When established they must submit its proposed membership and its constitution and bylaws to the DIAA Board of Directors and must be approved by the DIAA Board of Directors before the schools may enter into any contractual agreements.

1.3.1.1 All subsequent amendments to the constitution and bylaws of the conference must be compatible with all provisions of the DIAA Regulations; interpretations and rulings of the Executive Director, Sportsmanship Committee, and Board of Directors; state tournament regulations; and DIAA approved playing codes.

1.4 Contracts
1.4.1 Contracts between DIAA member schools or between DIAA Member schools and full member schools of comparable state associations are encouraged but not required.

1.4.1.1 Conference master contracts are approved substitutes for individual contracts.

1.4.1.2 In the case of a dispute and provided either a signed individual contract or conference master contract was received in the DIAA office or postmarked prior to the contest in question, appeal may be made to the Executive Director or the DIAA Board of Directors which, after review of the circumstances, may assign an appropriate penalty.

1.4.1.2.1 Without a signed individual contract or conference master contract, a member school has no right of appeal to the Executive Director or the DIAA Board of Directors.

1.4.2.1 A copy of the signed contract must be either received by the Executive Director or postmarked prior to the contest for which the agreement was drawn up. Failure to file a signed contract as prescribed shall result in the DIAA member school being assessed a $50.00 fine.

1.4.2.2 In the case of a dispute, a member school has no right of appeal to the Executive Director or the DIAA Board of Directors unless a signed individual contract is in place.

1.4.3 Contracts shall be interchanged according to the following provisions:
1.4.3.1 Contracts on the accepted form shall be arranged by the competing schools for each season’s interscholastic athletic contests.

1.4.3.2 Contracts shall be drawn up by the faculty manager or other designated staff member of the home school of the earlier contest.

1.5.1.1 Scrimmage is defined as: an informal competition between schools in which officials are not compensated, a final score is not kept, the time periods are permitted to be modified, the results of the competition are not reported to the media, the coaches are permitted to interrupt the play to provide instruction and the competition is strictly for practice purposes. All participating schools must consider the event to be a scrimmage and therefore cannot count the results as part of their regular season results.

1.5.2 A full member school shall not participate in a scrimmage or contest with an associate or nonmember school of another state association unless the opposing school, as part of a written contract, certifies that its contestants are eligible under the rules of its home state association.

11 DE Reg. 1639 (06/01/08)
15 DE Reg. 74 (07/01/11)
19 DE Reg. 743 (02/01/16)

2.0 Eligibility: No Student Shall Represent a School in an Interscholastic Scrimmage or Contest if the Student Does Not Meet the Following Requirements

2.1 Eligibility, Grades and Age

2.1.1 The junior high and middle school interscholastic program shall include grades 6 to 8, inclusive. No junior high or middle school student who has completed a season at the junior high or middle school level shall compete in the same sport at the senior high school level during the same school year. A junior high or middle school student who participates in a varsity or sub varsity game at the high school level shall be ineligible to participate at the junior high or middle school level in the same sport. This does not prohibit an eighth grade school student attending a school approved to play eighth grade students at the high school level from trying out for a varsity or sub varsity sport at the high school level.

2.1.1.1 Eighth grade students who become 15 years of age on or after June 15 immediately preceding the school year in a school terminating in the eighth grade shall be eligible for all sports during the current school year provided all other eligibility requirements are met.

2.1.1.2 Permission shall be granted for 15 year old eighth grade students in a school terminating in the eighth grade who are ineligible for junior high or middle school competition to participate in the district high school athletic program provided they meet all other eligibility requirements. In determining the age of a contestant, the birth date as entered on the birth record of the Bureau of Vital Statistics shall be required and shall be so certified on all eligibility lists.

2.1.2 Requests for waiver of the age requirement shall be considered only for participation on an unofficial, non scoring basis in non contact sports.

2.2 Eligibility, Residence

2.2.1 With the exception of boarding school students, a student must be living with their custodial parent(s) legal guardian(s) or Relative Caregiver in the Attendance Zone of the school which he/she attends in order to be eligible for interscholastic athletics in that school. In cases of joint custody, the custodial parent shall be the parent with actual physical placement as determined by court action. In the case of shared placement or where residential placement has not been determined by a court, the parent(s) must commit to sending the student to a particular school for the year. Maintaining multiple residences in order to circumvent this requirement shall render the student ineligible.

2.2.1.1 A student who, pursuant to established school board policy or administrative procedure, remains in a school they have been attending after their legal residence changes to the Attendance Zone of a different school in the same school district, may exercise, prior to the first official student day of the subsequent academic year, a one time election to remain at their current school and thereby not lose athletic eligible. If a student chooses to remain at their current school and then transfers to the school in a new Attendance Zone on or after the first official student day of the subsequent academic year, the student shall be ineligible under subsection 2.4.
2.2.1.2 A student who changes residence to a different Attendance Zone after the start of the last marking period and, pursuant to established school board policy or administrative procedure, is granted permission to continue attending his/her present school, the student shall retain their athletic eligibility in that school for the remainder of the school year provided all other eligibility requirements are met.

