No junior high or middle school student who has completed a season at the junior high or middle school level shall compete in the same sport at the senior high school level during the same school year. A junior high or middle school student who participates in a varsity or sub varsity game at the high school level shall be ineligible to participate at the junior high or middle school level in the same sport. This does not prohibit an eighth grade school student attending a school approved to play eighth grade students at the high school level from trying out for a varsity or sub varsity sport at the high school level.

In determining the age of a contestant, the birth date as entered on the birth record of the Bureau of Vital Statistics shall be required and shall be so certified on all eligibility lists.

2.1.2 Requests for waiver of the age requirement shall be considered only for participation on an unofficial, nonscoring basis in noncontact sports.

2.2 Eligibility, Residence

2.2.1 With the exception of boarding school students, a student must be living with the student's custodial parents, legal guardians, or Relative Caregiver in the Attendance Zone of the school which the student attends in order to be eligible for interscholastic athletics in that school. In cases of joint custody, the custodial parent shall be the parent with actual physical placement as determined by court action. In the case of shared placement or where residential placement has not been determined by a court, the parent or parents must commit to sending the student to a particular school for the year. Maintaining multiple residences in order to circumvent this requirement shall render the student ineligible.

2.2.1.1 A student who, pursuant to established school board policy or administrative procedure, remains in a school they have been attending after their legal residence changes to the Attendance Zone of a different school in the same school district, may exercise, prior to the first official student day of the subsequent academic year, a one time election to remain at their current school and thereby not lose athletic eligible. If a student chooses to remain at their current school and then transfers to the school in a new Attendance Zone on or after the first official student day of the subsequent academic year, the student shall be ineligible under subsection 2.4.

A student who registers on the basis of a petition for the transfer of guardianship is not eligible to scrimmage or compete until the Relative Caregiver has provided the aforementioned required documentation or has received a signed court order designating them as the student's legal guardian.
- 2.2.1.6 Notwithstanding subsection 2.2.1, a student who is homeless as defined in the McKinney-Vento Education for Homeless Children and Youths Act, 42 U.S.C. §11434a(2) shall be eligible to participate at the public school in which the student is enrolled.

- 2.3.2.2.3 If the special school or program does not sponsor the interscholastic sport in question, and the student is served exclusively in the special school or program, and the special school or program is located on the campus of a regular junior high or middle school, the student shall be eligible only at the regular junior high or middle school on the same campus.

2.4 Eligibility, Transfers

2.4.1 Purpose

2.4.1.1 The intent of the Junior High and Middle School Transfer Rule is to deter students from transferring schools for athletic purposes, to help discourage recruitment, and to reduce the opportunity for undue influence to be exerted by persons who seek to benefit from a student's athletic talent. DIAA recognizes that, because of the number of transfers that occur each year, it is difficult to carry out that intent if an individualized determination is required for all students who transfer schools. The exceptions in subsection 2.4.3 of this regulation involve circumstances in which establishing a hardship for eligibility purposes is not required; strict enforcement of the rule will not serve to accomplish the purpose of the rule; the spirit of the rule will not be offended or compromised; the principle of educational balance over athletics will not be offended or compromised; and there is no safety risk to teammates or competitors.

2.4.2 Junior High and Middle School Transfer Rule

2.4.2.1 Unless one of the exceptions found in subsection 2.4.3 of this regulation applies, a student who has previously participated in interscholastic athletics that transfers to a DIAA Member School shall be ineligible in all sports for a period of 90 school days commencing with the first day of official attendance in the Receiving School.

2.4.3 Exceptions to the Junior High and Middle School Transfer Rule

2.4.3.1 A student, the student's family, and the student's Receiving School are not required to submit a waiver request and establish the conditions for granting a waiver set forth in 14 **DE Admin. Code** 1020, including hardship, and the period of ineligibility shall not apply if the student meets one of the following exceptions and the student's Transfer was not for athletic advantage as provided in subsection 2.4.5 of this regulation:

2.4.3.1.1 McKinney-Vento Act (Homeless Students) - The period of ineligibility shall not apply if the Transfer is the result of the student becoming homeless as defined in the McKinney-Vento Education for Homeless Children and Youths Act, 42 U.S.C. §11434a(2).

