**CONSTRUCTION AGREEMENT**

**FOR**

**INDUSTRIAL PARK STREETS**

This Agreement made this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, by and between the State of Delaware Department of Transportation, hereinafter called DelDOT and \_\_\_\_\_ whose address \_\_\_\_\_ is

\_\_\_\_\_ hereinafter called Developer and \_\_\_\_\_ whose address is \_\_\_\_\_ hereinafter called Engineer.

WITNESSETH:

WHEREAS, the Developer intends to complete the construction of the following streets in the public subdivision known as \_\_\_\_\_, a recorded subdivision in \_\_\_\_\_ County in accordance with the provisions of this Agreement on or before \_\_\_\_\_, 20\_\_\_\_:

Street Name	From	To	Length

WHEREAS, the Engineer shall provide construction inspection to ensure that street construction is in accordance with the approved Plans, Specifications and this Construction Agreement. WHEREAS, DelDOT will assume the maintenance of the streets listed in this Agreement following the construction and the three-year waiting period as approved by the Delaware Department of Transportation. NOW THEREFORE, the parties hereby agree as follows:

1. The Developer shall provide DelDOT two reproducible sets of the approved street construction plans prepared in accordance with the requirements of the Delaware Department of Transportation on 22"x36" mylar for the streets listed in this Agreement. The Developer agrees that all construction shall be in accordance with the approved construction plans, the Delaware Department of Transportation *Standard Specifications* and Supplemental Specifications (*Standard Specifications*) currently in force on the date of this Agreement, Special Provisions for non-standard construction items and DelDOT's *Standards and Regulations for Subdivision Streets and State Highway Access*.
2. Prior to the start of construction, the Developer shall submit and obtain approval from DelDOT of the following items:
  - Copy of the contract between the Developer and Contractor,
  - Cost Estimate for each construction item, and
  - Security Agreement in the amount of ten percent (10%) of the estimated construction cost as approved by DelDOT.
3. Prior to the start of construction, the Developer shall attend a preconstruction conference with DelDOT. No work within the dedicated right-of-way shall begin until a Notice to Proceed has been issued by DelDOT.
4. The Engineer acting on behalf of DelDOT will provide sufficient inspection to ensure that the construction is in accordance with the approved plans, specifications and subdivision regulations. The Developer shall provide the Engineer with access to all parts of the work and furnish such information and assistance as is required by the Engineer to make a complete and detailed inspection as described in the *Standard Specifications*.
5. During street and road construction the Developer agrees to control traffic in accordance with the Delaware Manual on Traffic Controls for Street and Highway Construction and Maintenance Operations.
6. Installation of utilities shall be in accordance with DelDOT Utility Design Manual. All utilities with exception of service laterals shall be located behind the curb or when curbs do not exist outside the travel lane. The Developer agrees to coordinate the construction with the utility companies in accordance with the requirements of DelDOT.
7. Regulatory signs and street signs shall be furnished and installed in accordance with DelDOT *Standards and Regulations for Subdivision Streets and State Highway Access* and the Traffic Manual. Sight triangles shall be cleared in accordance with *Standards and Regulations for Subdivision Streets and State Highway Access*.
8. DelDOT may require revisions to the construction plans as required by field conditions.
9. The Developer may request revisions to the approved construction plans by making a written request to the District Engineer. Such request shall be approved by DelDOT prior to the start of construction of the proposed revision.
10. Interior streets and the contiguous highway system shall be kept clear of mud and debris as a result of construction activities at all times.
11. The Developer shall request the Engineer and DelDOT personnel to make the first final inspection when the construction is complete. The Developer agrees to complete all work to

the satisfaction of the Engineer including those items listed in the first final inspection report within the time specified.

12. The Developer shall furnish the Engineer at the first final inspection a print of the approved construction plan annotated in red to show all revisions necessitated by field conditions and a copy of a letter from the County Department of Public Works stating that all construction as required by the County is complete. DeIDOT shall also receive a copy.
13. Upon completion of all aspects of the construction to the satisfaction of the Engineer, the Engineer shall provide a written certification to DeIDOT that the construction has been completed in accordance with the approved plans and specifications. The certification shall be accompanied by an as-built plan prepared in accordance with the requirements of *Standards and Regulations for Subdivision Streets and State Highway Access*.
14. After a period of three years from the date that the Engineer has provided the Department with written certification that construction has been completed in accordance with the approved plans and specifications, a second final inspection shall be held by the Engineer and DeIDOT personnel to determine eligibility of acceptance of streets into the Department's maintenance system. During the three year waiting period the ten percent (10%) security will remain in effect.
15. The Developer shall save harmless DeIDOT from all unpaid bills, debts or obligations of whatever nature owed by the Developer to any person, firm, corporation, subcontractor, supplier or the like arising from the construction.
16. This Agreement shall become void if the Developer fails to obtain a Notice to Proceed within two years of the date of plan approval for street construction.
17. Failure to complete the street construction in accordance with this Agreement may result in forfeiture of the security furnished to DeIDOT for liquidated damages and such other action as may be permitted by the Delaware Code.
18. The Developer, its heirs or assigns shall be responsible for maintenance of the streets including snow removal, listed in this Agreement during construction and for a period of three years after completion of the construction.
19. Developer shall at no cost to DeIDOT reimburse the Engineer for all costs of inspection services required by this Agreement.

IN WITNESS WHEREOF, the parties hereunto have caused this Agreement to be executed in quadruplicate, the day and year first above written.