2.2.1.3 A student may be residing outside of the Attendance Zone of the school which they attend if the student is participating in the Delaware School Choice Program as authorized by 14 Del.C. Ch.4.

2.2.1.4 A student who is a non resident of Delaware shall be eligible to attend a public school if, in accordance with 14 Del.C. §607, their custodial parent, legal guardian or Relative Caregiver is a full time employee of that district.

2.2.1.5 Notwithstanding 2.2.1, a student shall be eligible at a public school if he/she is enrolled in accordance with 14 Del.C. §202(f), the Relative Caregivers School Authorization.

2.2.1.5.1 An exception would be a student whose Relative Caregiver does not provide the documentation required by the Relative Caregiver School Authorization (proof of relation and proof of full time care) but is permitted to register on the basis of a petition for the transfer of guardianship. A student who registers on the basis of a petition for the transfer of guardianship is not eligible to scrimmage or compete until the Relative Caregiver has provided the aforementioned required documentation or has received a signed court order designating them as the student’s legal guardian.

2.2.1.6 Notwithstanding 2.2.1, a student who is homeless as defined in the McKinney-Vento Act, 42 U.S.C. 11434a(2) shall be eligible to participate at the public school in which he/she is enrolled.

2.2.1.7 For purposes of eligibility, a child placed within the Department of Services for Children, Youth and Their Families (DSCYF) custody is eligible to participate in interscholastic athletics immediately at the school they attend.

2.3.2.2.1 If the special school or program sponsors the interscholastic sport in question, the student shall be eligible to participate only at the school or program.

2.3.2.2.2 If the special school or program does not sponsor the interscholastic sport in question and the student is served in a regular junior high or middle school for all or part of the school day, the student shall be eligible only at that regular junior high or middle school.

2.3.2.2.3 If the special school or program does not sponsor the interscholastic sport in question, and the student is served exclusively in the special school or program, and the special school or program is located on the campus of a regular junior high or middle school, the student shall be eligible only at the regular junior high or middle school on the same campus.

2.3.2.2.4 If the special school or program does not sponsor the interscholastic sport in question, and the student is served exclusively in the special school or program, and the special school or program is not located on the campus of a regular junior high or middle school the student shall be eligible only at the regular junior high or middle school designated to serve the special school’s or program’s students.

2.3.2.2.4.1 School districts or charter schools which administer special schools or programs and have multiple middle schools or junior high schools shall decide which of its regular middle schools or junior high schools shall be designated to serve special school or program students in these circumstances.

Even if a waiver request is not required and the student is not ineligible under this subsection, a waiver request may be required and the student may be ineligible under subsection 2.4 of this regulation.

2.3.3.2 Pursuant to 14 Del.C. §506(d), a student who is in his or her first year of attendance at a charter school shall remain enrolled in the charter school for a minimum of one year. A waiver request is not required and the student is not ineligible under this subsection if good cause exists as provided in 14 Del.C. §506(d).

2.3.4 A student may not participate in a practice, scrimmage, or contest during the time a suspension, either in school or out of school, is in effect or during the time they are assigned to an alternative school for disciplinary reasons.

2.3.7 An ineligible student who practices in violation of 2.3.1 through 2.3.6 shall, when the student regains their eligibility, be prohibited from practicing, scrimmaging or competing for an equivalent number of days.

2.4 Eligibility, Transfers

2.4.1 Purpose

2.4.1.1 The intent of the Junior High and Middle School Transfer Rule is to deter students from transferring schools for athletic purposes, to help discourage recruitment, and to reduce the opportunity for undue influence to be exerted by persons who seek to benefit from a student's athletic talent. DIAA recognizes that, because of the number of transfers that occur each year, it is difficult to carry out that intent if an individualized determination is required for all students who transfer schools. The exceptions in subsection 2.4.3 of this regulation involve circumstances in which establishing a hardship for eligibility purposes is not required; strict enforcement of the rule will not serve to accomplish the purpose of the rule; the spirit of the rule will not be offended or compromised; the principle of educational balance over athletics will not be offended or compromised; and there is no safety risk to teammates or competitors.

2.4.2 Junior High and Middle School Transfer Rule

2.4.2.1 Unless one of the exceptions found in subsection 2.4.3 of this regulation applies, a student who has previously participated in interscholastic athletics that transfers to a DIAA member school shall be ineligible in all sports for a period of 90 school days commencing with the first day of official attendance in the Receiving School.

2.4.3 Exceptions to the Junior High and Middle School Transfer Rule

2.4.3.1 A student, the student's family, and the student's Receiving School are not required to submit a waiver request and establish the conditions for granting a waiver set forth in subsection 9.1.1 of 14 DE Admin. Code 1006, including hardship, and the period of ineligibility shall not apply if the student meets one of the following exceptions and the student's Transfer was not for athletic advantage as provided in subsection 2.4.5 of this regulation:

2.4.3.1.1 McKinney-Vento Act (Homeless Students) - The period of ineligibility shall not apply if the Transfer is the result of the student becoming homeless as defined in the McKinney-Vento Education for Homeless Children and Youths Act, 42 U.S.C. §11434a(2).

