SUMMARY OF COMMENTS RECEIVED WITH AGENCY RESPONSE

The State Council for Persons with Disabilities (SCPD) offered the following observations summarized below.

First, DMMA proposes to revise the implementation date for the program. It was originally expected to become operational in June, 2008. The final regulation adopted last Fall deferred the implementation date to October 1, 2008. See 12 **DE Reg.** 446, 450 (October 1, 2008). The summary of the latest proposal notes that budget

constraints have delayed implementation until October 1, 2009. Given the budget, some delay in implementation is understandable.

Second, the Councils had promoted adoption of a more liberal unearned income limit last Fall. In response, DMMA changed the monthly earned income cap from \$800 to \$904 subject to annual increases based on the Social Security Administration Cost of Living Adjustment (COLA). See 12 **DE Reg.** 446, 452 (October 1, 2008). DMMA now proposes to raise the cap to \$956 in recognition of the 2009 COLA increase. This favors applicants. The COLA is not expected to change in 2011.

SCPD endorses the proposed regulations since they favor applicants or are ostensibly justified by uncertainties about the FY 10 budget.

Agency Response: DMMA thanks the Council for their endorsement.

FINDINGS OF FACT:

The Department finds that the proposed changes as set forth in the September 2009 *Register of Regulations* should be adopted.

THEREFORE, IT IS ORDERED, that the proposed regulation to amend the Division of Social Services Manual (DSSM) regarding the implementation of the Medicaid for Workers with Disabilities Program is adopted and shall be final effective November 10, 2009.
