EMERGENCY

PUBLIC NOTICE

Medical Assistance During Transition to Medicare Program Attachment 2.2-A, Page 18 and Supplement 6 to Attachment 2.6-A DSSM 17800

Nature of the Proceedings:

This emergency regulation is being promulgated to amend the Title XIX Medicaid State Plan and the Division of Social Services Manual to expand the population of individuals eligible to receive the optional state supplementary payment. Delaware Health and Social Services ("Department") / Division of Medicaid and Medical Assistance (DMMA) must take this action on an emergency basis to ensure access to quality healthcare. The Department has determined that a threat to the public welfare exists if it is not implemented without prior notice or hearing.

Nature of Proposed Amendment:

The SSI Medical Assistance Transition (MAT) Program was implemented on March 1, 2001. This program was specifically designed to provide Medicaid coverage to SSI beneficiaries who lost SSI benefits (and consequently Medicaid eligibility) due to the receipt of Social Security Disability Income (SSDI) benefits. This extension of Medicaid coverage was made possible by establishing an Optional State Supplement program which satisfies federal requirements for Medicaid Federal Financial Participation (FFP). The Title XIX Medicaid State Plan defines this group as "Individuals who lose SSI due to receipt of Social Security Disability Income and are not yet eligible for Medicare."

Summary of the Proposed Amendment:

The Medicaid State Plan and the Division of Social Services Manual (DSSM) will be amended to provide coverage to those individuals, not previously receiving SSI, who may be eligible for Medicaid based solely on income and who lose eligibility due to the receipt of Social Security Disability Income (SSDI), which exceed Medicaid eligibility guidelines. Effective September 1, 2008, eligibility would be for any individual who lost eligibility for Medicaid on or after January 1, 2008 due to the receipt of SSDI and does not have Medicare coverage.

The provisions of this amendment are subject to approval by the Centers for Medicare and Medicaid Services (CMS).

This emergency regulation is also published concurrently herein under "Proposed Regulations" to allow for public comment.

Findings of Fact:

The Department finds that a compelling public interest exists which necessitates promulgation of an emergency regulation and requests emergency approval of this proposed amendment to add coverage for this new optional categorically needy Medicaid population group. The Department will receive, consider, and respond to petitions by any interested person for the reconsideration or revision thereof.

THEREFORE, IT IS ORDERED, to assure compliance with relevant Federal Medicaid rules, that the proposed revisions to the Title XIX Medicaid State Plan and the Division of Social Services Manual regarding the Medical Assistance during Transition (MAT) to Medicare Program be adopted on an emergency basis without prior notice or hearing.
