## DEPARTMENT OF STATE

### Division of Professional Regulation

#### 2900 Real Estate Commission

### PUBLIC NOTICE

Pursuant to 24 **Del.C.** § 2906(a)(1), the Delaware Real Estate Commission ("Commission") has proposed revisions to its rules and regulations.

On December 1, 2019, proposed revisions to the rules and regulations were published in the *Delaware Register of Regulations*, Volume 23, Issue 6. Specifically, the Commission's proposed regulations included a new subsection 8.5 which set forth requirements for real estate "teams." New Section 9.0 addressed the scope of permissible activities under the property management licensure exemption. Revisions to the new Section 12.0, Renewal of Licenses, shortened the late renewal period from 60 to 30 days and clarified that the late renewal period is not an extension of the deadline to complete continuing education. Requirements for licensure reinstatement were amended. As set forth in the new subsection 14.13, new licensees would be required to complete twelve hours of education designed to assist individuals new to the real estate profession. Those twelve hours were to be completed within 90 days after the date of initial licensure and would not count towards the continuing education required for license renewal. New licensees would also be required to complete the continuing education applicable to all licensees pursuant to the pro-ration schedule. Finally, as set forth in the new subsection 14.6.7, a minimum fine of \$250 would be imposed for a finding of unjustified noncompliance with continuing education requirements, and a minimum fine of \$1,000 would be imposed for a second finding of unjustified noncompliance.

A public hearing was held on January 9, 2020. The Commission deliberated on February 13, 2020, and based on those deliberations, made substantive revisions to the proposed rules and regulations. Pursuant to a Public Notice published in the March 1, 2020 *Register of Regulations*, Vol. 23, Issue 9, the Commission struck the rules

and regulations as proposed in the December 1, 2019 *Register of Regulations* and proposed further revisions. A hearing was scheduled for April 9, 2020. However, due to the State of Emergency related to COVID-19, the hearing was canceled.

The revised rules and regulations, as set forth in the March 1, 2020 *Register of Regulations*, are attached hereto as Exhibit A. Any person wishing to submit written suggestions, testimony, briefs or other written materials concerning the proposed rules and regulations should submit such comments no later than **August 31, 2020** to:
