DISPENSERS

Statutory Authority: 24 Delaware Code, Section 3706(a)(1) (24 **Del.C.** §3706(a)(1))
24 **DE Admin. Code** 3700

PROPOSED

PUBLIC NOTICE

Pursuant to 24 **Del.C.** §3706(a)(1), the Board of Speech/Language Pathologists, Audiologists and Hearing Aid Dispensers has proposed revisions to its rules and regulations.

A public hearing will be held on May 13, 2009 at 2:15 p.m. in the second floor conference room B of the Cannon Building, 861 Silver Lake Boulevard, Dover, Delaware, where members of the public can offer comments. Anyone wishing to receive a copy of the proposed rules and regulations may obtain a copy from the Board of Speech/Language Pathologists, Audiologists and Hearing Aid Dispensers, 861 Silver Lake Boulevard, Dover, Delaware 19904. Persons wishing to submit written comments may forward these to the Board at the above address. The final date to receive written comments will be at the public hearing.

The Board proposes several amendments to Rule 8.0, which addresses the continuing education requirements for licensees. First, Rule 8.2.2 is amended to increase the number of required continuing education hours for each of the three professions regulated by the Board. Single-licensed and dual-licensed individuals will be required to complete 30 continuing education hours every 2 years and triple-licensed individuals will be required to complete 45 hours. If approved, this change will go into effect for the license renewal period beginning August 1, 2009 and ending July 31, 2011.

Rule 8.2.2.6 is amended to clarify that an extension of time within which to complete continuing education or a waiver of the continuing education requirements may be granted upon a showing of hardship, but such request must be submitted prior to expiration of the license.

The Rules pertaining to online renewal and attestation have been revised for greater clarity. Rules 8.2.6, 8.2.7, 8.2.8, 8.2.9 and 8.2.10 have been added to provide a detailed explanation of the continuing education audit process. Finally, Rule 8.2.11 expressly gives the Board the authority to conduct hearings and impose the full range of sanctions available under 24 **Del.C.** §3716 when licensees fail to comply with the continuing education requirements.

The proposed amendments strengthen continuing education standards and give the Board express authority to sanction licensees who do not comply with those standards. Therefore, the proposed revisions will serve to protect the public from unsafe practices and enhance practitioner competence.

The Board will consider promulgating the proposed regulations at its regularly scheduled meeting following the public hearing.

 - 10.8 The participating Board's chairperson, his/her designate or designates or the Director of the Division of Professional Regulation or his/her designate may, in consultation with the treating professional at any time during the Voluntary Treatment Option, restrict the practice of a chemically dependent or impaired professional if such action is deemed necessary to protect the public health, welfare or safety.