2.4.3.1.2 Transfer Because of Administrative Assignment - The period of ineligibility shall not apply if the Transfer is within a school district and is approved by the district's Superintendent pursuant to established school board policy or administrative procedure. This subsection shall not apply if
the student is enrolled in a traditional public, vocational, or charter school through the School District Enrollment Choice Program and transfers to the student's feeder pattern school within the district unless the student satisfies the conditions stipulated in subsections 2.4.3.1.9.1 through 2.4.3.1.9.4. For the purpose of this subsection, a student's feeder pattern consists of the public schools in which the student would normally be enrolled based on the student's place of residence. This subsection shall also not apply if the student is enrolled in a traditional public, vocational, or charter school through the School District Enrollment Choice Program and transfers to a different traditional public, vocational, or charter school within the district through the program.

2.4.3.1.3 No previous interscholastic athletic participation - A student who has not previously participated in interscholastic athletics, is released by a proper school authority from a Sending School, has completed the registration process at the Receiving School, and is pursuing an approved course of study shall be eligible immediately upon registration provided the student meets all other DIAA eligibility requirements.

2.4.3.1.4 Transfer Due to Court Action - A student may transfer without loss of athletic eligibility if the Transfer is caused by court action, court action being an order from a court of law affecting legally committed students. In the case of a transfer of guardianship or custody, the Transfer shall be the result of a court order signed by a judge, commissioner, or master of a court of competent jurisdiction. A petition for the transfer of guardianship or custody, an affidavit (except as permitted by subsection 2.4.3.1.5 of this regulation), or a notarized statement signed by the affected parties shall not be sufficient to render the student eligible to participate in interscholastic athletics.

2.4.3.1.4.1 Sole, Joint, or Shared Custody - In cases of sole, joint, or shared custody once a primary residence is established, a change in the student's primary residence without court action renders the student ineligible unless one of the other exceptions in subsection 2.4.3 of this regulation applies.

2.4.3.1.4.2 DSCYF Custody - For the purposes of eligibility, a student placed within DSCYF custody is eligible to participate in interscholastic athletics immediately at the school he or she attends.

2.4.3.1.5 Transfer Based Upon Relative Caregivers School Authorization - A student may Transfer without loss of athletic eligibility if the transfer is based upon the submission of a Caregivers School Authorization in accordance with 14 Del.C. §202(f).

2.4.3.1.5.1 An exception would be a student whose caregiver does not provide the documentation required by the Relative Caregivers School Authorization (including proof of relationship and proof of full time care) but is permitted to register on the basis of a petition for the transfer of guardianship. A student who registers on the basis of a petition for the transfer of guardianship is not eligible to scrimmage or compete until the caregiver has provided a custody or guardianship petition to the receiving school in accordance with 14 Del.C. §202(f)(1).

2.4.3.1.6 Transfer Due to Change of Residence - The Transfer is the result of a change in residence by the custodial parent(s), Legal Guardian(s), or Relative Caregiver to the Attendance Zone of a public school that student was not attending. If, as a result of the change of residence, the student could now enroll in a different public school, the student may make a one-time election and select any school including a private school. A change in residence has occurred when all occupancy of the previous residence has ended and a new legal residence has been established. Maintaining dual residency for purposes of athletic eligibility shall render the student ineligible.

2.4.3.1.7 Transfer under Unsafe School Choice Policy - A student may transfer without loss of athletic eligibility if the student attends a persistently dangerous school or is the victim of a violent felony while in or on the grounds of a school in which he or she is enrolled and the student opts to transfer to a safe school in the same school district in accordance with 14 DE Admin. Code 608 Unsafe School Choice Option Policy.

2.4.3.1.8 Transfers with Fewer Than 90 Days Left in Academic Year - If a student transfers with fewer than ninety (90) school days left in the academic year, the student shall be ineligible for the remainder of the school year but shall be eligible beginning with the subsequent fall sports season provided the student is in compliance with all other eligibility requirements.
2.4.3.1.9 Transfers after the Close of an Academic Year and Prior to the Start of a New Academic Year - The period of ineligibility shall not apply if the transfer is after the close of the sending school's academic year and prior to the first official student day of the receiving school's academic year provided:

2.4.3.1.9.1 The student has completed the registration process at the receiving school prior to the first official student day of the academic year. The first official student day shall be defined as the first day on which students in any grade in that school are required to be in attendance.

2.4.3.1.9.2 The student has not attended class, excluding summer school, or participated in a scrimmage or contest at the sending school since the close of the previous academic year.

2.4.3.1.9.3 The student's legal residence is located in the attendance zone of the receiving school.

2.4.3.1.9.4 All other DIAA eligibility requirements have been met.

2.4.4 Transfer Because of a Financial Hardship. If a waiver of the Junior High and Middle School Transfer Rule is requested due to a financial hardship, the parent(s), Legal Guardian(s) or Relative Caregiver is responsible for providing documentation to the board to support the request.

2.4.4.1 Documentation for Financial Hardship: Documentation for financial hardship shall include:

2.4.4.1.1 Proof of extreme financial hardship caused by significant and unexpected reduction in income or increase in expenses; and

2.4.4.1.2 A statement from the Principals or Headmasters of both the sending and receiving schools that the student is not transferring for athletic advantage as that term is used in subsection 2.4.5 of this regulation.

