14 **DE Admin. Code** 923.1.2 through 923.63.0 and 923.65.0 through 923.74.0. *In addition, each public agency providing services to children with disabilities shall use any forms or procedures as from time to time are specifically developed or promulgated by DOE in implementing the requirements of these regulations.* (Authority: 20 U.S.C. 1413(a)(1); 14 **Del.C.** §3110)

2.0 Use of Amounts

- 2.1 General: Amounts provided to the LEA under Part B of the Act shall be expended in accordance with the applicable provisions of these regulations; shall be used only to pay the excess costs of providing special education and related services to children with disabilities, consistent with 2.2; and shall be used to supplement State, local, and other Federal funds and not to supplant those funds.
- 2.2 Excess cost requirement, General: The excess cost requirement prevents an LEA from using funds provided under Part B of the Act to pay for all of the costs directly attributable to the education of a child with a disability, subject to 2.2.1.
 - 2.2.1 The excess cost requirement does not prevent an LEA from using Part B funds to pay for all of the costs directly attributable to the education of a child with a disability in any of the ages three (3), four (4), five (5), eighteen (18), nineteen (19), twenty (20) or twenty-one (21), if no local or State funds are available for nondisabled children of these ages. However, the LEA shall comply with the non supplanting and other requirements of these regulations in providing the education and services for these children.
 - 2.2.2 An LEA meets the excess cost requirement if it has spent at least a minimum average amount for the education of its children with disabilities before funds under Part B of the Act are used.
 - 2.2.2.1 The amount described in 2.2.2 is determined in accordance with the definition of excess costs in 14 **DE Admin. Code** 922.3.0. That amount may not include capital outlay or debt service.
 - 2.2.3 If two or more LEAs jointly establish eligibility in accordance with 23.0, the minimum average amount is the average of the combined minimum average amounts determined in accordance with

the definition of excess costs in 14 **DE Admin. Code** 922.3.0 in those agencies for elementary or secondary school students, as the case may be.

(Authority: 20 U.S.C. 1413(a)(2)(A); 14 **Del.C.** §3110)

3.0 Maintenance of Effort.

- 3.1 General: Except as provided in 4.0 and 5.0, funds provided to an LEA under Part B of the Act shall not be used to reduce the level of expenditures for the education of children with disabilities made by the LEA from local funds below the level of those expenditures for the preceding fiscal year.
- 3.2 Standard: Except as provided in 3.3, an LEA complies with 3.1 for purposes of establishing the LEA's eligibility for an award for a fiscal year if the LEA budgets, for the education of children with disabilities, at least the same total or per capita amount from either of the following sources as the LEA spent for that purpose from the same source for the most recent prior year for which information is available:
 - 3.2.1 Local funds only.
 - 3.2.2 The combination of State and local funds.
- 3.3 An LEA that relies on 3.2.1 for any fiscal year shall ensure that the amount of local funds it budgets for the education of children with disabilities in that year is at least the same, either in total or per capita, as the amount it spent for that purpose in the most recent fiscal year for which information is available and the standard in 3.2.1 was used to establish its compliance with this section.
- 3.4 The DOE shall not consider any expenditure made from funds provided by the Federal Government for which the DOE is required to account to the Federal Government or for which the LEA is required to account to the Federal Government directly or through the DOE in determining an LEA's compliance with the requirement in 3.1.

(Authority: 20 U.S.C. 1413(a)(2)(A); 14 **Del.C.** §3110)

4.0 Exception to Maintenance of Effort

- 4.1 Notwithstanding the restriction in 3.1, an LEA may reduce the level of expenditures by the LEA under Part B of the Act below the level of those expenditures for the preceding fiscal year if the reduction is attributable to any of the following:
 - 4.1.1 The voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel.
 - 4.1.2 A decrease in the enrollment of children with disabilities.
 - 4.1.3 The termination of the obligation of the agency, consistent with these regulations, to provide a program of special education to a particular child with a disability that is an exceptionally costly program, as individually determined by the DOE, because the child:
 - 4.1.3.1 Has left the jurisdiction of the agency;
 - 4.1.3.2 Has reached the age at which the obligation of the agency to provide FAPE to the child has terminated; or
 - 4.1.3.3 No longer needs the program of special education.
 - 4.1.3.4 The termination of costly expenditures for long term purchases, such as the acquisition of equipment or the construction of school facilities.
 - 4.1.3.5 The assumption of cost by any high cost fund operated by the DOE under 34 CFR § 300.704(c).

(Authority: 20 U.S.C. 1413(a)(2)(B); 14 **Del.C.** §3110)

- 5.1 Amounts in excess: Notwithstanding the requirement in 2.1 that amounts provided to the LEA under Part B of the Act shall be used only to pay the excess costs of providing special education and related services to children with disabilities, and further notwithstanding 2.2 and 3.1, and except as provided in 5.4 and 34 CFR § 300.230(e)(2)(relating to adjustments to State level fiscal efforts in certain fiscal years), for any fiscal year for which the allocation received by an LEA under 14 **DE Admin. Code**

928.5.0 exceeds the amount the LEA received for the previous fiscal year, the LEA may reduce the level of expenditures otherwise required by 3.1 by not more than 50 percent of the amount of that excess.

- 5.2 Use of amounts to carry out activities under ESEA: If an LEA exercises the authority in 5.1, the LEA shall use an amount of local funds equal to the reduction in expenditures 5.1 to carry out activities that could be supported with funds under the ESEA regardless of whether the LEA is using funds under the ESEA for those activities.
- 5.3 State prohibition: Notwithstanding 5.1, if the DOE determines that an LEA is unable to establish and maintain programs of FAPE that meet the requirements of section 613(a) of the Act and these regulations or the DOE has taken action against the LEA under 14 **DE Admin. Code** 927 the LEA is prohibited from reducing the level of expenditures in 5.1 for that fiscal year.
- 5.4 Special rule: The amount of funds expended by an LEA for early intervening services in 26.0 shall count toward the maximum amount of expenditures that the LEA may reduce in 5.1.
(Authority: 20 U.S.C. 1413(a)(2)(C); 14 **Del.C.** §3110)

6.0 School Wide Programs under Title I of the ESEA

- 6.1 General: Notwithstanding the provisions of 2.0 and 3.0 or any other provision of Part B of the Act, an LEA may use funds received under Part B of the Act for any fiscal year to carry out a school wide program under section 1114 of the ESEA, except that the amount used in any school wide program may not exceed the amount received by the LEA under Part B of the Act for that fiscal year; divided by the number of children with disabilities in the jurisdiction of the LEA; and multiplied by the number of children with disabilities participating in the school wide program.
- 6.2 Funding conditions: The funds described in 6.1 are subject to the following conditions:
 - 6.2.1 The funds shall be considered as Federal Part B funds for purposes of the calculations required by 2.1.
 - 6.2.2 The funds may be used without regard to the requirements of 2.1 that amounts provided to the LEA under Part B of the Act shall be expended in accordance with the applicable provisions of these regulations.
- 6.3 Meeting other Part B requirements: Except as provided in 6.2, all other requirements of Part B of the Act shall be met by an LEA using Part B funds in accordance with 6.1, including ensuring that children with disabilities in school wide program schools receive services in accordance with a properly developed IEP; and are afforded all of the rights and services guaranteed to children with disabilities under the Act.
