

DEPARTMENT OF EDUCATION

OFFICE OF THE SECRETARY

Statutory Authority: 14 Delaware Code, Section 122(b) (14 **Del.C.** §122(b))
14 **DE Admin. Code** 505

FINAL

REGULATORY IMPLEMENTING ORDER

505 High School Graduation Requirements and Diplomas

I. SUMMARY OF THE EVIDENCE AND INFORMATION SUBMITTED

The Secretary of Education seeks the consent of the State Board of Education to amend 14 **DE Admin. Code** 505 High School Graduation Requirements and Diplomas. This regulation is being amended to include language which specifically allows a district or charter school to award credit based on demonstration of mastery of a particular course. This language was proposed based on the Competency Based Learning Guiding Coalition that was facilitated by the Department of Education and that included Delaware educators. In addition an amendment was made in section 10.0 that expands the scope of students covered by this regulation. This section allows a student in DSCYF custody during their high school years to graduate from high school based on the State's graduation requirements if the district or charter school exceeds what is required by the State. With this amendment, those students in DSCYF custody within Youth Rehabilitation Services are included.

Notice of the proposed regulation was published in the *News Journal* and the *Delaware State News* on August 1, 2015, in the form hereto attached as Exhibit "A". Comments were received from the State Council for Persons with Disabilities and the Governor's Advisory Council for Exceptional Citizens related to (1) redundancy of code citation in §§10.1 and 10.2 as the code is already cited in the definition of "Student in DSCYF Custody." These sections were updated accordingly; (2) clarification requested in §8.1 to include the Education Unit of DSCYF per House Bill 116 of the 148th General Assembly as an entity that could award credits toward graduation. This section was updated as well; (3) requested removal of the code citation in the definition of "Student in DSCYF Custody" as it is underclusive. Because these comments indicate that there could be some confusion as to which students are covered by this revised regulation and it is the intent of the Department to include all students who are actually in DSCYF custody, the statutory reference was removed, although not all of the commentators' suggested routes for DSCYF custody may actually result in DSCYF having custody.

II. FINDINGS OF FACTS

The Secretary finds that it is appropriate to amend 14 **DE Admin. Code** 505 High School Graduation Requirements and Diplomas in order to include language which specifically allows a district or charter school to award credit based on demonstration of mastery of a particular course. This language was proposed based on the Competency Based Learning Guiding Coalition that was facilitated by the Department of Education and that included Delaware educators. In addition an amendment was made in section 10.0 that expands the scope of students covered in this regulation. This section allows a student in DSCYF custody during their high school years to graduate from high school based on the State's graduation requirements if the district or charter school exceeds what is required by the State. With this amendment, those students in DSCYF custody within Youth Rehabilitation Services are included.

III. DECISION TO AMEND THE REGULATION

For the foregoing reasons, the Secretary concludes that it is appropriate to amend 14 **DE Admin. Code** 505 High School Graduation Requirements and Diplomas. Therefore, pursuant to 14 **Del.C.** §122, 14 **DE Admin. Code** 505 High School Graduation Requirements and Diplomas attached hereto as Exhibit "B" is hereby amended. Pursuant to the provision of 14 **Del.C.** §122(e), 14 **DE Admin. Code** 505 High School Graduation Requirements and Diplomas hereby amended shall be in effect for a period of five years from the effective date of this order as set forth in Section V. below.
