ORDER

FINAL

425 Delaware Lottery Rules and Regulations

Summary of Proposed Changes

Currently, under the Video Lottery Regulations relating to 6.30, an ATM may not be located within 25 feet of a VLT.

Currently, under the Video Lottery Regulations relating to 6.33(4), all agent employees must file a completed License Application Form (LAF) with the Delaware State Police Video Lottery Enforcement Unit (VLEU). The VLEU only needs completed LAFs from key employees and video operations employees.

Currently, under the Video Lottery Regulations relating to 14.2.1.3, 14.2.2 and 14.4, the Delaware State Police Video Lottery Enforcement Unit (VLEU) must wait for the criminal history report from SBI before it can recommend suitability for licensure of an applicant to the Director. That process can take up to 10 weeks, during which time, the applicant/employee cannot begin working. The temporary license procedure set forth below is designed to allow the VLEU to conduct preliminary background checks and make temporary suitability recommendations about applicants shortly after the applicant applies.

Currently, under the Video Lottery Regulations relating to 14.12 and 14.14, a licensed employee of Video Lottery agent (or an employee who has submitted an application to become licensed) has seven days to notify the Delaware State Police Video Lottery Enforcement Unit of any change in his/her criminal history information. The proposal is to shorten that time to three days.

Pursuant to 29 Del.C. §10118, the Delaware Lottery Office (Lottery) issues this Order adopting proposed amendments to the Lottery Rules. Following notice and a public hearing on April 2, 2007, the Lottery makes the following findings and conclusions:

Summary of Evidence

The Lottery posted public notice of the proposed amendments on March 12, 2007 and for two consecutive weeks in the *Delaware State News* and the *Delaware Capital Review*. The Lottery proposed to update:

- Video Lottery Rule 6.34(4) to eliminate the need for licensees to submit license application forms for each of its employees.
- Video Lottery Rules 14.1.1, 14.3 and 14.4 to alleviate the lengthy screening process and allow the Lottery to grant a temporary license after a preliminary background check shortly after the applicant applies.
- Video Lottery Rules 14.11 and 14.13 to shorten the time a licensee has to notify the Delaware State Police Video Lottery Enforcement Unit of any change in his/her criminal history.
- Video Lottery Rule 6.3 to remove the limitation on the placement of automated teller machines (ATMs) within 25 feet of a video lottery machine.

The Lottery received no written comments during March 2007. The Lottery held a public hearing on April 2, 2007 and received no public comments.

Decision

The Lottery believes that these changes to its Video Lottery Rules are in the best interest of the State. The Lottery will adopt the amendments to the Video Lottery Rules as published in the March *Register of Regulations*. The final form of the amendments to the Video Lottery Rules is also attached hereto.

Furthermore, the Lottery adopts two additional amendments to its Rules in final form, exempt from the

requirements of subchapter II of Chapter 101 of Title 29 of the **Delaware Code**. They are exempt under 29 **Del.C.** §10113(b)(6) because they conform the Lottery's Rules to the same changes made in the amendments above. Specifically, Video Lottery Rule 3.10 is amended to reflect the same change to Video Lottery Rule 6.3. And Traditional Lottery Rule (29) is amended to reflect the same change to the temporary licensing procedure set forth in Video Lottery Rules 14.1.1, 14.3 and 14.4. The final form of these exempt amendments is attached hereto.

IT IS SO ORDERED this 15th day of May, 2007

2.0 Director

The Director shall have the power, duties and responsibilities as set out in the enabling legislation, Chapter 348, Volume 59, Laws of Delaware, and any subsequent amendments.

3.0 Licensing of Agents

3.1 Application. Any person interested in obtaining a license as an Agent must first file an “Application for Lottery Sales Agent's License” with the Director of the State Lottery Office. The applications, as well as other documents submitted to the Lottery on behalf of the applicant for purposes of determining the qualifications of the applicant, shall be sworn to or affirmed before a notary public, or designated Lottery employee.

3.2 Eligibility for License. No license as an Agent to sell lottery tickets shall be issued to any person to engage in business primarily as a lottery sales Agent. Before issuing such license, the Director shall consider such factors, including but not limited to:

3.2.1 The financial responsibility and security of the person and his business activity. The applicant must be willing to grant to the Lottery the right to perform a routine credit check such as any other supplier might require before extending credit. He or she must also be willing to grant to the Lottery the right to perform a security investigation to include the release of any criminal history by the State Bureau of Identification and the Federal Bureau of Identification.

3.2.2 The honesty and integrity of the applicant.

3.2.3 The accessibility of his place of business or activity to the public.

3.2.4 The sufficiency of existing licensees to serve the public convenience.

3.2.5 The volume of expected sales.

3.2.6 The veracity of the information supplied in the "Application for Lottery Sales Agent's License".

3.2.7 The results of the applicant's state and federal criminal history record check.

3.2.8 The extent to which the applicant is known to associate with persons of nefarious backgrounds or disreputable character such that the association could adversely affect the general credibility, security, integrity, honesty, fairness, or reputation of the Lottery.

3.3 Ineligibility of Minors. No person under the age of twenty-one (21) shall be licensed as an Agent. Nothing herein shall be construed to mean an employee must be twenty-one (21) to sell tickets within the licensed establishment.

3.4 Issuance of License

3.4.1 The Director shall, in accordance with the provisions of the Act and these Regulations, license such persons as Agents to sell lottery tickets who, as in his option, will best serve the public convenience and promote the sale of tickets.

3.4.2 The issuance of a license shall signify agreement by the agent to abide by all provisions of the Lottery regulations.

3.4.3 An Agent's license shall be reviewed annually on or about the anniversary date of the original permanent issue.

3.4.4 The Director reserves the right to require a surety bond from every licensed Agent in such amount consistent with his determination of the financial stability of said Agent so as to avoid any monetary loss to the State because of the Agent's activities in the sale of lottery tickets.

3.5 License to be Displayed

3.5.1 Every Agent shall prominently display his license in an area visible to the general public.

3.5.2 In addition, the Agent decal shall be mounted on a prominent public window of the Agent's premises.

3.5.3 The Agent shall maintain and display all promotional material in conjunction with ticket sales in accordance with instructions issued by the Lottery Office.

3.6 Sale of Lottery Tickets at Specific Locations, Licensed and Nontransferability

3.6.1 The sale of lottery tickets shall be made only pursuant to a lottery Agent's license at a specific location named therein.

3.6.2 No other sales shall be permitted, except as provided in the Act or these Regulations.

3.7 Sale and/or Transfer of Ownership of Specific Licensed Locations

3.7.1 All licensed agents are required to notify the Lottery Office of a pending sale of a specific licensed location. This requirement of notice includes ownership change in corporations as well as individual ownership change affecting a specific licensed location. No license may be transferred, assigned, or pledged as collateral. All licenses to sell Lottery tickets are nontransferable.

3.7.2 Any change in ownership of a specific licensed location requires a new Agent Application process. Change of ownership does not automatically guarantee the granting of a License to the new ownership. In the event of the death of a licensee, the Lottery will suspend operations at the Agent's location if and until a new Agent Application is approved for that location.

3.8 Liability of Lottery Office and State of Delaware. It is agreed by the Agent that he shall hold the Lottery Office, all Lottery employees, and the State of Delaware harmless from any liability arising in connection with conducting lottery ticket sales.

4.0 Revocation of Licenses

4.1 The license is evidence of an agency revocable at will by the Director. The Director may revoke without notice or a hearing, the license of any Agent who violates the Act or any rule or regulation promulgated pursuant to the Act. However, if the Director does revoke a license without notice and an opportunity for a hearing, the Director shall by appropriate notice afford the person whose license has been revoked an opportunity for a hearing within thirty (30) days after the revocation order has been issued. The notice shall also specify the intended reasons for the revocation. As a result of any such hearing, the Director may confirm his action revoking the license or he may order the restoration of such license.

4.2 An Agent's license may be suspended, revoked, or its renewal rejected for any one or more of the following reasons:

4.2.1 Whenever the Agent knowingly uses false or misleading information in obtaining the license.

4.2.2 Whenever the Agent violates any of the provisions of the State Lottery Law or any regulations, directives, or instructions promulgated or issued thereunder.

4.2.3 Whenever the Agent's business address is changed.

4.2.4 Whenever the Agent does not display lottery point-of-sale material in a manner which is readily seen by and available to the public, including failure to make tickets available at points-of-sale within the licensed premises which the Director determines are necessary to the interest of the public and the lottery.

4.2.5 Whenever a Agent commits an act which seriously impairs his reputation for honesty and integrity.

4.2.6 Whenever the Agent has been convicted of a crime.

4.2.7 Whenever the Agent has been found guilty of any fraud or misrepresentation in any connection.

4.2.8 Whenever the Agent's experience, character, and general fitness are such that his participation as a lottery sales Agent is inconsistent with the public interest, convenience and necessity, or the security of the Lottery operations.

4.2.9 Whenever the Agent is delinquent in making required accounting or fails to pay weekly all monies owed to the State.

4.2.10 Whenever the Agent fails to take reasonable security precautions with regard to the handling of lottery tickets and other materials.

4.2.11 Whenever the Agent sells a lottery ticket for an amount less than or greater than its stated price.

4.2.12 Whenever the Agent fails to report information required by these regulations.

4.2.13 Whenever the Agent sells lottery tickets to known third-party ticket resalers or enters computer-generated betting slips from third-party ticket resalers for the sale of lottery tickets.

4.3 Procedure for Revocation or Rejection of Renewal of License

4.3.1 The Director may, for any of the reasons stated above, revoke or reject the renewal of an Agent's license.

4.3.2 Immediately upon notice of revocation or rejection of renewal of an Agent's license, said Agent shall suspend the sale of all lottery tickets and shall forthwith comply with the provisions of these Regulations for procedures upon suspension of license, unless otherwise notified by the Director.

5.0 Procedure Upon Suspension or Revocation of License

5.1 The license of any Agent may be temporarily suspended by the Director without prior notice, or having a hearing, pending further investigation, settlement of delinquent account, or prosecution.

5.2 Upon suspension or revocation of an Agent's license for any reason whatsoever, the Agent shall meet with the Director or his designee on a date set by the Director for the purpose of rendering his final lottery accounting. This date shall be not more than seven (7) days from the date the notice of suspension or revocation was received by the Agent. Upon the Agent's failure to meet with the Director or his designee on or before the date set by the Director, the Director may take steps to impose such penalties and to enforce the powers of his Office against the delinquent Agent, his agents, or representatives, as may be provided by law and these Regulations.

5.3 Upon receipt of notice of suspension, revocation, or rejection, the Agent may within fourteen (14) days of receipt of said notice make written request to the Director for a hearing to show cause why his license should not be revoked. The written request must contain:

5.3.1 A clear and concise assignment of each error which the licensee alleges to have been committed in the tentative determination to suspend or revoke the license. Each assignment of error should be listed in a separately numbered paragraph.

5.3.2 A clear and concise statement of the facts on which the licensee relies in support of each assignment of error.

5.3.3 A prayer setting forth the relief sought.

5.3.4 The signature of the licensee or an officer authorized to request the hearing.

5.3.5 A verification by the licensee or counsel for the licensee that the statements contained in the petition are true.

The Director shall provide an opportunity for the petitioner to be heard within thirty (30) days of receipt of the request for a hearing.

5.4 The Director may appoint a hearing officer within a reasonable time for the purpose of hearing suspension or revocation cases. Said officer shall hear the case, and within thirty (30) days of the conclusion of said hearing, submit to the Director with a copy to the parties of record, a recommended report. Said report shall contain findings of facts and conclusions of law to support a recommendation to support the revocation, suspension, or rejection, or to support the relicensing of the Agent involved. The parties of record upon receipt of their copy of the recommended report shall have ten (10) days in which to file exceptions, objections and replies to the Director. The Director, within fourteen (14) days, will advise the Agent of his final decision. The Director's decision shall be final.

5.5 The licensee may appear individually, by legal counsel, or by any other duly authorized representative. In the absence of the licensee, written evidence of a representative's authority shall be presented to the hearing officer in a form satisfactory to the hearing officer.

5.6 The licensee or his duly authorized representative, may, with the approval of a hearing officer, waive the hearing and agree to submit the case for decision on the record, with or without a written brief. Such a waiver or agreement shall be in writing and placed in the record.

5.7 The licensee shall be given the opportunity for argument within the time limits fixed by the hearing officer following submission of the evidence. The hearing officer, upon request of licensee, may accept briefs in lieu of argument. The briefs shall be filed within ten days after the hearing date or within such time as fixed by the hearing officer.

5.8 The hearing officer may admit any relevant evidence, except that he shall observe the rules of privilege recognized by law. The hearing officer may exclude any evidence which is irrelevant, unduly repetitious, or lacking a substantial probative effect.

5.9 A record shall be made of all hearings and all witnesses shall be sworn and subject to cross examination.

Unless the Director is satisfied that a mutilated lottery ticket is genuine, no credit or prize will be issued to the holder of said ticket. Tickets misprinted due to machine error shall be returned to the Lottery and the Agent's account shall be credited. If a ticket misprinted due to machine error (as determined by Lottery internal procedures) has been sold, the ticket holder shall be reimbursed for the cost of the ticket. Each Agent shall fully cooperate to give the public exposure and type of display of the winning lottery numbers in his location as may be requested by the Director.

