1.0 Firearm's Policy

- 1.1 Section 1.0 shall apply only to individuals licensed under 24 Del.C. Ch. 13, while such individuals are acting in the performance of their duties as an armed security guard or armed armored car guard.

- 1.2 No individual licensed under 24 **Del.C.** Ch. 13 shall carry a firearm unless that individual has first passed an approved firearms course of instruction and an initial qualification administered by an approved firearms instructor. The course of instruction shall include a minimum 40 hours of training. The Professional Licensing Section may waive the 40 hour training requirement depending upon the applicant's professional credentials, training and/or work experience (i.e. prior law enforcement). If waived, they must show proficiency and qualify a day and low light shoot with an approved firearms instructor. The initial qualification course shall be used to fulfill one day and one low light requirement during the first year; however an additional day shoot must be completed at least 90 days after the date of initial certification, within the calendar year.
- 1.3 In order to open carry a firearm while in the performance of their duties, individuals licensed to carry a firearm under 24 **Del.C.** Ch. 13 must shoot a minimum of three qualifying shoots per calendar year, scheduled on at least two separate days, with a minimum 90 days between scheduled day shoots. Of these three, there will be one mandatory "low light" shoot which may be combined with a day shoot. Two day shoots shall not be completed on the same date. These qualifying shoots will be administered by an approved firearms instructor.
 - 1.3.1 An individual not meeting the minimum qualifications set forth in subsection 1.3 may have their firearms license suspended until such time that they meet the minimum three qualifying shoots within the calendar year.

- 1.11 If an individual requests to carry a different approved weapon, while in the performance of their duties as an armed security guard or armed armored car guard, other than the one on file with the Professional Licensing Section, he/she must have approval from the Director of Professional Licensing after submitting certification of a day and low light qualification with the new weapon. Upon approval, the individual can begin to carry the new weapon and the prior qualification of a different weapon will become void. Another day shoot with the new weapon must take place after 90 days, during the same calendar year. Individuals will only be authorized to carry the weapon they last qualified with and provided the shoot certifications to the Professional Licensing Section.
 - 1.11.1 An individual may not change weapons after September 30th, of the current calendar year, without prior approval of the Director of Professional Licensing, after submitting a request to the Professional Licensing Section.