2.4.5 Transfers for Athletic Advantage - The exceptions listed in subsection 2.4.3 of this regulation shall not apply if the transfer was for athletic advantage. If the student transfers for athletic advantage, the student may still request a waiver of the transfer rule. A transfer for athletic advantage includes but is not limited to any transfer where the primary reason for the student's transfer was for any of the following:

2.4.5.1 To seek a superior team;

2.4.5.2 To seek a team more compatible with the student's abilities;

2.4.5.3 Dissatisfaction with the student's position or playing time;

2.4.5.4 The student follows the coach to another school to which the coach has transferred;

2.4.5.5 Dissatisfaction with the philosophy, policies, methods, or actions of a coach or administrator pertaining to interscholastic athletics;

2.4.5.6 To avoid disciplinary action imposed by another state athletic association; or

2.4.5.7 To avoid disciplinary action imposed by the sending school related to or affecting interscholastic athletic participation.

2.4.6 Transfers under the School District Enrollment Choice Program (14 Del.C. Ch. 4)

2.4.6.1 If a student is enrolled in a public or private school and transfers to a traditional public, vocational, or charter school outside of the student's feeder pattern through the School District Enrollment Choice Program, the student shall be eligible immediately provided the transfer occurs after the close of the sending school's academic year and prior to the first official student day of the receiving school's academic year and the student meets all other eligibility requirements.

2.4.6.2 If a student is enrolled in a traditional public, vocational, or charter school outside of the student's feeder pattern through the School District Enrollment Choice Program and transfers to a different traditional public, vocational, or charter school outside of the student's feeder pattern through the program, the student shall be ineligible to participate in interscholastic athletics during the student's first year of attendance at the receiving school.

2.4.6.2.1 A waiver request is not required and the period of ineligibility under subsection 2.4.2 shall not apply if the student meets all other eligibility requirements and:

2.4.6.2.1.1 One of the exceptions to the Junior High and Middle School Transfer Rule as provided in subsection 2.4.3 applies; or

2.4.6.2.1.2 The student wishes to participate in an interscholastic sport that was not offered at the sending school.

2.4.6.3 If a student is enrolled in a traditional public, vocational, or charter school outside of the student's feeder pattern through the School District Enrollment Choice Program and transfers to a private or
public school, he or she shall be immediately eligible provided the Transfer occurs after the close of the Sending School's academic year and the student meets all other eligibility requirements.

2.4.6.4 For the purpose of this subsection, a student's feeder pattern consists of the public schools in which the student would normally be enrolled based on the student's place of residence.

2.5 Eligibility, Amateur Status

2.5.1 A student may not participate in an interscholastic sport unless they are considered an amateur in that sport. A student forfeits their amateur status if they do any of the following:

2.5.1.1 Knowingly plays on or against a professional team which is defined as a team having one or more members who have received or are receiving directly or indirectly monetary consideration for their athletic services.

2.5.1.2 Signs a professional contract, accepts reimbursement for expenses to attend a professional tryout, or receives financial assistance in any form from a professional sports organization.

2.5.1.3 Enters competition under an assumed name. The surname and given name used by any player in the first game of interscholastic competition shall be used during the remainder of the student's interscholastic career. Any change in spelling or use of another name shall be regarded as an attempt to evade this rule unless the change has been properly certified by the player to the Principal or Headmaster of the school.

2.5.1.4 Receives remuneration of any kind or accepts reimbursement for expenses in excess of the actual and necessary costs of transportation, meals, and lodging for participating in a team or individual competition or an instructional camp or clinic. Reimbursement for the aforementioned expenses is permitted only if all of the participants receive the same benefit.

2.5.1.5 Receives cash or a cash equivalent (savings bond, certificate of deposit, etc.), merchandise (except as permitted by 9.1.4) or a merchandise discount (except for discount arranged by school for part of team uniform) a reduction or waiver of fees, a gift certificate, or other valuable consideration as a result of their participation in an organized competition or instructional camp or clinic. Accepting an event program or a complimentary item(s) (T shirt, hat, equipment bag, etc.) that is inscribed with a reference to the event, has an aggregate retail value of no more than $150.00, and is provided to all of the participants, shall not jeopardize his/her amateur status.

2.5.1.6 Sells or pawns awards received.

2.5.1.7 Uses their athletic status to promote or endorse a commercial product or service on the internet; in a newsprint, radio, or television advertisement or any other form of media; or personal appearance.

2.5.2 Accepting compensation for teaching lessons, coaching, or officiating shall not jeopardize their amateur status.

2.5.3 A student who forfeits their amateur status under the provisions of this rule is ineligible to participate at the interscholastic level in the sport in which the violation occurred. They may be reinstated after a period of up to 180 school days provided that during the suspension, they comply with all of the provisions of this rule. The suspension shall date from the time of the last offense.

2.6 Eligibility, Passing Work

2.6.1 The intent of the Passing Work Rule is to promote educational standards, underscore the educational values of participating in interscholastic athletics, encourage appropriate academic performance, and allow the use of interscholastic participation as a motivator for improved classroom performance.

