PROFESSIONAL STANDARDS BOARD**

Statutory Authority: 14 Delaware Code, Sections 1203, 1205(b), and 1220 (14 **Del.C.** §§1203, 1205(b) & 1220)

14 **DE Admin. Code** 1557

**PROPOSED**

**PUBLIC NOTICE**

**Educational Impact Analysis Pursuant to 14 Del.C. §122(d)**

**1557 Technology and Engineering Teacher**

**A. TYPE OF REGULATORY ACTION REQUESTED**

Amendment to Existing Regulation

**B. SYNOPSIS OF SUBJECT MATTER OF REGULATION**

Pursuant to 14 **Del.C.** §§1203, 1205(b), and 1220, the Professional Standards Board ("Board"), acting in consultation and cooperation with the Delaware Department of Education ("Department"), developed amendments to 14 **DE Admin. Code** 1557 Technology and Engineering Teacher. The regulation concerns the requirements for a Technology and Engineering Teacher Standard Certificate in accordance with 14 **Del.C.** §1220. The proposed amendments in this regulation include revising subsection 4.1.1.4, which concerns the requirements for an applicant who has completed a minimum of 91 days of successful long-term substitute teaching in a Delaware public school, and striking subsection 5.3.2. The revisions to subsection 4.1.1.4 and striking subsection 5.3.2 were prompted by HB 315 w/ HA 2 of the 151st General Assembly, which was signed into law on August 4, 2022. In addition, in Section 2.0, the definition of "Regionally Accredited" has been revised based on the changes the U.S. Department of Education made to its recognition of accrediting bodies and the term "Employing Authority" has been revised to eliminate a redundant phrase. Also, subsection 4.1.2 has been revised to add an additional assessment as an option and subsection 6.2 has been added to clarify Section 6.0.

Persons wishing to present their views regarding this matter may do so in writing by submitting them to the Department, Office of the Secretary, Attn: Regulation Review, 401 Federal Street, Suite 2, Dover, Delaware 19901 or through the Department's online submission form at <https://education.delaware.gov/community/governance/regulations-code/post-a-comment/> by the close of business (4:30 p.m. EST) on or before August 1, 2024. Any person who wishes to receive a copy of the proposed regulation may obtain a copy from the Department at the Office of the Secretary on the second floor of the Townsend Building, 401 Federal Street, Dover, Delaware.

**C. IMPACT CRITERIA**

1. Will the amended regulation help improve student achievement as measured against state achievement standards? The education, knowledge, and skill requirements in Section 4.0 are designed to improve the quality of the educator workforce, which will help to improve student achievement.

2. Will the amended regulation help ensure that all students receive an equitable education? The education, knowledge, and skill requirements in Section 4.0 are designed to improve the quality of the educator workforce, which will help to ensure students in Delaware public schools receive an equitable education.

3. Will the amended regulation help to ensure all students' health and safety are adequately protected? The amended regulation addresses a standard certificate for educators and is not designed to help ensure students' health and safety is protected.

4. Will the amended regulation help to ensure that all students' legal rights are respected? The amended regulation addresses a standard certificate for educators and is not designed to help ensure students' legal rights are respected.

5. Will the amended regulation preserve the necessary authority and flexibility of decision-makers at the local board and school level? The amended regulation does not change authority and flexibility of decision makers at the local board and school level. By statute (14 **Del.C.** § 1224), a school district or charter school may request that the Secretary of Education review the credentials of an applicant who does not meet the requirements for a Technology and Engineering Teacher Standard Certificate but whose effectiveness is documented by the district or school. The amended regulation does not change a school district or charter school's ability to submit such a request. Section 6.0 is consistent with the statute.

6. Will the amended regulation place unnecessary reporting or administrative requirements or mandates upon decision makers at the local board and school levels? The amended regulation does not place unnecessary reporting or administrative requirements or mandates upon decision makers at the local board and school levels. The application requirements in Section 5.0 apply to individual applicants. In addition, the requirements in Section 10.0 apply to individual

applicants and Educators.

7. Will decision making authority and accountability for addressing the subject to be regulated be placed in the same entity? The Department implements the rules and regulations promulgated and adopted pursuant to 14 **Del.C.** Ch. 12 relating to licensure and certification of educators.

8. Will the amended regulation be consistent with and not an impediment to the implementation of other state educational policies, in particular to state educational policies addressing achievement in the core academic subjects of mathematics, science, language arts, and social studies? The amended regulation is consistent with, and not an impediment to, the implementation of other state educational policies, and in particular to state educational policies addressing achievement in the core academic subjects of mathematics, science, language arts, and social studies.

9. Is there a less burdensome method for addressing the purpose of the amended regulation? There is not a less burdensome method for addressing the purpose of this amended regulation.

10. What is the cost to the state and to the local school boards of compliance with the amended regulation? There is no expected cost to the state and to the local school boards of complying with this amended regulation.

## **5.0 Application Requirements**

- 5.1 If an applicant is applying for an Initial License, a Standard Certificate must be applied for simultaneously with the application for the Initial License, and the applicant shall also provide all required documentation for the License.
- 5.2 If the applicant is also applying for the issuance or renewal of an educator's license or paraeducator's permit, the applicant must disclose the applicant's criminal conviction history upon application. Failure to disclose a criminal conviction history is grounds for denial of the license or permit application as specified in 14 **Del.C.** §1219 and it could delay the processing or result in the denial of the application for a Technology and Engineering Teacher Standard Certificate.
- 5.3 For an applicant who does not hold a content area Standard Certificate, the following documentation is required with the application for a Technology and Engineering Teacher Standard Certificate:
  - 5.3.1 Official transcript from the applicant's Regionally Accredited college or university.
    - 5.3.1.1 Electronic transcripts may be submitted by the Employing Authority or by the applicant's Regionally Accredited college or university; or
    - 5.3.1.2 Sealed paper transcripts may be submitted.

5.3.1.3 The Department will not accept copies of transcripts; and

~~5.3.2 Documents verifying successful completion of Department-approved professional development, if applicable; and~~

~~5.3.3~~ 5.3.2 Official score on the Praxis Subject Assessment as provided in subsection 4.1.2; and

~~5.3.4~~ 5.3.3 Additional documentation as required by the Department.

5.4 For an applicant who holds at least 1 content area Standard Certificate, the following documentation is required in the application for a Technology and Engineering Teacher Standard Certificate:

5.4.1 Official score on the Praxis Subject Assessment as provided in subsection 4.2; and

5.4.2 Additional documentation as required by the Department.

5.5 For applicants who have met the requirements for licensure as an educator in Delaware and hold a Valid and Current License or Certificate as a technology and engineering teacher from another state or jurisdiction, the following documentation is required in the application for a Technology and Engineering Teacher Standard Certificate:

5.5.1 An official copy of the Valid and Current License or Certificate; and

5.5.2 Additional documentation as required by the Department.

**26 DE Reg. 54 (07/01/22)**

**26 DE Reg. 580 (01/01/23)**

## **6.0 Secretary of Education Review**

6.1 The Secretary of Education may, upon the written request of a local school district or charter school, review credentials submitted in an application for a Technology and Engineering Teacher Standard Certificate on an individual basis and grant such a Standard Certificate to an applicant who otherwise does not meet the requirements for a Technology and Engineering Teacher Standard Certificate but whose effectiveness is documented by the local school district or charter school.

6.2 The request shall be approved as provided in subsections 6.2.1 and 6.2.2.

~~6.1.4~~ 6.2.1 For school districts, requests shall be approved by the superintendent of the school district.

~~6.1.2~~ 6.2.2 For charter schools, requests concerning the head of school of the charter school shall be approved by the charter school's board of directors and requests concerning all other applicants shall be approved by the charter school's head of school.

**26 DE Reg. 54 (07/01/22)**

## **7.0 Validity of a Standard Certificate**

7.1 A Technology and Engineering Teacher Standard Certificate is valid regardless of the assignment or employment status of the holder provided that the Educator's License remains current and valid.

7.2 A Technology and Engineering Teacher Standard Certificate is not subject to renewal.

**26 DE Reg. 54 (07/01/22)**

## **8.0 Disciplinary Action**

8.1 An Educator's Technology and Engineering Teacher Standard Certificate may be revoked, suspended, or limited for cause as provided in 14 **DE Admin. Code** 1514 Limitation, Suspension, and Revocation of Licenses, Certificates, and Permits.

8.2 An Educator's Technology and Engineering Teacher Standard Certificate shall be revoked if the Educator's Initial, Continuing, or Advanced License or Standard or Professional Status Certificate is revoked or the Educator made a materially false or misleading statement in the Educator's application in accordance with 14 **Del.C.** §1222.

8.3 An Educator whose certificate is noticed for disciplinary action is entitled to a full and fair hearing before the Standards Board. Hearings shall be conducted in accordance with 14 **DE Admin. Code** 1515 Hearing Procedures and Rules.

**26 DE Reg. 54 (07/01/22)**

## **9.0 Past Certificate Recognized**

The Department shall recognize a Technology Education Teacher Standard Certificate issued prior to the effective date of this regulation. An Educator holding such a Standard Certificate shall be considered certified to teach Technology and Engineering Education.

**26 DE Reg. 54 (07/01/22)**

**10.0 Contact Information and Change of Name or Address**

- 10.1 All applicants and Educators are required to update their contact information in DEEDS if their contact information changes.
- 10.2 An Educator who legally changes the Educator's name and wishes to change the name on the Technology and Engineering Teacher Standard Certificate shall provide a notarized copy of evidence of the name change such as a marriage license or court action.
- 10.3 An applicant or Educator whose mailing address, email address, or phone number changes shall provide the Department with the new mailing address, email address, or phone number within 14 calendar days of the change.