18.0 Procedure for Claiming Prizes

18.1 The following shall be the procedure by which prizes may be claimed and paid from the State Lottery Fund:

18.1.1 Place of Claims: - All cash prizes under an amount defined by the Director may be claimed through a duly authorized claim center, which may be but is not limited to an Agent's licensed location or at the offices of the Division of Revenue. All cash prizes greater than \$5000 must be claimed at the Lottery Office Headquarters.

18.1.2 Claim Forms – Each prize ticket winner may be required to complete a claim form and to sign the winning ticket or both at the discretion of the Director. If the prize ticket owner is a minor or a person unable to complete the required form(s), then said minor or person shall have his guardian, conservator, adult member of his household, or other proper representative complete the claim form in his stead. If the Director determines that the person who completed the claim form on behalf of the owner is not the proper person to claim the prize on behalf of the owner, the Director may require a new claim form completed by a person to claim the true owner's prize. The claim form shall be in such form as the Director may, from time to time, deem necessary and proper to protect the Agency and the public interest.

18.1.3 Listing Winning Tickets – Each Agent will be provided with a list containing winning lottery numbers for prior weeks.

18.1.4 Lottery Verification – The Agent shall review the winning ticket and must be assured that the ticket is a proper winner and is signed by the claimant. The Agent shall validate the winning ticket and pay to the winner the amount of winnings up to the limit set by the Director. Should the Agent have any questions about the validity of a winning ticket, the ticket must be turned in to the Lottery office for payment.

18.1.5 Lottery Validation – All winning tickets will be validated. A winning ticket must not be counterfeit in whole or in part and must be presented by a person authorized to play the Lottery. In the event it is determined that a prize was paid by an Agent on a ticket which was not a winner, for any reason, the person signing the ticket will be contacted, advised of the error and will be required to reimburse the Lottery for said payment. If an Agent pays any claim, which was not a winner and the holder of the ticket fails to reimburse the Lottery or cannot be located, the Agent will be held responsible for the improper payment. All winning tickets submitted on a claim form to the Lottery Office for payment shall be validated. In the event that a ticket is determined to be invalid, the Director will notify the claimant that said ticket is invalid and no prize will be paid. All tickets will be considered void if altered, torn, misprinted, illegible or damaged unless the Director is satisfied that the ticket is genuine. If it is determined that a ticket contains a manufacturing defect which makes said ticket appear to be a winner when in fact it is not, the bearer shall have the right to expect reimbursement for the full purchase price of said ticket, but shall not be awarded any prize.

18.1.6 Appeal by Claimant – If a claimant is aggrieved by the Director's denial of his claim or a prize, he may request an informal hearing with the Director to discuss his grievances and a reconsideration of his claim by the Director. If the Director concludes that there is meritorious basis for the claimant's complaint, he may revise his prior decision. The decision of the Director shall be final.

18.1.7 Duration of Ticket Redeemability – A winning on-line ticket will be redeemable for a period of twelve (12) calendar months from the Drawing Date of the lottery for which it was purchased. A winning instant scratch game ticket will be redeemable for a period of twelve (12) calendar months from the announced end of that game's sales. Prizes not collected within that period revert to the State Lottery Fund of the Delaware State Lottery in order to fulfill the statutory prize requirement.

18.2 The Director reserves the right to offer special prizes above and beyond the normal prize structure. These prizes may be only redeemable for a specific period after which no prize will be awarded. These special situations will be clearly detailed in announcements to the public providing ample time for claims.

18.3 The Director may establish and modify procedures by which prizes may be claimed and paid by authorized Agents.

4 DE Reg. 498 (09/01/00)

19.0 Ownership of Lottery Tickets

Until such time as a name is imprinted or placed upon the rear portion of the lottery ticket in an area designated for "name", a lottery ticket which has been sold shall be owned by the physical possessor of said ticket. Unsold tickets remain the property of the Lottery Office. When a name is placed on the rear of said ticket in the place designated therefor, the person(s) whose name(s) appear in that area shall be the owner(s) of said ticket and shall be entitled to any prize attributed thereto. Unless there is a conflict between the information on the claim form and the signature(s) on the back of the ticket, the Lottery Office shall make payment to the name(s) appearing on the back of the ticket in the space designated therefor, provided if more than one name appears on the rear of the

lottery ticket, one of those persons whose name appears thereon may be designated to receive payment. This may be done by indicating on the claim form and by the signature on the claim form of all persons whose names appear on the rear of the ticket. The person(s) appearing for payment shall be the same as those whose name(s) that which appear on the rear portion of the lottery ticket in the space designated.

4 DE Reg. 498 (09/01/00)

20.0 Prize Rights Unassignable

No right of any person to a prize drawn shall be assignable, except that payment of any prize drawn may be paid to the designated Beneficiary(ies) of a deceased prize winner, and except that any person pursuant to an appropriate judicial order may be paid the prize to which the winner is entitled. The Director shall be discharged of all liability upon payment of a prize pursuant to this section.

21.0 Payment of Prizes to Persons Under 18 Years of Age

If the person entitled to a prize for any winning ticket is under the age of eighteen (18) years, and such prize is less than \$5,000.00, the Director may direct payment of the prize by delivery to an adult member of the minor's family or a guardian of the minor of a check or draft payable to the order of the minor. If the person entitled to a prize on any winning ticket is under the age of eighteen (18) years, and the prize is \$5,000 or more, the Director may direct payment to the minor by depositing the amount of the prize in a bank to the credit of an adult member of the minor's family or a guardian of the minor as a custodian in accordance with Delaware Law and for the purpose of this section the term "adult member of minor's family," "guardian of minor," and "bank" shall have the same meaning as in the Uniform Gifts to Minors Act, as applicable in Delaware. The Director shall be discharged of all liability upon payment of a prize to a minor pursuant to this section.

22.0 Prizes Payable After Death or Disability of Owner

All prizes or a portion thereof which remain unpaid at the time of the prize winner's death shall be payable to the prize winner's designated beneficiary(ies). The payment to the designated beneficiary(ies) of the deceased owner of any prize winnings by the Lottery Office shall absolve the Lottery Office and its Agents of any further liability for payment of said prize winnings. The Lottery Office need not look to the payment of the prize winning beyond the payee thereof. Under no circumstances will the payment of prize money be accelerated beyond its normal dates of payment by the Lottery Office. The Director reserves the right to petition any court of competent jurisdiction to request a determination for the payments of any prize winnings, including those winnings which are or may become due to the designated beneficiary(ies) of a deceased owner or an owner under a disability because of, but not limited to, underage, mental deficiency, physical or mental incapacity. If the legatee(s) or heir(s) of a deceased owner entitled to prize winnings obtain an order from a court of competent jurisdiction directing payments due and to become due from the Lottery Office to be paid directly to said legatee(s) or heir(s) or otherwise directs the Lottery Office to make payments to another in the event of an owner's disability or otherwise, the Lottery Office shall pay the prize winnings accordingly.