2.6.2 In order to be eligible for participation in interscholastic athletic contests and scrimmages, a student must pursue a regular course of study or its equivalent as approved by the local governing body, and must be passing at least four full-year courses. Two of those courses must be in the areas of English, Mathematics, Science, World Language or Social Studies.

2.6.2.1 A student who is receiving special education services and is precluded from meeting the aforementioned academic requirements due to modifications in the grading procedure or course of study, shall be adjudged eligible by the Principal or Headmaster if the student is making satisfactory progress in accordance with the requirements of his or her Individualized Education Program (IEP).

2.6.3 A student whose work in any regular marking period does not meet the above standards shall be ineligible to participate in an interscholastic athletic contest or scrimmage for the next marking period.
2.6.3.1 In the case of a conflict between the marking period grade and the final grade, the final grade shall determine eligibility.

2.6.3.2 The final accumulation of passed coursework shall determine eligibility for the first marking period of the following school year. When a student makes up a failure or earns the required passing grade(s) during the summer, the student shall become eligible provided he or she successfully completed the course work prior to the first official student day of the school year.

2.6.3.3 Written verification of the successful completion of a correspondence course must be received before a student shall regain eligibility.

2.6.4 A student forfeits or regains eligibility, in accordance with the provisions of this rule, on the day when marking period grades are issued or published. The calendar used to establish when marking period grades are issued or published must be established by the governing body of the school prior to the start of the school year.

2.6.5 Local school boards and nonpublic schools may establish more stringent requirements for academic eligibility than the minimum standards herein prescribed.

2.7 Eligibility, Years of Participation

2.7.1 The intent of the Years of Participation Rule is to promote timely progress toward graduation by discouraging students from delaying or interrupting their junior high or middle school education; to disallow students to enroll for one semester each school year to increase athletic ability and skill; to promote equality of competition; to diminish risks stemming from unequal competition; and to place emphasis on the academic mission of the school. In addition, the intent of the rule is to help prevent redshirting; to avoid exploitation by coaches who might otherwise seek to obtain transfers or to delay a student's normal progress through school; and to prevent displacement of younger student-athletes by older student-athletes who wish to unfairly prolong their junior high or middle school careers.

2.7.2 Years of Participation Rule

2.7.2.1 Students enrolled in a grade below the sixth grade shall not be permitted to practice, scrimmage, or compete on junior high or middle school interscholastic teams.

2.7.2.2 Schools Which Allow Students in Grades 6, 7, and 8 to Participate

2.7.2.2.1 Participation in interscholastic athletics on the part of a sixth grade student shall be at the discretion of the student's school.

2.7.2.2.1.1 Sixth grade students shall not be permitted to participate in football unless the conference develops a classification system that is approved by the Board.

2.7.2.2.1.2 If a student attends a school that competes in football but has not developed a Board-approved classification system, the student shall have four (4) consecutive semesters of eligibility (two (2) consecutive opportunities) to play football from the first time the student enters the seventh grade.

2.7.2.2.2 No student shall represent a school in an interscholastic athletic contest or scrimmage after six (6) consecutive semesters from the date of the student's first entrance into the sixth grade in schools which permit students in grades 6, 7 and 8 to participate in interscholastic athletics unless a waiver is granted.

2.7.2.2.3 No student shall have more than three (3) opportunities to participate in a fall sport or combination of fall sports, in a winter sport or combination of winter sports, or in a spring sport or combination of spring sports.

2.7.2.3 Schools Which Allow Students in Grades 7 and 8 to Participate

2.7.2.3.1 No student shall represent a school in an interscholastic athletic contest or scrimmage after two (2) consecutive school years from the date of the student's first entrance into the seventh grade in schools which restrict participation in interscholastic athletics to students in grades 7 and 8 unless a waiver is granted.

2.7.2.3.2 No student shall have more than two (2) opportunities to participate in a fall sport or combination of fall sports, in a winter sport or combination of winter sports, or in a spring sport or combination of spring sports.

2.7.2.4 Participation shall be defined as taking part in a school sponsored practice, scrimmage, or contest on or after the first allowable date for practice in that sport.

2.7.2.5 In the event that a student transfers between the types of schools described in subsections 2.7.2.2 and 2.7.2.3, the student shall not represent a school in interscholastic contests or scrimmages
after six (6) consecutive semesters from the date of student's first entrance into sixth grade unless a waiver is granted.

2.7.3 Waiver of the Years of Participation Rule

2.7.3.1 "Hardship" shall be defined as extenuating circumstances peculiar to the student athlete caused by unforeseen events beyond the election, control, or creation of the student athlete, the student's family, and the student's school which (1) deprive the student of all or part of one of the student's opportunities to participate in a particular sports season; (2) preclude the student from completing the academic requirements for graduation within the normal period of eligibility; and (3) deprive the student of all or part of one of the student's opportunities to participate in a particular sport. The waiver provision is intended to restore eligibility that has been lost as a result of a hardship situation. Injury, illness, or accidents, which cause a student to fail to meet the basic requirements, are possible causes for a hardship consideration.

