SUMMARY OF PROPOSAL

The purpose of this notice is to advise the public that Delaware Health and Social Services (DHSS)/Division of Medicaid and Medical Assistance (DMMA) is proposing to amend the Alternative Benefit Plan (ABP) regarding Dental Services, specifically, to add adult dental services to the ABP and to maintain the State's assurance that the ABP matches regular Medicaid.

Statutory Authority

- 42 CFR 440.100, Dental Services
- Section 1937 of the Social Security Act, State Flexibility in Benefit Packages

Background

Senate Substitute No. 1 for Senate Bill No. 92 was signed by the Governor of Delaware on August 6, 2019 and provided dental services for adult Medicaid Recipients. The effective date of the Act was April 1, 2020. The adult dental benefit offers basic dental services to eligible adults 21 and over. The Centers for Medicare and Medicaid Services approved Delaware State Plan Amendment (SPA) 20-0001 which amends Title XIX Medicaid State Plan to add adult dental services with an effective date of October 1, 2020.

Under section 1937 of the Social Security Act, states have the flexibility to design an ABP entirely based on commercial market benefits or the state's approved Medicaid state plan, or a combination of both. When a state designs its ABP benefit package to be the same benefits or richer benefits than the state's approved Medicaid state plan, the state has achieved alignment between the ABP benefit package and the state's approved underlying Medicaid state plan. To date, most states have chosen the path of aligning their ABP benefit package fully or in part with the state's approved Medicaid state plan. ABPs must be kept in full or partial alignment with the state's approved underlying state plan on an ongoing basis.

Summary of Proposal

Purpose

The purpose of this proposed regulation is to add adult dental services to the ABP and to maintain the State's assurance that the ABP matches regular Medicaid.

Summary of Proposed Changes

Effective for services provided on and after October 11, 2021 Delaware Health and Social Services/Division of Medicaid and Medical Assistance (DHSS/DMMA) proposes to amend the Alternative Benefit Plan (ABP) regarding Dental Services, specifically, to add adult dental services to the ABP and to maintain the State's assurance that the ABP matches regular Medicaid.

Early and Periodic Screening, Diagnosis and Treatment Program (EPSOT) Assurance (42 CFR 440.345).

The State assures that there will be full access to EPSDT services (42 CFR 440.345) for individuals under 21 years of

age through the adoption of a benchmark plan which will mirror the State's current Medicaid State Plan benefits, including the provision of the EPSDT benefit. EPSDT services include all medically necessary, federally allowed services for individuals under age 21 regardless of their avenue of Medicaid eligibility. As such, newly eligible adults under age 21 will automatically be covered for EPSDT services. These services are covered both as fee-for-service benefits and through the State's Managed Care delivery system. EPSDT services are described in the managed care organization (MCO) member handbooks. The State's Diamond State Health Plan 1115 Demonstration Waiver and MCO contracts require coverage of EPSDT medical services. Children's dental services are covered as FFS. The State will alert providers about the continuity of EPSDT services for qualifying newly eligible individuals through its periodic provider alerts and newsletters.