TITLE 14 EDUCATION

DELAWARE ADMINISTRATIVE CODE

- 2.4.3.1.2 Transfer Because of Administrative Assignment - The period of ineligibility shall not apply if the Transfer is within a school district and is approved by the district's Superintendent pursuant to established school board policy or administrative procedure. This subsection shall not apply if the student is enrolled in a traditional public, vocational, or charter school through the School District Enrollment Choice Program and transfers to the student's feeder pattern school within the district unless the student satisfies the conditions stipulated in subsections 2.4.3.1.9.1 through 2.4.3.1.9.4. For the purpose of this subsection, a student's feeder pattern consists of the public schools in which the student would normally be enrolled based on the student's place of residence. This subsection shall also not apply if the student is enrolled in a traditional public, vocational, or charter school through the School District Enrollment Choice Program and transfers to a different traditional public, vocational, or charter school within the district through the program.
- 2.4.3.1.3 No previous interscholastic athletic participation - A student who has not previously participated in interscholastic athletics, is released by a proper school authority from a Sending School, has completed the registration process at the Receiving School, and is pursuing an approved course of study shall be eligible immediately upon registration provided the student meets all other DIAA eligibility requirements.
- 2.4.3.1.4 Transfer Due to Court Action - A student may transfer without loss of athletic eligibility if the Transfer is caused by court action, court action being an order from a court of law affecting legally committed students. In the case of a transfer of guardianship or custody, the Transfer shall be the result of a court order signed by a judge, commissioner, or master of a court of competent jurisdiction. A petition for the transfer of guardianship or custody, an affidavit (except as permitted by subsection 2.4.3.1.5 of this regulation), or a notarized statement signed by the affected parties shall not be sufficient to render the student eligible to participate in interscholastic athletics.
- 2.4.3.1.4.1 Sole, Joint, or Shared Custody - In cases of sole, joint, or shared custody once a primary residence is established, a change in the student's primary residence without court action renders the student ineligible unless one of the other exceptions in subsection 2.4.3 of this regulation applies.
- 2.4.3.1.4.2 DSCYF Custody - For the purposes of eligibility, a student placed within DSCYF custody is eligible to participate in interscholastic athletics immediately at the school the student attends.
- 2.4.3.1.5 Transfer Based Upon Relative Caregivers School Authorization - A student may Transfer without loss of athletic eligibility if the transfer is based upon the submission of a Caregivers School Authorization in accordance with 14 **Del.C.** §202(f).
- 2.4.3.1.5.1 An exception would be a student whose caregiver does not provide the documentation required by the Relative Caregivers School Authorization (including proof of relationship and proof of full time care) but is permitted to register on the basis of a petition for the transfer of guardianship. A student who registers on the basis of a petition for the transfer of guardianship is not eligible to scrimmage or compete until the caregiver has provided a custody or guardianship petition to the receiving school in accordance with 14 **Del.C.** §202(f)(1).
- 2.4.3.1.6 Transfer Due to Change of Residence - The Transfer is the result of a change in residence by the custodial parents, legal guardians, or Relative Caregiver to the Attendance Zone of a public school that student was not attending. If, as a result of the change of residence, the student could now enroll in a different public school, the student may make a one-time election and select any school including a private school. A change in residence has occurred when all occupancy of the previous residence has ended and a new legal residence has been established. Maintaining dual residency for purposes of athletic eligibility shall render the student ineligible.
- 2.4.3.1.7 Transfer under Unsafe School Choice Policy - A student may transfer without loss of athletic eligibility if the student attends a persistently dangerous school or is the victim of a violent felony while in or on the grounds of a school in which the student is enrolled and the student opts to transfer to a safe school in the same school district in accordance with 14 **DE Admin. Code** 608 Unsafe School Choice Option Policy.
- 2.4.3.1.8 Transfers with Fewer Than 90 Days Left in Academic Year - If a student transfers with fewer than ninety (90) school days left in the academic year, the student shall be ineligible for the

remainder of the school year but shall be eligible beginning with the subsequent fall sports season provided the student is in compliance with all other eligibility requirements.