23.0 Payment of Prizes

23.1 All prizes shall be paid within a reasonable time after they are awarded and after the claims are verified by the Director. For each prize requiring annual payments, all payments after the first payment shall be made on the anniversary date of the first payment in accordance with the type of prize awarded. The Director may, at any time, delay any payment in order to review a change of circumstances relative to the prize awarded, the payee, the claim, or any other matter that may have come to his attention. All delayed payments will be brought up to date immediately upon the Director's confirmation and continue to be paid on each original anniversary date thereafter.

23.2 For Grand Prizes in the Lottery's Powerball game, those prizes shall be paid at the election of the player made no later than 60 days after the player becomes entitled to the prize with either a per winner annuity or cash payment. If the payment election is not made at the time of purchase and is not made by the player within 60 days after the player becomes entitled to the prize, then the prize shall be paid as an annuity prize. An election for an annuity payment made by a player before ticket purchase or by system default or design may be changed to a cash payment at the election of the player until the expiration of 60 days after the player becomes entitled to the prize. The election to take the cash payment may be made at the time of the prize claim or within 60 days after the player becomes entitled to the prize. An election made after the winner becomes entitled to the prize is final and

cannot be revoked, withdrawn, or otherwise changed. Shares of the Grand Prize shall be determined by dividing the cash available in the Grand Prize pool equally among all winners of the Grand Prize. Winner(s) who elected a cash payment shall be paid their share(s) in a single cash payment. The annuitized option prize shall be determined in accordance with the rules and procedures approved by the Multi-State Lottery Association, of which the Delaware Lottery is a participating member. Neither the Multi-State Lottery Association nor the member lotteries including the Delaware Lottery shall be responsible or liable for changes in the advertised or estimated annuity prize amount and the actual amount purchased after the prize payment method is actually known to the Multi-State Lottery Association. In certain instances announced by the Multi-State Lottery Association Product Group, the Grand Prize shall be a guaranteed amount and shall be determined pursuant to MUSL rules and procedures. If individual shares of the cash held to fund an annuity is less than \$250,000, the MUSL Product Group, in its sole discretion, may elect to pay the winners their share of the cash held in the Grand Prize pool. All annuitized prizes shall be paid annually in twenty-five equal payments with the initial payment being made in cash, to be followed by twenty-four payments funded by the annuity.

30.2 Purpose

30.2.1 The Americans with Disabilities Act (P.L. 101-336, U.S.C. §§ 12131-12134), known as the ADA, prohibits discrimination on the basis of disability in the delivery of programs offered by entities of state or local government. The purpose of this regulation is to ensure that the Delaware Lottery is in compliance with the ADA by ensuring that people with disabilities have access to Delaware Lottery programs.

30.2.2 In defining the scope or extent of any duty imposed by these regulations including compliance with the standard of accessibility defined in paragraph 3(b), higher or more comprehensive obligations established by otherwise applicable federal, state or local enactment may be considered.

30.3 General Requirements

30.3.1 Prohibition of discrimination. No lottery retailer shall discriminate against any individual on the basis of a disability in the full and equal enjoyment of lottery related goods, services, facilities, privileges, advantages, or accommodations of any lottery licensed facility.

30.3.2 Standard of accessibility. Each Retailer is required to meet a standard of accessibility that enables people with disabilities, including those who use wheelchairs, to enter the lottery licensed facility and participate in the lottery program. An accessible route must be provided comprised of the following accessible elements:

30.3.2.1 Parking, if parking is provided to the general public;

30.3.2.2 Exterior route connecting parking (or a public way if no parking is provided) to an accessible entrance;

30.3.2.3 Entrance;

30.3.2.4 Interior Route connecting the entrance to a service site.

30.3.3 Each element shall meet the design standards set forth in the ADA Accessibility Guidelines (ADAAG) published in the Federal Register on July 26, 1991.

30.4 New License Applicants

30.4.1 License applicants. The State Lottery Office shall inspect the site of applicants for compliance with this regulation prior to granting a license. The State Lottery Office will not grant a license to an applicant who is not in compliance with this regulation.

30.4.2 Inspection reports. The State Lottery Office, prior to granting a license, shall provide lottery applicants with an Inspection Report that shall identify barrier removal actions, if any, necessary to provide program accessibility. The identified actions must be completed prior to the granting of a license.

30.5 Current Retailers

30.5.1 The State Lottery Office shall inspect the site of each lottery retailer for compliance with this regulation.

30.5.2 Inspection reports. The State Lottery Office shall provide to all current retailers an Inspection Report that shall identify barrier removal actions necessary to provide program accessibility. The identified actions must be completed within 90 days of receipt of the Inspection Report.

30.5.3 Extensions. The Director may grant an extension of up to 90 days to allow a current retailer to complete barrier removal actions identified in the Inspection Report.

30.5.3.1 Any request for an extension must be in writing, and shall include specific reasons for an extension and supporting documentation.

30.5.3.2 The Director shall grant an extension only upon showing of good cause.

30.6 Permitted exemptions

30.6.1 The following exemptions to the requirements of this rule may be granted by the Director. The Director shall review the circumstances and supporting documentation provided by the retailer to determine if the retailer's request for an exemption should be granted. The Director shall determine the type and scope of documentation to be required for each exemption classification. All decisions made by the Director shall be final; any retailer whose request for an exemption is denied by the Director shall be required to satisfy the requirements of this rule as a condition for maintaining its eligibility for a Lottery retailer contract.

30.6.1.1 Historic properties. To the extent a historic building is exempt under federal law, and if barrier removal would threaten or destroy the historic significance of the structure, this rule shall not apply to a qualified historic building or facility that is listed in or is eligible for listing in the National Register of Historic Places under the National Historic Preservation Act or is designated as historic under State or Local law.

30.6.1.2 Legal impediment to barrier removal. Any law, act, ordinance, state regulation, ruling or decision which prohibits the lottery retailer from removing a structural impediment or from making a required improvement to the facility may be the basis for an exemption to this rule. A lottery retailer requesting an exemption for a legal impediment will not be required to formally seek a zoning variance to establish such impediment, but will be required to document that they have applied for and have been refused whatever permit(s) are necessary to remove the identified barrier(s).

30.6.1.3 Landlord refusal. An exemption may be granted based on the refusal of a landlord to grant permission to a Lottery retailer and/or to pay to make improvements required by the Lottery under this rule or based on the refusal of a landlord to pay for improvements required by the Lottery under this rule. The exemption shall only apply to the retailer's current term and does not include any possible renewal periods under the lease. To request such an exemption, the retailer must submit documentation to the Director that the retailer requested the Landlord's permission and financial participation to make the required structural improvements, that such request was denied by the landlord, and the reasons for the denial. In making a decision on the exemption request, the Director shall take into consideration, but not be limited to, the sufficiency of the reasons provided by the landlord for denying the retailer's request.