2.7.3.1.1 A waiver shall not be granted under this subsection where DIAA finds that the student was academically eligible pursuant to DIAA's minimum passing work standards but was ineligible to participate under more stringent locally adopted academic standards and where the local school board has adopted its own waiver or exemption policy.

2.7.3.1.2 A clear and direct causal relationship must exist between the alleged hardship condition and the failure of the student to complete the academic requirements for promotion within the normal period of eligibility and the loss of all or part of one of the student's opportunities to participate in a particular sports season.

2.7.3.1.3 The burden of proof rests with the student in conjunction with the waiver process as described in Section 9.0 of 14 DE Admin. Code 1006. Claims of extended illness, debilitating injury, emotional stress, etc. must be accompanied by appropriate documentation. Evidence must be submitted to verify that the student or his or her parent(s), Legal Guardian(s), or Relative Caregiver sought assistance to ameliorate the effects of the hardship condition.

2.8 Student Eligibility Report Forms

2.8.1 Member schools shall use eligibility forms approved by the Executive Director. A copy of the original eligibility report and subsequent addenda must be either received by the Executive Director or postmarked prior to the first contest for which the students listed are eligible. Failure to file an eligibility report as prescribed shall result in a $50.00 fine against the school.

2.8.1.1 In the case of a student who met all DIAA eligibility requirements but was omitted from the eligibility report due to administrative or clerical error, he/she shall be adjudged eligible and the school assessed a $25.00 fine.

2.9 Use of an Ineligible Athlete:

2.9.1 If a school uses an ineligible athlete, the administrative head or their designee shall notify the opposing school(s) or event sponsor, in the case of a tournament or meet, and the Executive Director in writing of the violation and the forfeiture of the appropriate game(s), match(es) or point(s) won.

2.9.2 The deliberate or inadvertent use of an ineligible athlete in the sports of soccer, football, volleyball, field hockey, basketball, baseball, softball, and lacrosse shall require the offending school to forfeit the contest(s) in which the ineligible athlete participated.

2.9.2.1 If the infraction occurs during a tournament, the offending school shall be replaced by its most recently defeated opponent. Teams eliminated prior to the most recently defeated opponent shall not be allowed to reenter the tournament. Team and individual awards shall be returned to the event sponsor and team and individual records and performances shall be nullified.

2.9.2.2 The offending school may appeal to the DIAA Board of Directors for a waiver of the forfeiture penalty. If the forfeiture penalty is waived, the offending school shall be reprimanded and fined a minimum of $200.00 but no more than $1,000.00 and referred to the DIAA Sportsmanship Committee for consideration of further action unless the athlete or their parent(s) or legal guardian(s) knowingly withheld information or provided false information that caused them to be eligible for interscholastic competition. The burden of proof, in both cases, rests entirely with the offending school. A forfeit shall constitute a loss for the offending school and a win for its opponent for purposes of standings. A forfeit shall be automatic and not subject to refusal by the offending school's opponent.
2.9.3 The deliberate or inadvertent use of an ineligible athlete in the sports of cross country, wrestling, swimming, track, golf, and tennis shall require the offending school to forfeit the matches won and points earned by the ineligible athlete or by a relay team of which they were a member. The points contributed by an ineligible athlete to their team score shall be deleted and the contest score as well as any affected placements will be adjusted according to the rules of that sport.

2.9.3.1 If the infraction occurs during a tournament, the ineligible athlete shall be replaced by his/her most recently defeated opponent or next highest finisher. Contestants eliminated prior to the most recently defeated opponent shall not be allowed to reenter the tournament.

2.9.3.2 Individual awards earned by the ineligible athlete and team awards, if necessary because of adjustments in the standings, shall be returned to the event sponsor. Individual records and performances by the ineligible athlete shall be nullified.

2.9.4 If an ineligible athlete participates in interscholastic competition contrary to DIAA rules but in accordance with a temporary restraining order or injunction against their school or DIAA, and the injunction is subsequently vacated, stayed, or reversed, or the courts determine that injunctive relief is not or was not justified, or the injunction expires without further judicial determination, the penalties as stipulated in 2.9.1 and 2.9.2 shall be imposed.

2.9.5 The intentional use of an ineligible athlete by a Member school or repeated indifference to its responsibility to determine the eligibility of its athletes will subject the school to additional penalties which may include suspension for the number of days up to the length of the school year from the date the charge is substantiated.

2.9.6 If a coach knowingly withholds information or provides false information that causes an athlete to be eligible for interscholastic competition, the coach shall be suspended from coaching in any sport at any DIAA member school for up to the number of days up to the length of the school year from the date the charge is substantiated.

2.9.7 If an athlete or their parent(s, legal guardian(s), or Relative Caregiver knowingly withholds information or provides false information that causes the athlete to be eligible for interscholastic competition, the athlete shall be suspended from participation in any sport at any DIAA member school for up to the number of days up to the length of the school year from the date the charge is substantiated.

2.10 Determination of Student Eligibility and the Appeal Procedures

2.10.1 Determining student athletic eligibility is the responsibility of each member school’s administration. Member schools shall maintain records verifying athletic eligibility. Upon the Executive Director’s request, the member school shall provide all information verifying eligibility.