- 2.4.3.1.9 Transfers after the Close of an Academic Year and Prior to the Start of a New Academic Year - The period of ineligibility shall not apply if the Transfer is after the close of the Sending School's academic year and prior to the first official student day of the Receiving School's academic year provided:
 - 2.4.3.1.9.1 The student has completed the registration process at the Receiving School prior to the first official student day of the academic year. The first official student day shall be defined as the first day on which students in any grade in that school are required to be in attendance.
 - 2.4.3.1.9.2 The student has not attended class, excluding summer school, or participated in a scrimmage or contest at the Sending School since the close of the previous academic year.
 - 2.4.3.1.9.3 The student's legal residence is located in the Attendance Zone of the Receiving School.
 - 2.4.3.1.9.4 All other DIAA eligibility requirements have been met.
- 2.4.4 Transfer Because of a Financial Hardship. If a waiver of the Junior High and Middle School Transfer Rule is requested due to a financial hardship, the parents, legal guardians, or Relative Caregiver is responsible for providing documentation to the Board to support the request.
 - 2.4.4.1 Documentation for Financial Hardship: Documentation for financial hardship shall include:
 - 2.4.4.1.1 Proof of extreme financial hardship caused by significant and unexpected reduction in income or increase in expenses; and
 - 2.4.4.1.2 A statement from the Principals or Headmasters of both the Sending and Receiving Schools that the student is not transferring for athletic advantage as that term is used in subsection 2.4.5 of this regulation.
- 2.4.5 Transfers for Athletic Advantage - The exceptions listed in subsection 2.4.3 of this regulation shall not apply if the Transfer was for athletic advantage. If the student transfers for athletic advantage, the student may still request a waiver of the transfer rule. A transfer for athletic advantage includes but is not limited to any transfer where the primary reason for the student's transfer was for any of the following:
 - 2.4.5.1 To seek a superior team;
 - 2.4.5.2 To seek a team more compatible with the student's abilities;
 - 2.4.5.3 Dissatisfaction with the student's position or playing time;
 - 2.4.5.4 The student follows the coach to another school to which the coach has transferred;
 - 2.4.5.5 Dissatisfaction with the philosophy, policies, methods, or actions of a coach or administrator pertaining to interscholastic athletics;
 - 2.4.5.6 To avoid disciplinary action imposed by another state athletic association; or
 - 2.4.5.7 To avoid disciplinary action imposed by the Sending School related to or affecting interscholastic athletic participation.
- 2.4.6 Transfers under the School District Enrollment Choice Program (14 Del.C. Ch. 4)
 - 2.4.6.1 If a student is enrolled in a public or private school and transfers to a traditional public, vocational, or charter school outside of the student's feeder pattern through the School District Enrollment Choice Program, the student shall be eligible immediately provided the Transfer occurs after the close of the Sending School's academic year and prior to the first official student day of the Receiving School's academic year and the student meets all other eligibility requirements.
 - 2.4.6.2 If a student is enrolled in a traditional public, vocational, or charter school outside of the student's feeder pattern through the School District Enrollment Choice Program and transfers to a different traditional public, vocational, or charter school outside of the student's feeder pattern through the program, the student shall be ineligible to participate in interscholastic athletics during the student's first year of attendance at the Receiving School.
 - 2.4.6.2.1 A waiver request is not required and the period of ineligibility under subsection 2.4.2 shall not apply if the student meets all other eligibility requirements and:
 - 2.4.6.2.1.1 One of the exceptions to the Junior High and Middle School Transfer Rule as provided in subsection 2.4.3 applies; or
 - 2.4.6.2.1.2 The student wishes to participate in an interscholastic sport that was not offered at the Sending School.