30.6.1.4 Undue financial hardship. A limited exemption may be granted if a retailer can demonstrate that the cost of removing a structural barrier or of making the required structural modification(s) to the retailer's facility is an undue financial hardship in that the cost of making such a change(s) exceeds 25% of the retailer's compensation from the Lottery for the prior calendar year (An annualized sales figure based upon the retailer's most current 13-week sales period shall be used for those retailer locations with less than a full year's history of sales.) Under the terms of this limited exemption, a retailer would be required to annually make those improvements and modifications that can be financed within an amount that is approximately equal to 25% of the total compensation earned from the Lottery in the prior calendar year. This requirement would continue on a year-to-year basis until all the improvements and modifications required by this rule have been completed. A retailer shall provide all supporting documentation requested by the Director to substantiate the cost estimates of making the required improvements to the retailer's location.

30.6.1.5 Technical Infeasibility. A permanent exemption may be granted if a retailer can demonstrate that the removal of architectural barriers identified in the inspection report is not possible due to technical infeasibility. If such a claim is made, the Lottery may have the barrier removal action evaluated by a person knowledgeable in accessibility codes and construction to determine the merits of the claim.

30.6.1.6 Alternative methods. Where an exemption is granted in accordance with the provisions of this sub-chapter, the lottery retailer shall make the lottery related goods and services available through alternative methods. Examples of alternative methods include, but are not limited to:

- 30.6.1.6.1 Providing curb service;
- 30.6.1.6.2 Directing by signage to the nearest accessible lottery retailer.

30.7 Complaints Relating to Non-Accessibility

30.7.1 An aggrieved party may file an accessibility complaint with the Lottery Director or designee for review. Complaints must be in writing and, where possible, submitted on an ADA complaint form. As soon as practical, but not later than 30 days after the filing of a complaint, each complaint will be investigated. After the completion of the investigation, if the agency determines that the lottery retailer is not in compliance with this regulation, a letter of non-compliance will be issued to the lottery retailer with a copy to the complainant. If the lottery retailer is determined to be in compliance, a letter so stating will be mailed to the retailer and complainant. Regardless of whether a complaint has been filed, the agency will issue a letter of non-compliance within 30 days after the completion of an onsite inspection of the lottery retailer facility if the agency determines that the lottery retailer is not in compliance with this regulation.

30.7.2 If the letter of non-compliance shows deficiencies in the accessibility of the retailer facility, the lottery retailer shall submit a plan to the agency within 30 days of the issuance of the letter of non-compliance. The plan shall describe in detail how the lottery retailer will achieve compliance with this regulation. Compliance shall be accomplished within 90 days of the letter of non-compliance. The Lottery may, upon request and for good cause, grant the lottery retailer additional time to submit the plan.

30.7.3 Within 20 days of the submission of the plan to the agency, the Lottery shall notify the lottery retailer of the agency's acceptance or rejection of the plan. If the plan is rejected, the notification shall contain the reasons for rejection of the plan and the corrections needed to make the plan acceptable to the Lottery. If the retailer agrees to make the required corrections, the Lottery shall accept the plan as modified.

30.7.4 If a retailer fails to submit a plan within 30 days of issuance of the letter of non-compliance and has not requested an extension of time to submit a plan, the Lottery may proceed to initiate termination proceedings.

30.7.5 If approved, the plan must be completely implemented within 60 days of the agency's notice of approval. The Lottery may, upon request, grant the lottery retailer additional time for good cause. Notice of any extension will also be sent to the complainant, if applicable. Any such extension will commence immediately upon expiration of the first 60 day period.

30.7.6 If the corrective action taken by the lottery retailer corrects the deficiencies specified in the letter of non-compliance as originally issued or as later revised or reissued or if the onsite inspection of the lottery retailer facility reveals compliance with this regulation, the Lottery will issue a notice of compliance. Until this notice is issued, a complaint will be considered pending.

30.7.7 Failure to make the identified modifications in compliance with the accessibility standards and within the required time period will result in the initiation of proceedings to suspend or revoke the lottery license by the agency.

30.7.8 A license will be suspended if the Lottery determines that the lottery retailer has made significant progress toward correcting deficiencies listed in the compliance report, but has not completed implementation of the approved compliance plan. If the Lottery determines that the lottery retailer has not made a good faith effort to correct the deficiencies listed in the compliance report, this inaction will result in the revocation of the lottery license for that lottery licensed facility.

30.7.9 While proceedings to suspend or revoke a lottery retailer's license are pending pursuant to this regulation, and until a notice of compliance is issued pursuant to 30.7.3 of this section, the Lottery shall withhold incentive payments from the lottery retailer. In addition, if a license is revoked pursuant to this regulation, and incentive payments and other privileges have been withheld from the affected retailer pending review of the complaint, the lottery retailer forfeits any claim to such incentive payments or other privileges.

30.8 Request for Hearings

30.8.1 If the Lottery proposes the denial of an application for a license or the suspension or revocation of a lottery retailer's license pursuant to this regulation, the agency shall give the applicant or lottery retailer written notice of the time and place of the administrative hearing not later than thirty (30) days before the date of the hearing.

30.8.2 All relevant rules of evidence and time limits established in these rules shall apply to hearings conducted under this regulation.

30.9 Non-Exclusivity of Remedies

30.9.1 Remedies established by these regulations are not intended to supplant, restrict or otherwise impair resort to remedies otherwise available under law, including those authorized by the ADA and Del. Code Ann., Title 6, Ch. 45 (1993).

3.8. The Director shall weigh the following factors in his or her evaluation of the application:

3.9. A license shall be issued to the applicant if the Director is satisfied, upon consideration of the factors specified in subsection 3.8, that the applicant would be a fit agent and not pose a threat to the public interest, the reputation of the lottery, or the effective control of the lottery.

3.10. The approval of any license or the renewal of a license to an agent is subject to the following conditions:

3.10.1 Operation pursuant to a license issued under these regulations shall signify agreement by the agent to abide by all provisions of the regulations, including those contained in this section.

3.10.2 The agent shall at all times make its premises available for inspection by authorized representatives of the agency or the VLEU personnel, on a 24-hour unannounced basis. ~~3.10.3 The agent shall not permit any automated teller machines (ATMs) to be present within twenty five (25) feet of any video lottery machine on the premises.~~

3.10.43 The agent and any entity owned by the agent in which the agent has a controlling ownership interest shall consent in writing to the examination of all accounts, bank accounts, and records under the control of the agent or the owned entity; and, upon request of the agency, shall authorize all third parties in possession or control of the said documents to allow the agency to examine such documents.

3.10.65 An agent shall immediately notify the agency of any proposed or effective change regarding the makeup of the owners, directors, officers, partners, or key employees of the agent.

3.10.76 The agent shall certify by a sworn notarized statement that it has not entered and does not intend to enter into any joint venture, partnership or teaming agreement in order to fulfill its obligations in connection with the video lottery operations; that it is not acting as a distributor of products manufactured by another entity; and that it has not entered and does not intend to enter into any agreement whereunder the proceeds generated by any agreement between the agent and the agency would be shared with one or more other persons. Provided, however, that an agent may enter into a management agreement with a third-party, who is not licensed under these regulations as a technology provider, for the operation of the lottery on the agent's premises provided that: (1) the proposed management agreement is provided to and approved by the agency, and (2) the third-party complies with all these regulations which apply to agents, including without limitation the licensure requirements.

3.11 Any license granted may not be transferred, assigned or pledged as collateral. A change of ownership which occurs after the Director has issued a license shall automatically terminate the license ninety (90) days thereafter. Provided, however, that the Director may issue a license to the new owner if satisfied, after the submission of an application that the new owner has met the requirements contained in 29 Del.C. §4806 (a) (1-4), as well as the fitness and background standards contained in such law and these regulations. In the case of a death of an owner, the estate of such owner shall be deemed to have met the requirements of §4806 (a) (1-4) for a period of one year following such death without the need for submitting an application, and, thereafter, need only supply such additional information as the Director may request. In the case of a shift in equity positions of owners, or a transfer among owners, notice shall be given the Director, but the license shall not terminate so long as no new owner is created or results. An agent may also seek approval of a proposed change in ownership prior to the actual change.

3.12 If the Director proposes to deny a license application and the agency is subject to the requirements contained in subchapter IV of 29 Del.C. chapter 101, the agency shall first give written notice to the

applicant of the intended action, the reasons therefore, and the right to a hearing as provided for in 29 **Del.C.** chapter 101.

3.13 At the time of issuance of the license or thereafter, in the Director's sole discretion, the Director may approve the proposed business plan of the applicant or the agent. If the Director determines that an amendment or amendments to the plan are necessary to increase revenues from the video lottery, protect the public welfare or ensure the security of the video lottery, he or she may amend the plan accordingly. An agent may request an amendment to an approved business plan, which proposed amendment shall be subject to the approval of the Director.

3.14 To the extent provided by law, any information obtained pursuant to this Section 3 shall be held in confidence and not subject to the Delaware Freedom of Information Act, 29 **Del.C.** chapter 100.

The licensing of a technology provider shall not serve as the basis of requiring the Director to select the technology provider under the procurement procedures set forth in Chapter 69 of Title 29 of the **Delaware Code**.

4.2 Each person desiring to obtain a license from the agency as a technology provider shall submit a license application on a form specified and supplied by the agency. Any person or entity, including video lottery manufacturers, who proposes to contract with a video lottery agent or the Lottery for the provision of goods or services, including management services, related to video lottery operations, must obtain a technology provider license pursuant to these Video Lottery Regulations. The license application shall, among other things:

4.2.1 Give notice that the applicant may be required to submit to a background investigation, the cost of which must be borne by the applicant.

4.2.2 Require the applicant to supply specified information and documents related to the applicant's fitness and the background of its owners, partners, directors, officers, key employees, and video lottery operations employees, including but not limited to copies of financial statements, tax returns, insurance policies, and lists of creditors.

4.2.6 Provide a description of the means by which the applicant exercises security and financial control over the activities of service technicians in order to insure the integrity of video lottery operations.

4.2.7 Require the applicant to disclose its legal name, form or entity (e.g., general or limited partnership, corporation), the names, addresses, social security numbers and dates of birth of its directors, officers, partners, owners, key employees and video lottery operations employees.

4.8 Notwithstanding any other provision contained herein to the contrary, the Director may determine, upon review of the licensing standards of another state, that such standards are so comprehensive, thorough, and provide similar adequate safeguards, that the license of an applicant in such other state precludes the necessity of a full application and background check. In such case, the Director shall require a limited application and background check, as determined by the Director in his sole discretion, as are necessary to assure that the applicant is fit for the license and does not pose a threat to the public interest of the State or to the reputation of or effective regulation of the video lottery.

4.9 In evaluating applications, the Director shall consider:

4.9.2 Any past conduct of the applicant, or any of its present or former officers, directors, partners, owners, key employees, or video lottery operations employees which may adversely reflect upon the applicant, the nature of the conduct, the time that has passed since the conduct, the frequency of the conduct and any extenuating circumstances that affect or reduce the impact of the conduct or otherwise reflect upon the applicant's fitness for the license. No license shall be issued to any applicant if any of the persons identified in this subsection have been convicted, within ten years prior to the filing of the application, of any felony, a crime of moral turpitude or a crime involving gambling.

4.9.3 Any findings provided by the Delaware State Police VLEU following its background investigation.

4.9.6 Any other information supplied in connection with the application, including substantially similar background investigations performed by other agencies or jurisdictions, which relates to the applicant's competence, financial capability, honesty, integrity, reputation, habits, or associations.

4.9.7 The degree to which the applicant has supplied accurate and complete information pursuant to the requirements of these regulations.

4.10 A license shall not be issued to a technology provider if the applicant technology provider has any direct or indirect financial interest in an agent licensee or the real or personal property of an agent licensee.

4.11 A license shall be issued to the applicant if the Director is satisfied, upon consideration of the factors specified in subsection 4.9, that the applicant would be a fit technology provider and not pose a threat to the public interest, the reputation of the lottery or to the effective control of the lottery.

4.12 An applicant for a technology provider's license shall, prior to issuance of the license, post a bond or irrevocable letter of credit in a manner and in an amount established by the agency. Any such bond shall be issued by a surety company authorized to transact business in Delaware and said company shall be approved by the State Insurance Commissioner as to solvency and responsibility.

4.13 The agency, with the assistance of the VLEU, may require licensed technology providers to annually update information submitted with their initial license application.

7.17.6 All EPROM chips and programming disks, after the standard review and approval by the independent laboratory designated by the Lottery, must be sent to the VLEU to be certified for use in the promotional tournament games, unless otherwise directed by the Lottery. EPROM chips will be taped when installed in the tournament games under the supervision of the VLEU. The VLEU will be the only persons permitted to access the logic area and chips of the Promotional Tournament Terminals, unless otherwise directed by the Lottery.

7.17.7 Any video lottery agent who wishes to conduct a tournament with the Promotional Tournament Terminals must first obtain the approval of the Lottery. The agent must complete a Promotional Tournament Request Form that will be available from the Lottery. The Tournament Request Form will require, at a minimum, the following: i) the date(s) and time(s) when the tournament will be held; ii) the rules for the tournament; iii) the location of the tournament; iv) security and surveillance arrangements for the tournament. all other video lottery machines under these Video Lottery Regulations. Approval by the Lottery to conduct promotional tournaments shall also constitute approval for the movement of Promotional Tournament Terminals.

7.17.8 No tournament is approved until the Lottery has reviewed and approved the Promotional Tournament Request Form and distributed copies of the completed form to the appropriate parties.

