The action concerning the determination of whether to adopt the proposed regulation will be based upon the results of Department and Division staff analysis and the consideration of the comments and written materials filed by other interested persons.

**DIVISION OF PUBLIC HEALTH
Regulations Governing the State of Delaware Screening of Newborn Infants for Metabolic, Hematologic,
Endocrinologic, and Certain Structural Disorders
PUBLIC NOTICE**

On February 1, 2013, the Family Health Systems section, under the Division of Public Health, Department of Health and Social Services, plans to publish proposed regulations governing the State of Delaware Screening of Newborn Infants for Metabolic, Hematologic, Endocrinologic, and Certain Structural Disorders and hold them out for public comment per Delaware law.

In September 2011, the U.S. Department of Health and Human Services adopted the Advisory Committee on Heritable Disorders in Newborns and Children's recommendation to add screening for critical congenital heart disease (CCHD) to the Uniform Screening Panel. The proposed revisions to this regulation outline the process for collecting screening results for CCHD through pulse oximetry testing for newborns. Additionally, the revisions clarify the program's retention of blood spot results for a period of three years as well as update language to currently acceptable terms.

Copies of the proposed regulations are available for review in the February 1, 2013 edition of the Delaware *Register of Regulations*, accessible online at: <http://regulations.delaware.gov> or by calling the Family Health Systems Section at (302) 744-4821.

Any person who wishes to submit suggestions, briefs or other written materials concerning the proposed regulations must submit same to Deborah Harvey by March 4, 2013 at:
