REGULATORY IMPLEMENTATION ORDER

FINAL

742 Compensation of District Personnel Under Specific Project Proposals

I. Summary of the Evidence and Information Submitted

The Secretary of Education intends to amend 14 **DE Admin. Code** 742 Compensation of District Personnel Under Specific Project Proposals in order to add a reference to charter schools and change the title and the regulation so the regulation refers only to federal projects.

Notice of the proposed regulation was published in the *News Journal* and the *Delaware State News* on September 23, 2004, in the form hereto attached as *Exhibit "A"*. Comments were received from The Governor's Advisory Council for Exceptional Citizens. The following are the Department's responses to the Advisory Council's concerns.

The Advisory Council was concerned that the rationale for deleting the authorization for "locally supported projects" was not provided. The Department's response is that the existing regulation is redundant because local school districts have the discretion to use their local funds to hire additional personnel or supplement existing salaries and to develop their own local compensation plans.

The Council also commented that although the proposed regulations apply only to districts and charter schools, section 3.1 anomalously refers to "a nonpublic school institution". The Department's response is that the requirement for "equitable compensation" is applicable to individuals compensated through federal funds. It applies to charters as well as districts and non-public school institutions. It also applies to the Department of Education.

Lastly, the Council suggested that section 3.2 literally disallows an employee whose compensation is derived 1% from federal funds to enjoy the due process protections in Title 14.

The Department's response is that federally supported positions are excluded from the provisions of Chapter 14 because employment is also conditioned on the receipt of federal funds. Local districts have additional provisions contained in their collective bargaining agreements related to termination, seniority, etc.

The Department upon review of the concerns will retain the wording as amended.

II. Findings of Facts

The Secretary finds that it is appropriate to amend 14 **DE Admin. Code** in order to add a reference to charter schools and change the title and the regulation so the regulation refers only to federal projects.

III. Decision to Amend the Regulation

For the foregoing reasons, the Secretary concludes that it is appropriate to amend 14 **DE Admin. Code** 742. Therefore, pursuant to 14 **Del.C.** §122, 14 **DE Admin. Code** 742 attached hereto as *Exhibit "B"* is hereby amended. Pursuant to the provision of 14 **Del.C.** §122(e), 14 **DE Admin. Code** 742 hereby amended shall be in effect for a period of five years from the effective date of this order as set forth in Section V. below.

IV. Text and Citation

The text of 14 **DE Admin. Code** 742 amended hereby shall be in the form attached hereto as *Exhibit "B"*, and said regulation shall be cited as 14 **DE Admin. Code** 742 in the *Administrative Code of Regulations* for the Department of Education.

V. Effective Date of Order

The actions hereinabove referred to were taken by the Secretary pursuant to 14 **Del.C.** §122 on November 17, 2004. The effective date of this Order shall be ten (10) days from the date this Order is published in the *Delaware Register of Regulations*.

IT IS SO ORDERED the 17th day of November 2004.