8.2.2 Each agent, unless specifically exempted by the Agency, shall at its own expense, cause its annual financial statements to be audited in accordance with generally accepted auditing standards by an independent certified public accountant licensed to practice in the State of Delaware.

10.0 Transportation, Registration, and Location of Video Lottery Machines

10.1 No person shall ship or transport a video lottery machine into the State without first obtaining a written authorization for such transport from the Director or designee. Prior to use, the storage facility shall be inspected and approved for video lottery machine storage by the Agency and the Delaware State Police VLEU.

10.3 Transporting of video lottery machines within the State of Delaware shall be accomplished by the technology provider or his designate, with the concurrence of the Director. Video lottery agents are not authorized to transport video lottery machines at any time without agency approval. Any person transporting a video lottery

Provided, however, that all Section 10 requirements are applicable to video lottery machines prior to their arrival at an agent's premises. Provided, further, that agents shall not transport video lottery machines, without agency approval, regardless of whether they are or have been located on an agent's premises.

10.7 Project Request Forms

10.7.1 A video lottery agent must complete a Project Request Form whenever it seeks approval for the movement of video lottery terminals or for other modifications or changes to video lottery terminals.

10.7.2 A video lottery agent, after conferring with the affected technology provider to confirm the feasibility of the project, must first submit a Project Request Proposal to the Lottery for approval. The Project Request Proposal must be in a letter or on a form provided and approved by the Lottery. A Project Request Proposal must be submitted whenever an agent seeks: i) to move a video lottery machine on the premises; ii) to convert a game theme on a video lottery machine; iii) to convert the play denomination on a video lottery machine; iv) to change the percentage payout on a video lottery machine; v) to change the EPROM chip on a video lottery machine; vi) to change the jackpot lockup amount on a video lottery machine; vii) to change the configuration of a video lottery machine; viii) to perform a wholesale replacement of parts of a video lottery machine. If the Lottery approves the Project Request Proposal, the Lottery will assign a Project Number and send a confirming letter of approval to the video lottery agent.

10.7.3 After receiving an approval letter for the Proposed Project Request, the video lottery agent or technology provider must obtain a date for the project. The video lottery agent or technology provider must use a Project Request Form approved by the Lottery. The Project Request Form must be fully completed and include the following: 1) a description of type of project proposed; 2) a listing of project location and project start date and time;

10.7.4 The video lottery agent or technology provider will submit the completed Project Request Form to the Lottery's Central System Provider for review and a signed authorization. If approved by the Central System Provider, the Central System Provider will then forward the Project Request Form to the VLEU for review. If the Project Request Form is approved by the VLEU, the Form will then be forwarded to the Lottery Office for review. If the Project Request Form is in order, the Lottery will approve the Project Request Form and provide a signed copy to the video lottery agent, the VLEU, and any other affected parties. At the discretion of the Lottery, a technology provider may be excepted from the requirement of submitting a Project Request Proposal submission for main chip upgrades and simply submit a Project Request Form as described above in these Regulations.

10.7.5 The video lottery agent is responsible for notifying Security and Surveillance of any approved Project and for arranging sufficient staffing to complete the project in a timely manner.

10.7.6 No project is approved until the Lottery has signed the Project Request Form and distributed copies of the completed form to the appropriate parties. The Lottery and the VLEU will strictly enforce the approved start and end time on the Project Request Form. No video lottery agent under any circumstances will be permitted to shut down or otherwise modify any video lottery terminal prior to the approved start time or after the approved end time listed on a Project Request Form without written approval from the Lottery Office.

10.7.7 A video lottery agent must notify the Lottery Office if any project is cancelled or not completed as originally submitted based on a decision of the video lottery agent. A technology provider must notify the Lottery Office if any project is cancelled or not completed as originally submitted based on a decision of the technology provider.

11.0 Standards for Advertising, Marketing and Promotional Materials

11.1 All advertising, marketing and promotional materials, related to the video lottery or referencing the video lottery, to be utilized by an agent or person acting on behalf of the agent shall be submitted to the agency for review and approval prior to use, except that such materials need not be submitted for review and approval if identical materials have been previously submitted and approved. Materials are not identical for purposes of this provision if they vary in any respect, such as in the size of a billboard.

11.2 The agency shall review any materials submitted pursuant to this section and approve their use unless in the judgment of the agency such materials, if used, would result in an appearance which reflects adversely on the agency, would reasonably be expected to offend a substantial number of people, contain inaccurate or misleading information, or otherwise be inappropriate.

12.0 Foregoing Video Lottery Opportunities

12.1 Any person who qualifies pursuant to the requirements contained in 29 Del.C. §4821 may elect to forego the opportunity to become a video lottery agent by notifying the Director and all other video lottery agents of such decision in writing.

12.2 The elector shall provide the Director with sufficient written documentation to enable the Director to determine whether the person qualifies for each annual payment provided for in §4821. If the Director requests additional information to facilitate such determination, the elector shall promptly supply it.

12.3 The Director shall notify all video lottery agents of his or her determination, within ten days of such determination, and of any obligation on the part of the video lottery agents to make the payments required pursuant to §4821.

12.4 The video lottery agents shall make the required payments within 30 days after receipt of notification by the Director.

12.5 An election to forego the opportunity to become a video lottery agent shall be effective for one year from the date of such election, after which time the elector may apply for a license to become a video lottery agent or may elect to forego such opportunity for an additional year.

13.0 Enforcement

13.1 The license of a video lottery agent or technology provider may be suspended or revoked for the following reasons:

13.1.1 Continual failure by the agent to substantially comply with the requirements, if applicable, contained in 3 **Del.C.** §10048 or §10148(1), after notice is provided to the agent by the Director to comply with the requirements.

13.1.2 Failure of the agent to file with the Director the information required pursuant to 29 **Del.C.** §4820(a); and

13.1.3 For cause, such as, but not limited to falsifying any application for license or report to the agency; failure to report information required by the regulations; the material violation of the regulations; or any conduct by the licensee, or any of its owners, officers, directors, partners, key employees, or video lottery operations employees, which undermines the public confidence in the video lottery system or serves the interest of organized gambling or crime and criminals in any manner. A license may be revoked for an unintentional violation of any Federal, State or local law, rule or regulation provided that the violation is not cured within a reasonable time as determined by the Director, or a longer period where the video lottery agent has made diligent efforts to cure. For purposes of this provision, the licensee is deemed to be familiar with all the provisions of these regulations and unintentional violations shall not include violations which the agent or technology provider asserts are unintentional because of lack of awareness of these regulations. Likewise, for purposes of this provision, diligent efforts to cure shall not constitute a defense to a suspension or revocation of the license arising out of reasons contained in §13.1.1 or 13.1.2 or in situations where the violation would not have occurred had the licensee exercised diligent efforts to comply with the requirements when they were first applicable.