2.10.2 In cases of uncertainty or disagreement, the eligibility of a student shall be determined by the Executive Director. Any request from a member school regarding an eligibility determination shall be in writing and contain the school’s eligibility determination and all information used to reach the determination. When necessary within the Executive Director’s discretion, the Executive Director may also make eligibility determinations without an official request from the member school. If the Executive Director determines that the student is ineligible, the school and the student shall be notified and the student suspended immediately from participation in interscholastic athletics.

2.10.3 The school and the student shall be informed that the decision of the Executive Director may be appealed to the DIAA Board of Directors.

2.10.4 Decisions of the DIAA Board of Directors to affirm, modify, or reverse the eligibility rulings of the Executive Director may be appealed to the State Board of Education in accordance with the procedure described in 14 DE Admin. Code 1006.10.1.3.

However, should any conditions found in subsection 3.1.3 of this regulation occur since the last examination, a reexamination is required before the student can be medically cleared. A student who participates in a contest without a preparticipation physical evaluation shall be considered an ineligible athlete and the athlete and the school shall be subject to the penalties stipulated in subsection 2.9.

3.1.2 A DIAA approved form certifying the examination to that effect, as well as the parent's, legal guardian's or Relative Caregiver's consent, shall be on file with the administrative head of the school prior to the student participating in a practice, scrimmage, or game.

3.1.3 For any subsequent sports season in the school year, a limited reexamination shall be performed if any of the following circumstances exist: the athlete has been treated for an injury during the preceding sports season, the athlete has been out of school during the preceding sports season with an illness other than the usual minor upper respiratory or gastrointestinal upset, an operation has been performed on the athlete during the preceding term, or the athlete has a remedial defect.

3.1.4 The medical history of the student shall be available at the time of each examination.

3.1.5 A player is temporarily ineligible to participate if the player who is otherwise properly certified to participate in interscholastic athletics but is physically unable to participate due to illness or injury for five (5) consecutive days on which a practice, scrimmage, or contest is held. Prior to resuming participation, the player must present to the Administrative Head of School or his or her designee, a statement from a licensed physician (MD or DO), a nurse practitioner, or a physician assistant that the player is again physically able to participate. If a player is physically unable to participate due to a head injury, the concussion protocol in subsection 3.2 shall be followed.

3.2 Concussion Protocol

3.2.1 If an athlete is suspected of sustaining a concussion or exhibits signs or symptoms of a concussion, he or she shall be removed from the practice or game immediately.

3.2.2 A Qualified Healthcare Professional shall determine whether an apparent concussion has occurred. The Qualified Healthcare Professional shall be approved by the host to provide on-site evaluations of athletes who are suspected of sustaining a concussion or exhibit signs or symptoms of a concussion. If a Qualified Healthcare Professional is not present or is not appointed or approved by the host, the injury shall be treated as a concussion and the athlete shall not return to play until he or she is evaluated by a Qualified Healthcare Professional in an appropriate medical setting.

3.2.3 If a Qualified Healthcare Professional determines that an athlete did not sustain a concussion, the athlete may return to play.

3.2.4 If a Qualified Healthcare Professional determines that the athlete sustained a concussion or is unable to rule out a concussion, the athlete shall be referred for further evaluation by a Qualified Physician. The athlete shall be ineligible to participate in practices, scrimmages, or contests until he or she receives written clearance from a Qualified Physician on the DIAA Acute Concussion Evaluation (ACE) and Return to Play Form.

3.2.5 Failure to comply with the requirements of this regulation shall result in the athlete being considered ineligible. The athlete and member school shall be penalized according to subsection 2.10 of this regulation.

3.2.6 If an official observes an apparent injury, the official shall report the injury to the athlete's coach.

A wrestler may recertify at a lower weight during the 4 weeks from the first day they appear at
practice. However, once certified at a weight, a wrestler may not weigh in more than one class above the weight of the certification without automatically recertifying at a higher weight. Once recertified to a higher weight class the wrestler can no longer recertify lower. After 4 weeks from the first practice day a wrestler may not compete in a weight class below his duly established weight class.

3.3.1.1 By the end of four weeks of practice, a certified team roster listing the established minimum weight class of each wrestler shall be sent to the Executive Director of DIAA. Further, duly attested notices of additions to the certified roster shall be sent to the Executive Director without delay.

8.0 Required Use of Officials, Recognition of Officials' Associations, Attendance at Rules Clinics, and Fees for Officiating Contests and Competitions

8.1 Required Use of Officials

8.1.1 Member Schools and tournament sponsors shall be required to use officials recognized and approved by DIAA for interscholastic contests. Use of non-approved officials without permission from the Executive Director shall result in the school or tournament sponsor being assessed a $100.00 fine per game per non-approved official.

8.1.1.1 In the case of emergencies, such as an act of God, refusal by an association to work games, or a shortage of qualified officials, Member Schools which desire to use other than approved officials must obtain permission from the Executive Director.