TITLE 14 EDUCATION
DELAWARE ADMINISTRATIVE CODE

- 2.4.6.3 If a student is enrolled in a traditional public, vocational, or charter school outside of the student's feeder pattern through the School District Enrollment Choice Program and transfers to a private or public school, the student shall be immediately eligible provided the Transfer occurs after the close of the Sending School's academic year and the student meets all other eligibility requirements.
- 2.4.6.4 For the purpose of this subsection, a student's feeder pattern consists of the public schools in which the student would normally be enrolled based on the student's place of residence.
- 2.5 Eligibility, Amateur Status
- 2.5.1 A student may not participate in an interscholastic sport unless they are considered an amateur in that sport. A student forfeits their amateur status if they do any of the following:
- 2.5.1.1 Knowingly plays on or against a professional team which is defined as a team having one or more members who have received or are receiving directly or indirectly monetary consideration for their athletic services.
- 2.5.1.2 Signs a professional contract, accepts reimbursement for expenses to attend a professional tryout, or receives financial assistance in any form from a professional sports organization.
- 2.5.1.3 Enters competition under an assumed name. The surname and given name used by any player in the first game of interscholastic competition shall be used during the remainder of the student's interscholastic career. Any change in spelling or use of another name shall be regarded as an attempt to evade this rule unless the change has been properly certified by the player to the Principal or Headmaster of the school.
- 2.5.1.4 Receives remuneration of any kind or accepts reimbursement for expenses in excess of the actual and necessary costs of transportation, meals, and lodging for participating in a team or individual competition or an instructional camp or clinic. They may be reinstated after a period of up to 180 school days provided that during the suspension, they comply with all of the provisions of this rule. The suspension shall date from the time of the last offense.
- 2.6 Eligibility, Passing Work
- 2.6.1 The intent of the Passing Work Rule is to promote educational standards, underscore the educational values of participating in interscholastic athletics, encourage appropriate academic performance, and allow the use of interscholastic participation as a motivator for improved classroom performance.

Two of those courses must be in the areas of English, Mathematics, Science, World Language or Social Studies.
- 2.6.2.1 A student who is receiving special education services and is precluded from meeting the aforementioned academic requirements due to modifications in the grading procedure or course of study, shall be adjudged eligible by the Principal or Headmaster if the student is making satisfactory progress in accordance with the requirements of their Individualized Education Program (IEP).

- 2.6.3 A student whose work in any regular marking period does not meet the above standards shall be ineligible to participate in an interscholastic athletic contest or scrimmage for the next marking period.
 - 2.6.3.1 In the case of a conflict between the marking period grade and the final grade, the final grade shall determine eligibility.
 - 2.6.3.2 The final accumulation of passed coursework shall determine eligibility for the first marking period of the following school year. When a student makes up a failure or earns the required passing grades during the summer, the student shall become eligible provided the student successfully completed the course work prior to the first official student day of the school year.
 - 2.6.3.3 Written verification of the successful completion of a correspondence course must be received before a student shall regain eligibility.
- 2.6.4 A student forfeits or regains eligibility, in accordance with the provisions of this rule, on the day when marking period grades are issued or published. The calendar used to establish when marking period grades are issued or published must be established by the governing body of the school prior to the start of the school year.
- 2.6.5 Local school boards and nonpublic schools may establish more stringent requirements for academic eligibility than the minimum standards herein prescribed.
- 2.7 Eligibility, Years of Participation
 - 2.7.1 The intent of the Years of Participation Rule is to promote timely progress toward graduation by discouraging students from delaying or interrupting their junior high or middle school education; to disallow students to enroll for one semester each school year to increase athletic ability and skill; to promote equality of competition; to diminish risks stemming from unequal competition; and to place emphasis on the academic mission of the school. In addition, the intent of the rule is to help prevent redshirting; to avoid exploitation by coaches who might otherwise seek to obtain transfers or to delay a student's normal progress through school; and to prevent displacement of younger student-athletes by older student-athletes who wish to unfairly prolong their junior high or middle school careers.
 - 2.7.2 Years of Participation Rule
 - 2.7.2.1 Students enrolled in a grade below the sixth grade shall not be permitted to practice, scrimmage, or compete on junior high or middle school interscholastic teams.
 - 2.7.2.2 Schools Which Allow Students in Grades 6, 7, and 8 to Participate
 - 2.7.2.2.1 Participation in interscholastic athletics on the part of a sixth grade student shall be at the discretion of the student's school.
 - 2.7.2.2.1.1 Sixth grade students shall not be permitted to participate in football unless the conference develops a classification system that is approved by the Board.
 - 2.7.2.2.1.2 If a student attends a school that competes in football but has not developed a Board approved classification system, the student shall have four consecutive semesters of eligibility (two consecutive opportunities) to play football from the first time the student enters the seventh grade.
 - 2.7.2.2.2 No student shall represent a school in an interscholastic athletic contest or scrimmage after six consecutive semesters from the date of the student's first entrance into the sixth grade in schools which permit students in grades 6, 7 and 8 to participate in interscholastic athletics unless a waiver is granted.
 - 2.7.2.2.3 No student shall have more than three opportunities to participate in a fall sport or combination of fall sports, in a winter sport or combination of winter sports, or in a spring sport or combination of spring sports.
 - 2.7.2.3 Schools Which Allow Students in Grades 7 and 8 to Participate
 - 2.7.2.3.1 No student shall represent a school in an interscholastic athletic contest or scrimmage after two consecutive school years from the date of the student's first entrance into the seventh grade in schools which restrict participation in interscholastic athletics to students in grades 7 and 8 unless a waiver is granted.
 - 2.7.2.3.2 No student shall have more than two opportunities to participate in a fall sport or combination of fall sports, in a winter sport or combination of winter sports, or in a spring sport or combination of spring sports.
 - 2.7.2.4 Participation shall be defined as taking part in a school sponsored practice, scrimmage, or contest on or after the first allowable date for practice in that sport.

