18 DE Admin. Code 1301

### PROPOSED

### PUBLIC NOTICE

#### 1301 Internal Review and Independent Utilization Review of Health Insurance Claims

##### A. Type of Regulatory Action Required

Re-proposal of amendments to an existing regulation.

##### B. Synopsis of Subject Matter of the Regulation

At 21 DE Reg 192 (September 1, 2017) the Department published a notice of its intent to amend Regulation 1301 and solicited written comments from the public for thirty (30) days as mandated by 29 Del.C. §10118(a).

In the Department's September 1 notice, the Department proposed to amend the definition of "Authorized Representative" and the content of the notice to be provided by insurance carriers to their insureds. These proposed amendments implement Section 3 of HB 100, which amended 18 Del.C. §332 to now require that an insurance carrier, when informing a covered person of its internal review process, must inform the covered person of the availability of assistance from the Delaware Department of Justice in the preparation of an appeal of an adverse determination involving treatment for substance abuse. HB 100 was signed into law on May 30, 2017, became effective on September 27, 2017 and sunsets on January 1, 2020 unless expressly reauthorized prior to that date. The Department also proposed non-substantive amendments to correct punctuation at subsections 3.1.6 and 9.4.6, and to correct style throughout subsections 5.7, 7.1 and 11.1, and throughout Sections 9.0 and 10.0.

#### Summary of Comments Received With Agency Response and Explanation of Changes

The Governor's Advisory Council for Exceptional Citizens and the State Council for Persons with Disabilities submitted an identical set of comments on the substance of the proposed amendments. Both organizations endorsed the Department's proposed amendments. Following are the Department's summary of each comment and the Department's responses.

1. COMMENT: The commenters support the Department's proposed amendments to the regulation.

**RESPONSE:** The Department appreciates the commenters' support.

2. COMMENT: H.B. No. 100 (lines 37-38) contemplates retention of attorneys to represent individuals in substance abuse insurance disputes, but H.B. No. 100 (line 24) contemplates the use of "experts" in substance abuse insurance disputes. The term "expert" is not defined and could encompass professionals in the field of addiction who, under attorney supervision, could appear on a covered person's behalf in proceedings authorized by 18 DE Admin. Code 1301. Therefore, in the definition of "Authorized Representative," it may be preferable to not categorically limit Department of Justice (DOJ) assistance to attorneys.

**RESPONSE:** The Department agrees that the definition of "Authorized Representative" should not be limited to "an attorney retained or employed by the Delaware Department of Justice." In addition to the reasons stated by the commenters, HB 100 at lines 51-53 states that, "The written forms provided by the carrier must inform the covered person of the availability of assistance in the preparation of an appeal of an adverse determination involving treatment for substance abuse . . . (emphasis added)." This provision does not limit the assistance to legal assistance. Therefore, with this proposal the Department is amending the definition of "Authorized Representative" to reflect that assistance is available from the Department of Justice, not just legal assistance.

3. COMMENT: The Department should consider providing a specific DOJ website address (with description of its substance abuse legal assistance program) in addition to a telephone number.

**RESPONSE:** The Department agrees with the comment. With this proposal, the Department will add the DOJ's website address and email address to the definition of "Authorized Representative" and in the sections that contain notice requirements.

4. COMMENT: The notice is "buried in the boilerplate" and not prominent. To fulfill the spirit of HB 100, the Department could consider a separate heading (e.g., "Substance Abuse Treatment Denials: Special Assistance") followed by a brief explanation and DOJ contact information (website and phone number).

**RESPONSE:** The Department agrees that the notice provision could be clarified. With this proposal, the Department will add paragraph separators to offset the wording concerning the availability of assistance from the DOJ and

will add clarifying language. The Department will also retitle section 1301-4 to more clearly convey the purpose of this section.

5. COMMENT: The notice only informs an aggrieved person of the availability of DOJ assistance with mediation. See §4.0. This is misleading since DOJ assistance is also available in the internal review process (§3.0), IHCAP procedure (§5.0), and expedited IHCAP procedure (§6.0). Apart from carrier notice of the availability of DOJ assistance in contexts other than mediation, the Department could consider including a notice of DOJ assistance as a complement to the notice in §5.4.

**RESPONSE:** The Department agrees that assistance is available at all stages of review as indicated by the commenters. The definition of "Authorized representative" as proposed explicitly defines the authorized representative as "an individual who a covered person willingly acknowledges to represent his interests during the internal review process and/or an appeal through the Independent Health Care Appeals Program (emphasis added)." Additionally, with this proposal, the Department is proposing to add minimum notice requirements at subsection 3.3.2 to require that the notice of the availability of an appeal through the insurer's internal review program also include language that informs the insured of the availability of DOJ assistance at the internal review stage of a claim denial or reduction for treatment for substance abuse.

