Statutory Authority

CMS, Informational Bulletin dated July 3, 2019, *Temporary Census Income and Medicaid and CHIP Eligibility.*

Background

The Centers for Medicare and Medicaid Services (CMS) allows states to exclude the earned income of temporary census workers for purposes of eligibility. The Delaware state plan currently excluded earnings of temporary census workers to ensure that individuals (and their families), who are temporarily hired by the Census Bureau to assist in Census activities, do not lose eligibility for Medicaid because of the income they receive from employment with the Census Bureau. The purpose of this amendment is to add additional eligibility groups to that exclusion.
