

DEPARTMENT OF STATE
DIVISION OF PROFESSIONAL REGULATION
3100 Delaware Board of Funeral Services
Statutory Authority: 24 Delaware Code, Section 3105(a)(1) (24 **Del.C.** §3105(a)(1))
24 DE Admin. Code 3100

FINAL

ORDER

After due notice in the *Register of Regulations* and two Delaware newspapers, a public hearing was held on October 25, 2006 at a scheduled meeting of the Delaware Board of Funeral Services to receive comments regarding proposed amendments to Regulation 9.0: *Continuing Education Regulations*. The regulation, as amended, provides licensees the ability to renew their license online, attesting to the completion of the requisite continuing education. The regulations also set forth procedures for audit and verification of completed continuing education. In addition, the changes give the Board the ability to determine the appropriate action with respect to licensees who fail to comply with the continuing education requirements as of the time of renewal based on the particular facts and circumstances. Finally, the changes eliminate the Board's Continuing Education Committee and clarify that the Board will not review requests for approval of continuing education credits from programs that are deemed to be automatically approved as set forth in the Board's Rules and Regulations. The proposed regulation was published in the *Register of Regulations*, Vol. 10, Issue 3, September 1, 2006.

Summary of the Evidence and Information Submitted

No written comments were received. One member of the public commented at the hearing that the Rules and Regulations should make clear that programs approved by the Academy of Professional Funeral Service Practitioners are automatically approved by the Board pursuant to the Rules. The Board clarified that the specific programs that are automatically approved are identified in the Rules and Regulations.

Findings of Fact and Conclusions of Law

The Board considered the proposed changes and the public comment at the hearing. The Board finds that the proposed amendments to the Rules and Regulations are necessary to allow for online renewal and to clarify the process for verification of completion of continuing education. The Board further finds that the Continuing Education Committee is no longer necessary due to the previous change to Rule 9.4.2, which now provides that all continuing education programs approved by the Academy of Funeral Service Practitioners (AFSP) or other state boards that license funeral directors, are automatically approved.

Pursuant to 24 **Del.C.** §3105, the Board has statutory authority to promulgate regulations clarifying specific statutory sections of its statute. The amendments to Rule 9.0: *Continuing Education Regulations* clarify the provisions of 24 **Del.C.** §3111 with regard to renewal of licensure and required continuing education.

Decision and Effective Date

The Board hereby adopts the changes to Regulation 9.0 be effective 10 days following publication of this order in the *Register of Regulations*.

Text and Citation

The text of the revised rule remains as published in *Register of Regulations*, Vol. 10, Issue 3, September 1, 2006, and as attached hereto as Exhibit A.

SO ORDERED this 29th day of November, 2006.

10.8 The participating Board's chairperson, his/her designate or designates or the Director of the Division of Professional Regulation or his/her designate may, in consultation with the treating professional at any time during the Voluntary Treatment Option, restrict the practice of a chemically dependent or impaired professional if such action is deemed necessary to protect the public health, welfare or safety.