TITLE 14 EDUCATION
DELAWARE ADMINISTRATIVE CODE

2.7.2.5 In the event that a student transfers between the types of schools described in subsections 2.7.2.2 and 2.7.2.3, the student shall not represent a school in interscholastic contests or scrimmages after six consecutive semesters from the date of student's first entrance into sixth grade unless a waiver is granted.

2.7.3 Waiver of the Years of Participation Rule

2.7.3.1 **"Hardship"** shall be defined as extenuating circumstances peculiar to the student athlete caused by unforeseen events beyond the election, control, or creation of the student athlete, the student's family, and the student's school which (1) deprive the student of all or part of one of the student's opportunities to participate in a particular sports season; (2) preclude the student from completing the academic requirements for graduation within the normal period of eligibility; and (3) deprive the student of all or part of one of the student's opportunities to participate in a particular sport. The waiver provision is intended to restore eligibility that has been lost as a result of a hardship situation. Injury, illness, or accidents, which cause a student to fail to meet the basic requirements, are possible causes for a hardship consideration.

2.7.3.1.1 A waiver shall not be granted under this subsection where DIAA finds that the student was academically eligible pursuant to DIAA's minimum passing work standards but was ineligible to participate under more stringent locally adopted academic standards and where the local school board has adopted its own waiver or exemption policy.

2.7.3.1.2 A clear and direct causal relationship must exist between the alleged hardship condition and the failure of the student to complete the academic requirements for promotion within the normal period of eligibility and the loss of all or part of one of the student's opportunities to participate in a particular sports season.

2.7.3.1.3 The burden of proof rests with the student in conjunction with the waiver process as described in 14 **DE Admin. Code** 1020. Claims of extended illness, debilitating injury, emotional stress, etc. must be accompanied by appropriate documentation. Evidence must be submitted to verify that the student or their parents, legal guardians, or Relative Caregiver sought assistance to ameliorate the effects of the hardship condition.

2.8 Student Eligibility Report Forms

2.8.1 Member schools shall use eligibility forms approved by the Executive Director. A copy of the original eligibility report and subsequent addenda must be either received by the Executive Director or postmarked prior to the first contest for which the students listed are eligible. Failure to file an eligibility report as prescribed shall result in a \$50.00 fine against the school.

2.8.1.1 In the case of a student who met all DIAA eligibility requirements but was omitted from the eligibility report due to administrative or clerical error, the student shall be adjudged eligible and the school assessed a \$25.00 fine.

2.9 Use of an Ineligible Athlete:

2.9.1 If a school uses an ineligible athlete, the administrative head or their designee shall notify the opposing school or event sponsor, in the case of a tournament or meet, and the Executive Director in writing of the violation and the forfeiture of the appropriate games, matches or points won.

2.9.2 The deliberate or inadvertent use of an ineligible athlete in the sports of soccer, football, volleyball, field hockey, basketball, baseball, softball, and lacrosse shall require the offending school to forfeit the contests in which the ineligible athlete participated.

2.9.2.1 If the infraction occurs during a tournament, the offending school shall be replaced by its most recently defeated opponent. Teams eliminated prior to the most recently defeated opponent shall not be allowed to reenter the tournament. Team and individual awards shall be returned to the event sponsor and team and individual records and performances shall be nullified.

2.9.2.2 The offending school may appeal to the DIAA Board of Directors for a waiver of the forfeiture penalty. If the forfeiture penalty is waived, the offending school shall be reprimanded and fined a minimum of \$200.00 but no more than \$1,000.00 and referred to the DIAA Sportsmanship Committee for consideration of further action unless the athlete or their parents or legal guardians knowingly withheld information or provided false information that caused them to be eligible for interscholastic competition. The burden of proof, in both cases, rests entirely with the offending school. A forfeit shall constitute a loss for the offending school and a win for its opponent for purposes of standings. A forfeit shall be automatic and not subject to refusal by the offending school's opponent.

- 2.9.3 The deliberate or inadvertent use of an ineligible athlete in the sports of cross country, wrestling, swimming, track, golf, and tennis shall require the offending school to forfeit the matches won and points earned by the ineligible athlete or by a relay team of which they were a member. The points contributed by an ineligible athlete to their team score shall be deleted and the contest score as well as any affected placements will be adjusted according to the rules of that sport.
- 2.9.3.1 If the infraction occurs during a tournament, the ineligible athlete shall be replaced by the athlete's most recently defeated opponent or next highest finisher. Contestants eliminated prior to the most recently defeated opponent shall not be allowed to reenter the tournament.
- 2.9.3.2 Individual awards earned by the ineligible athlete and team awards, if necessary because of adjustments in the standings, shall be returned to the event sponsor. Individual records and performances by the ineligible athlete shall be nullified.
- 2.9.4 If an ineligible athlete participates in interscholastic competition contrary to DIAA rules but in accordance with a temporary restraining order or injunction against their school or DIAA, and the injunction is subsequently vacated, stayed, or reversed, or the courts determine that injunctive relief is not or was not justified, or the injunction expires without further judicial determination, the penalties as stipulated in subsections 2.9.1 and 2.9.2 shall be imposed.
- 2.9.5 The intentional use of an ineligible athlete by a Member school or repeated indifference to its responsibility to determine the eligibility of its athletes will subject the school to additional penalties which may include suspension for the number of days up to the length of the school year from the date the charge is substantiated.
- 2.9.6 If a coach knowingly withholds information or provides false information that causes an athlete to be eligible for interscholastic competition, the coach shall be suspended from coaching in any sport at any DIAA Member School for up to the number of days up to the length of the school year from the date the charge is substantiated.
- 2.9.7 If an athlete or their parents, legal guardians, or Relative Caregiver knowingly withholds information or provides false information that causes the athlete to be eligible for interscholastic competition, the athlete shall be suspended from participation in any sport at any DIAA Member School for up to the number of days up to the length of the school year from the date the charge is substantiated.
- 2.10 Determination of Student Eligibility and the Appeal Procedures
- 2.10.1 Determining student athletic eligibility is the responsibility of each member school's administration. Member schools shall maintain records verifying athletic eligibility. Upon the Executive Director's request, the member school shall provide all information verifying eligibility.
- 2.10.2 In cases of uncertainty or disagreement, the eligibility of a student shall be determined by the Executive Director. Any request from a member school regarding an eligibility determination shall be in writing and contain the school's eligibility determination and all information used to reach the determination. When necessary within the Executive Director's discretion, the Executive Director may also make eligibility determinations without an official request from the member school. If the Executive Director determines that the student is ineligible, the school and the student shall be notified and the student suspended immediately from participation in interscholastic athletics.
- 2.10.3 The school and the student shall be informed that the decision of the Executive Director may be appealed to the DIAA Board of Directors.
- 2.10.4 Decisions of the Board to affirm, modify, or reverse the eligibility rulings of the Executive Director may be appealed to the State Board.