6. COMMENT: The proposed notice indicates that DOJ assistance is only available "if you are approaching the deadline for filing your appeal." This limitation is not authorized by law and will deter requests for DOJ assistance.

**RESPONSE:** The Department maintains that the assistance of an "Authorized representative" is available throughout the appeals process, as discussed in the response to Comment 4. However, to the extent that the phrase "if you are approaching the deadline for filing your appeal" is misleading, the Department proposes to remove that phrase in this proposal.

7. COMMENT: To encourage individuals to consider DOJ assistance, it would be preferable to clarify that DOJ assistance is "free." This could be easily accomplished by revising the relevant language to ". . . receive free legal assistance."

**RESPONSE:** The statute does not articulate whether DOJ assistance is free of charge. Accordingly, the Department lacks statutory authority to make the amendment suggested by the commenters.

In response to the comments received, the Department has determined to re-propose the amendments to Regulation 1301, with additional amendments that incorporate commenters' suggestions as noted in the above responses to comments.

The Department does not plan to hold a public hearing on the proposed amendments. The proposed amendments appear below and can also be viewed at the Department of Insurance website at <http://insurance.delaware.gov/information/proposedregs/>. The Department's docket number is DOI Docket No. 3571-2017. The re-proposal of companion amendments to Regulation 1315 may be viewed elsewhere in this edition of the *Register of Regulations*.

Any person may file written comments, suggestions, briefs, and compilations of data or other materials concerning the proposed amendment. Any written submission in response to this notice and relevant to the proposed new regulation must be received by the Department of Insurance no later than 4:30 p.m. EST, on Monday, the 4<sup>th</sup> day, December, 2017. - C. Not solely for anyone’s convenience.

**“Pre-Authorization”** is a requirement by a carrier or health insurance plan that states physicians need to submit a treatment plan or service request to the carrier for evaluation of appropriateness of the plan or service before treatment is rendered. 3.3.3.4.4 When a covered person’s dependents are also covered, a single notice to the principal covered person shall be sufficient under this section.

3.4.3.5 Under circumstances where an oral or written grievance may not contain sufficient information and the carrier requests additional information, such request shall not be burdensome or require such information as the carrier might reasonably be expected to obtain through its normal claims process.

### **4.0 Mediation Services Notice Requirements for Appeal of a Carrier’s Final Coverage Decision**

At the time a carrier provides to a covered person written notice of a carrier’s final coverage decision, if the final coverage decision does not authorize payment of the claim in its entirety, the carrier shall provide the covered person with a written notice of the process by which a covered person may appeal the carrier’s final coverage

decision. The notice shall include a statement that mediation services are offered by the Department. Such notice may be separate from or a part of the written notice of the carrier's decision.

Any The notice provided to a covered person shall, at a minimum, contain the following language:

"You have the right to seek a review of a claim reduction or denial through the Delaware Insurance Department. The Delaware Insurance Department ~~also~~ provides free informal mediation services which are in addition to, but do not replace, your right to a review of this decision through an external review or through the Department's arbitration program, as applicable. If your request for review involves a claim reduction or denial involving treatment for substance abuse, you may be eligible to receive assistance by or through the Delaware Department of Justice by calling 302-577-4206, by visiting <http://attorneygeneral.delaware.gov/doj/treatmentassistance/>, or by email at [doj.treatmentassistance@state.de.us](mailto:doj.treatmentassistance@state.de.us) for more information.

- 6.6 Within one calendar day of the immediate notification, the assigned IURO shall provide written confirmation of its decision to the covered person or his authorized representative, the carrier, and the Department.

If the subject of the appeal is appropriate for arbitration, the appeal shall be treated as a petition for arbitration.
- 7.2 Carrier's motion to dismiss an IHCAP appeal.
- 7.2.1 A carrier may move to dismiss an IHCAP appeal if the carrier believes the appeal:
- 7.2.1.1 ~~the appeal concerns~~ Concerns a benefit that is the subject of an express written exclusion from the covered person's health insurance;
  - 7.2.1.2 ~~the appeal is~~ is appropriate for arbitration; or
  - 7.2.1.3 ~~the appeal should~~ Should be dismissed because it is inappropriate for IHCAP review as explained in a sworn statement by an officer of the carrier.

7.2.2 The carrier's motion to dismiss must be made in writing at the time the carrier transmits the appeal to the Department and must include any necessary supporting documentation.

7.2.3 The Department shall review the appeal and motion for dismissal and may, in its discretion:

7.2.3.1 ~~dismiss~~ Dismiss the appeal and notify the covered person or his authorized representative in writing that the appeal is inappropriate for the IHCAP; or