13.2 Prior to the revocation or suspension of any license, the agency shall notify the licensee of the intended revocation or suspension of the license, and the reasons therefor. No revocation or suspension shall be effective until a final order is issued pursuant to the following procedure, except when the public welfare clearly requires emergency action and the agency's order so states. The notice of the intended revocation or suspension shall comply with any applicable requirements of the Delaware Administrative Procedures Act and, at a minimum, afford the licensee with an opportunity for a hearing.

13.3 If the licensee desires a hearing, it shall provide the agency with a written statement within ten days of receipt of the notice which contains the following:

13.3.1 A clear and concise assignment of each error which the licensee alleges to have been committed in the tentative determination to suspend or revoke the license. Each assignment of error should be listed in a separately numbered paragraph.

13.3.2 A clear and concise statement of the facts on which the licensee relies in support of each assignment of error.

13.3.3 A prayer setting forth the relief sought.

13.3.4 The signature of the licensee or an officer authorized to request the hearing.

13.3.5 A verification by the licensee or counsel for the licensee that the statements contained in the statement are true.

13.4 The Secretary of Finance with respect to petitions filed by agents, and the Director with respect to petitions filed by technology providers, shall appoint a hearing officer within a reasonable time of receipt of the statement referenced in the preceding paragraph. Notice of the hearing shall be given at least 20 days before the date it is to be held.

13.5 The licensee may appear individually, by legal counsel, or by any other duly authorized representative. In the absence of the licensee, written evidence of a representative's authority shall be presented to the hearing officer in a form satisfactory to the hearing officer.

13.6 The licensee or his duly authorized representative, may, with the approval of a hearing officer, waive the hearing and agree to submit the case for decision on the record, with or without a written brief. Such a waiver or agreement shall be in writing and placed in the record.

13.7 The licensee shall be given an opportunity for argument within the time limits fixed by the hearing officer following submission of the evidence. The hearing officer, upon request of the licensee, may accept briefs in lieu of argument. The briefs shall be filed within ten days after the hearing date or within such other time as fixed by the hearing officer.

13.8 The hearing officer may admit any relevant evidence, except that it shall observe the rules of privilege recognized by law. The hearing officer may exclude any evidence which is irrelevant, unduly repetitious, or lacking a substantial probative effect.

13.9 A record shall be made of all hearings and all witnesses shall be sworn and subject to cross examination.

13.10 Following the conclusion of the hearing and within ten days of the receipt of the transcript thereof, or within such other time as fixed by the hearing officer but in no event later than forty-five days following the hearing, the hearing officer shall in proceedings involving agents prepare a final decision, including his or her findings of fact and conclusions of law, and the order signed by the hearing officer shall be final. A copy of said order shall be served upon the licensee and any attorney of record in person or by registered or certified mail. In proceedings involving technology providers, the hearing officer shall submit his or her recommendations to the Director for decision.

13.11 Notwithstanding the procedures set forth herein regarding technology providers, there shall be no right of hearing or judicial review allowed with respect to decisions involving technology providers unless otherwise provided by law.

13.12 Whoever violates the Lottery chapter 29 **Del.C.** Ch. 48, or any Lottery rule or regulation duly promulgated thereunder, or any condition of a license issued pursuant to 29 **Del.C.** §4805, or any Administrative Order issued pursuant to Lottery statutes or Regulations shall be punishable as follows:

13.12.1 If the violation has been completed, by a civil penalty imposed by Superior Court, which by 29 **Del.C.** §4823 shall have jurisdiction of civil penalty actions brought pursuant to this section, of not less than \$1000 nor more than \$10,000 for each completed violation. Each day of a continued violation shall be considered as a separate violation if, on each such day, the violator has knowledge of the facts constituting the violation and knows or should know that such facts constitute or may constitute a violation. Lack of knowledge regarding such facts or violation shall not be a defense to a continued violation with respect to the first day of its occurrence.

13.12.2 If the violation is continuing or there is a substantial likelihood that it will reoccur, the Director may also seek a temporary restraining order, preliminary injunction, or permanent injunction in the Court of Chancery, which shall have jurisdiction of an action for such relief.

13.12.3 In his discretion, the Director may impose an administrative penalty of not more than \$1,000 for each administrative penalty for each violation. Each day of continued violation shall be considered as a separate violation if the violator has knowledge of the facts constituting the violation and knows or should know that such facts constitute or may constitute a violation. Lack of knowledge regarding such facts or violations shall not be a defense to a continued violation with respect to the first day of its occurrence. Prior to the assessment of an administrative penalty, written notice of the Director's proposal to impose such penalty shall be given to the violator, and the violator shall have 30 days from receipt of such notice to request a public hearing. Any public hearing, if requested, shall be held prior to the imposition of the penalty and shall be governed by §10125 of Title 29. If no hearing is timely requested, the proposed penalty shall become final and shall be paid no later than 60 days from receipt of the notice of proposed penalty. Assessment of an administrative penalty shall take into account the circumstances, nature, and gravity of the violation, as well as any prior history of violations, the degree of culpability, the economic benefit to the violator resulting from the violation, any economic loss to the State, and such other legal matters as justice may require. In the event of nonpayment of an administrative penalty within 30 days after all legal appeal rights have been waived or otherwise exhausted, a civil action may be brought by the Director in Superior Court for the collection of the penalty, and for interest, from the date payment was due, attorneys' fees and other legal costs and expenses. The validity or amount of such administrative penalty shall not be subject to review in an action to collect the penalty. Any penalty imposed after a public hearing is held pursuant to this subsection shall be appealable to Superior Court, and such appeal shall be governed by §10142 of Title 29.

13.12.4 In his discretion, the Director may endeavor to obtain compliance with requirements of the Lottery chapter, 29 **Del.C.** Ch. 48, by written Administrative Order. Such order shall be provided to the responsible party, shall specify the complaint, and propose a time for correction of the violation. It may also provide an opportunity for a public hearing at which the Director shall hear and consider any submission relevant to the violation, corrective action, or the deadline for correcting the violation.

13.13 The Director shall enforce chapter 48, 29 **Delaware Code** and any rules, regulations, or Administrative Orders issued thereunder.

13.14 Any interest, costs or expenses collected by the Lottery under actions instituted by 29 **Del.C.** §4823 or these regulations shall be appropriated to the State Lottery Office to carry out the purposes of 29 **Del.C.** Ch. 48.

Under 29 **Del.C.** §4805(a)(16)(17), the Lottery Director shall consider the background of key employees or video lottery operations employees in order to determine if the person's reputation, habits, and associations pose a threat to the public interest of the State or to the reputation of or effective regulation and control of the video lottery. It is specifically provided, pursuant to 29 **Del.C.** §4805(a)(16)(17), that any person convicted of any felony, a crime involving gambling, or a crime of moral turpitude within ten (10) years prior to applying for a license or at any time thereafter shall be deemed unfit.