8.1.2 If more than one association is approved to officiate a particular sport, a conference or, in the absence of a conference affiliation, an individual school shall determine which association shall provide the officials for its home contests.

8.2 Recognition of Officials' Associations

8.2.1 The officiating of interscholastic contests in the state of Delaware which involve one or more Member Schools shall be under the control of the DIAA and such control may include, but not be restricted to, giving examinations, evaluating officials, setting game fees, determining the number of officials per game, and assigning officials.

8.2.2.2 A brief history of the association including but not limited to the officiating experience (if any) of the members and if a new association is being formed, the purpose for which the association is being formed.

8.2.2.3 A copy of the association's constitution and bylaws including a statement that it does not discriminate on the basis of age, gender, race, religion, etc.

8.2.2.4 A description of the association's evaluation and rating system.

8.2.2.5 A description of the association's recruiting and training programs for new members.

8.2.2.6 A membership roster indicating the number of years of experience at the subvarsity, varsity, and state tournament levels for each member and also their most recent rating in a previous association. This information must be documented and is subject to verification.

8.2.2.7 Letters of recommendation or names of references from leagues which the association has serviced during its existence.
8.2.3 The Officials’ Committee shall review the aforementioned documents and meet with the officers of the association to discuss their petition.

8.2.4 The Officials’ Committee may consult with any other interested parties during the evaluation process.

8.2.5 The Officials’ Committee shall report its findings to the Board and recommend that the officials' association be granted recognition, granted recognition with conditions, or denied recognition.

8.2.6 The Board shall consider the petition for recognition and the Officials’ Committee’s recommendation and make a decision to approve or deny the request. The petitioner may request an evidentiary hearing before the Board pursuant to the procedures in subsection 10.1.3.2 of 14 DE Admin. Code 1006. The Board shall decide if the petitioning officials association shall be granted recognition, granted recognition with conditions, or denied recognition.

8.2.7 An approved association shall serve a minimum two year probationary period during which time the association shall be evaluated. An association designated as probationary is ineligible to provide officials to work the applicable DIAA State Tournament.

8.2.7.1 Members of the Officials’ Committee and the applicable Sport Committee shall comprise the Officials Association Evaluation Committee (Evaluation Committee). The new officials association shall be evaluated according to the following criteria:

8.2.7.1.1 Total number of games worked at the varsity level.
8.2.7.1.2 Total number of officials who worked games at the varsity level.
8.2.7.1.3 Total number of Member Schools who contracted the services of the association.
8.2.7.1.4 A comparison of the percentage of games the association worked against the percentage of games worked by other DIAA recognized officials associations in that sport.
8.2.7.1.5 A comparison of the percentage of the association’s registered officials against the number who worked varsity level games.
8.2.7.1.6 A comparison of the ratio from subsection 8.2.7.1.5 against any existing association(s)’ same ratio.
8.2.7.1.7 In addition, the evaluation may be based on any other available information which may include but is not limited to: the associations ability to work a minimum of 25 percent of all varsity contests played by DIAA Member Schools in that sport; written complaints by contracted schools; evaluations by Member Schools; input from Member Schools; or any other relevant information.

8.2.7.2 The results of all evaluations shall be shared with the probationary association at the end of each season. The association shall have the opportunity to add comments to the final evaluation.

8.2.8 At the end of the minimum two-year probationary period the Evaluation Committee shall recommend to the Board one of the following options based on the evaluations and the probationary association’s ability to work varsity contests equal to or greater than twenty-five (25) percent of all varsity contests played by Member Schools:

8.2.8.1 Re-approve conditionally for another year on probationary status.
8.2.8.2 Disapprove so as to no longer remain as an approved association.

8.2.8.4 Completely approve the association with full state tournament consideration equal to any existing association(s).

8.2.9 The Board shall consider the petition for recognition and the Evaluation Committee’s recommendation and make a decision. The probationary officials association may request an evidentiary hearing before the Board pursuant to the procedures in subsection 10.1.3.2 of 14 DE Admin. Code 1006. The Board shall decide if the petitioning officials association shall be:

8.2.9.1 Re-approved conditionally for another year on probationary status.

8.2.11 The Officials’ Committee shall review the submitted report to ensure that the association is meeting the goals of education-based athletics. If the Officials’ Committee determines that the association is not meeting the goals of education-based athletics, the Officials’ Committee shall notify the association of the goals it has not met, the association may be placed on an improvement plan, and the Officials’ Committee shall decide whether to recommend revocation of the association’s approval and recognition to the Board.

8.3 Attendance at Rules Clinics

8.3.1 Officials shall be required each year to both attend the DIAA rules interpretation clinic and to pass the rules examination provided by the DIAA office for the sport(s) they officiate.

8.3.2 Failure on the part of an official to attend the DIAA rules interpretation clinic and pass the rules examination in the same season shall cause the official to be placed on probation and to lose his or her eligibility to officiate a state tournament contest during that season.

8.3.3 Failure to satisfy both requirements in the same season for two consecutive years shall cause the official to lose varsity officiating status during the second season. Failure to fulfill this obligation in subsequent years shall cause the official to continue to be restricted to subvarsity contests until both requirements have been satisfied in the same season.
